

# Aging Matters in Oregon: Imagine the Possibilities in 2040

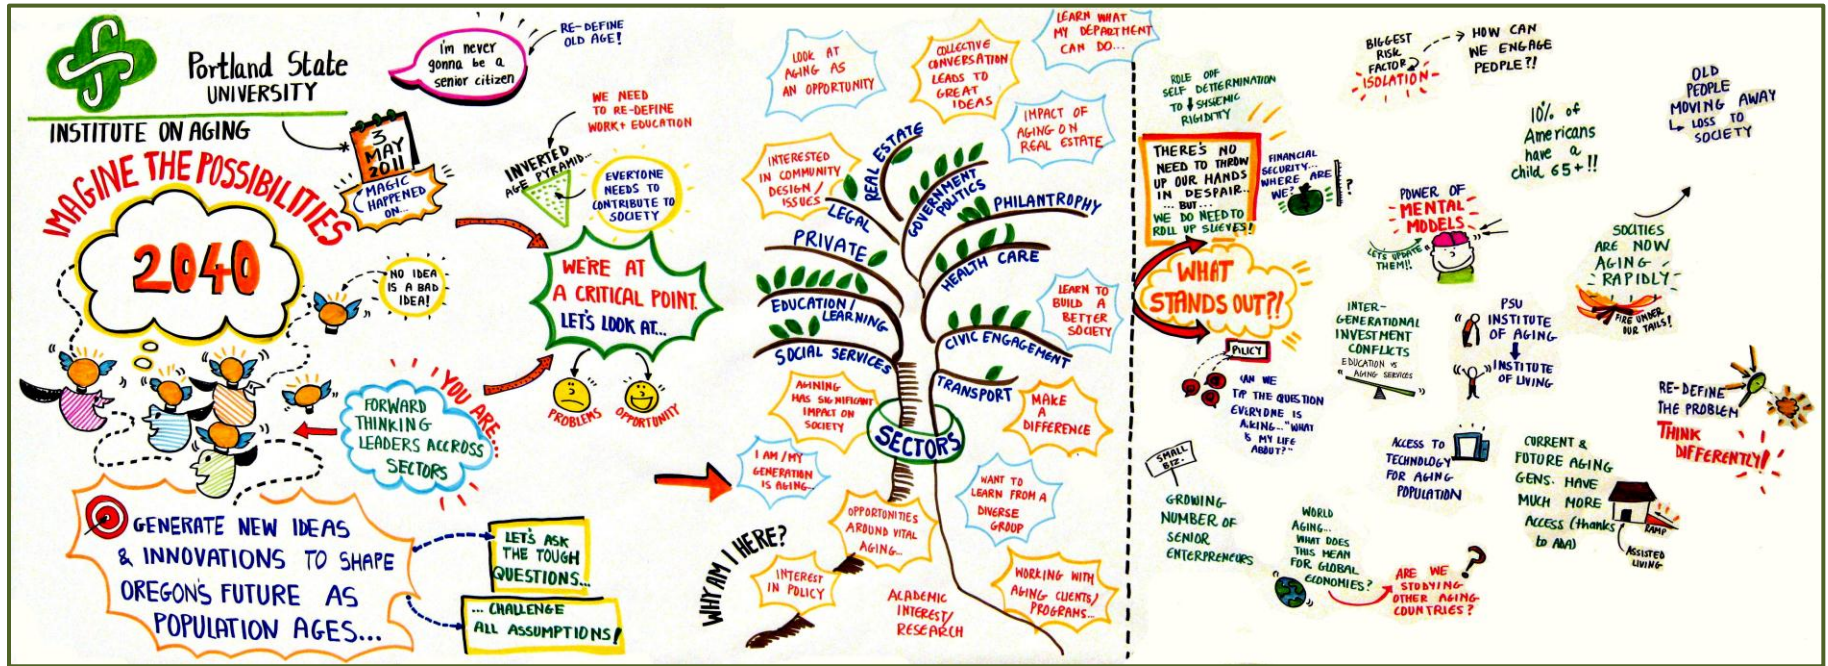

Hosted by Vic Atiyeh and Phil Keisling

## VISUAL NOTES

# Laying the Foundation for the Visioning Process

- Who we are and why we are here
- The current scenario: Aging trends, problems and opportunities
- Our charge as a group: Ask tough questions, challenge assumptions and generate innovative ideas for a new future

*"There's no need to throw up our hands in despair...but we do need to roll up our sleeves"*

# The Catalyst Café: Conversations to Fuel New Energy and Insight

- All the wisdom we need is in the room!
- What do you want the future to look like?
- What bold steps might we take to get to the vision?
- What forces need to come together to make this happen? How can you contribute?
