- B. You have lived in Oregon for at least 12 months before registering as a full-time student
- C. You are financially dependent upon an Oregon resident
- D. You have been claimed as a dependent for tax purposes by an Oregon resident who has been living in Oregon for at least 12 months
- E. You are financially independent and meet a and b above
- F. You are a member of the armed services assigned to duty in Oregon.

You may be considered a non-resident if:

- A. You enrolled in a college or university more than part-time (9 or more credits) within 12 months of moving to Oregon
 - B. You have been claimed as a dependent on State and/or Federal tax returns by someone living in another state
