Date: 23 November 2021

In accordance with the Faculty Senate Bylaws, Senator Pronoy Rai has submitted the following Question to Administrators, which is directed to you as Provost:

How is PSU advancing our internationalization vision and goals as we move forward with academic program reduction and reorganization? How does the administration propose to invest in international and global education and research, partnerships, and community outreach at PSU?

At the next Faculty Senate meeting on Monday, December 6th, this question and your opportunity to respond will be included under Section F of the Agenda (Question Time).
