

GRADUATE RE-ENROLLMENT REQUEST

Graduate students admitted to a graduate certificate or a graduate degree program who do not enroll for four consecutive terms, including students returning from approved Leave of Absence, must submit a Graduate Re-enrollment Request to their department. If this request is supported by the department, the form is signed and forwarded to the Office of Graduate Studies for processing. The completed Graduate Re-enrollment Request should be submitted to OGS at least three weeks before the beginning of the term of re-enrollment.

You may only re-enroll for the program to which you were previously admitted. You cannot change your major with this form; if you wish to be admitted to a different graduate program, you must apply for admission to the new program through the department and the Office of Admissions.
