CEE Admission Requirements
For students gaining 300-level CEE course admission FALL 2016
(Apply by April 15, 2016)

Terms of Admission & Deadlines
- Fall term of admission only
- Application deadline for fall is April 15
- Online application
- All applicants must be admitted to PSU or have started the Admission Process at the time of applying to the Department.

Minimum Eligibility for Consideration
- Prefer that all required freshmen and sophomore classes on the Civil Engineering (blue sheet/course plan) or Environmental Engineering (green sheet/course plan) completed prior to admission
- Each required course must be completed with a grade of C or above; GPA in required courses must be at least 2.33
- PSU Students should have FRINQ and SINQ sequences complete
  - Transfer students should have 27 credits of Arts & Letters/Social Science courses completed, including WR 121, WR 227, and COMM 220

Selective Admission
- A selective admission GPA will be calculated for all students who have met Minimum Eligibility
- Selective GPA calculated from required math, science, and engineering courses (excludes general education)
- Admission will be offered to the top students (approximately 90)

Repeated Classes
- If a required class is repeated, only the most recent attempt at the class will be calculated in the selective admission GPA. However, in review of entire portfolio, repeated courses are noted.

Required classes
- Prefer that all required classes must be completed prior to first term of admission, however:
  - CE students will still be considered if they are missing some of the following courses: CE 111, 112, 115, CH 221/227, CH 222/228, CE 211/212, *WR 121, *227, *COMM 220 (*transfers only) DEPT REVIEW Students are encouraged to have all the lower division courses done prior to starting the upper division, and preference within reason will be given to those who have completed all the lower division courses.
  - ENVE students will still be considered if they are missing some of the following courses: CE 111, 112, 115, EAS 212, and *WR 121, *227, *COMM 220 (*transfers only). Students are encouraged to have all the lower division courses
done prior to starting the upper division, and preference will be given to those who have completed all the lower division courses.

Additional testing/bridge classes
- No entrance exam or test required for admission.
- Students with marginal GPAs may be offered or required to complete the CEE Summer bridge class. If required, successful completion of the Summer Bridge may result in admission to upper division programs.

Pass/No Pass
- Required classes must be taken for a grade (not P/NP), unless not available with grade option (i.e. PSU Chemistry Labs)
- No GPA penalty for a Pass or No Pass (but the course must be taken again for a grade)

Additional Information (exceptions, preferences, etc.)
- Preference, within reason, is given to students who complete core requirements at PSU.

Department Communication Plan
- Fall 2017 admission requirements available spring 2016 (in time for fall 2016 registration in May 2016)
