

DEPARTMENT OF PHYSICS
CHANGE OF RESEARCH ADVISOR

Section I: Student Information

Student Name: _____ Area of Interest: _____

Section II: Approval of Original Research Advisor

I agree that _____ will no longer be a research student in my laboratory.

If the student plans to defend a master's thesis based upon work in my group and/or garner co-authorship in at least one planned publication based upon this work, then you must add a list of tasks required as well as an approximate timeline for completion.

Task list: (May be on separate sheet)

Date for thesis defense: _____

Date for submission for publication: _____

I agree that this list of tasks is reasonable, can be completed by the date(s) mentioned, and that the student chooses to complete them to fulfill the requirements for their degree and/or publication.

Student Signature: _____ Date: _____

Original Advisor Signature: _____ Date: _____

Secondary Research Advisor

Second Research Committee Member: _____ Date: _____

Original will be filed in the student's permanent record.
Both advisor and student should retain a copy for their records

PHY-110 Change of Research Advisor
Adopted February 2019
Revised 02/2021
