Of the 44 credits in Art History 4 credits must be non-western such as *History of Asian Art*.

## **GENERAL ART DEPARTMENT INFORMATION AND REQUIREMENTS**

During the first or second year in the program students are expected to meet with the main Departmental Advisor to review initial progress towards degree completion. Newly admitted transfer students should immediately make an appointment.

It is highly recommended that students select a faculty Program Advisor as soon as possible but no later than their junior (third) year in the program. Faculty program advisors are listed on the front of this form.

Up to 12 credits in art and art history courses may be accepted to fulfill requirements under the undifferentiated grading option (pass/no pass) with advisor approval. This option is only for students' transferring credits from other universities and colleges.

Art and Art History majors can not use Art History courses for fulfilling their UNST junior cluster course requirements.

Art and Art History majors have the responsibility to check the catalog for course sequence and prerequisite information prior to registration.

Any Art/ Art History major who does not have the recommended prerequisites may be asked to withdraw from a class.

Transfer students should contact the art office at least one term prior to admission to evaluate their placement in the art program. (Please bring your transfer evaluation.)

All Art/ Art History students must attend the first day of class or inform the instructor that they will be absent. Those failing to do so may find that their space has been given away to someone on the wait list.

It is highly recommended that new students transfer or begin their academic career in art at PSU in either fall or winter term. Those transferring in spring may find it difficult to join sequential courses already in progress.
