Guidelines for
SCHOLASTIC STANDARDS COMMITTEE
PETITION FOR REINSTATEMENT

The Scholastic Standards Committee reviews and adjudicates petitions for reinstatement from disqualified/dismissed undergraduate students.

Please read these instructions carefully. If the entire petition is not completed and signed, the committee will return it to you unread.

Review committee meeting dates and petition deadlines here: http://www.pdx.edu/registration/ssc-deadlines

Procedures for the reinstatement petition are listed below.

The committee will base their decision on the following criteria:

- Your personal statement and one year academic plan
- A letter of recommendation or statement of support from faculty member or advisor
- Your permanent University record including all past petitions. If you attended any other college or university since disqualification/dismissal, you must submit official copies of those transcripts to the PSU Office of Admissions (unofficial copies may be attached to this petition)

Personal Statement & Academic Plan (required)

1. You must explain the circumstances that led to your academic disqualification/dismissal and the circumstances that now, in your opinion, would lead to greater performance in college. This explanation is very important and should be as complete as possible. Please make sure you sign and date the personal statement.

2. Create a one year academic plan, including your proposed schedule of classes (for each term you plan on attending during the year), information related to plans for advising, meeting with instructors/professors, and any other specific steps you plan on taking to improve upon your previous academic performance. Use the back of the petition or attach a separate sheet if additional room is needed.

3. Attach the appropriate supporting documentation (if applicable). Please keep copies of your documentation for your records.
   - Death in the family. Provide a copy of the obituary, funeral announcement or death certificate.
   - Disabling illness or injury to the student. Have your licensed health care professional submit a statement documenting your condition.
   - Disabling illness or injury to an immediate family member that required the student’s care. Have your family member’s licensed health care professional submit a statement documenting their condition.
   - Emotional or mental health issue (for the student) that required professional care. Have your mental health counselor submit a statement documenting your condition.
   - Other unusual circumstances beyond your control. Provide any documentation needed to support your claim, if possible. Examples: if a fire or natural disaster occurred at your home, a statement from your insurance agent. If involving a legal matter a statement from your attorney or the police report. If your problem is related to work or childcare, a supporting letter from your employer or childcare provider should be provided.

Letter of Recommendation (required)

The committee will not read a petition without a letter of recommendation. The letter of recommendation must be from your advisor or an instructor. It must address the likelihood that you will succeed academically. The letter may be submitted on the form or on letterhead. Letters from an employer, parent, or friend can be included as additional support only.
