

# Emergency Management: Community Familiarization Course

**Purpose:** The Emergency Management Unit (EMU) provides an Emergency Management community familiarization course to the Portland State community. This course reviews the core principals of Emergency Management (ICS 100, 200, 300, 700, 800) and provides an analysis/discussion of what is occurring at PSU in regards to Emergency Management. Furthermore, the training engages participants in an in-depth discussion of personnel preparedness strategies.
