

CURRICULUM VITAE

ETHAN PAUL SELTZER

September 20, 2011

Education

Ph.D.	1983	City and Regional Planning, University of Pennsylvania
M.A.	1979	Landscape Architecture and Regional Planning, University of Pennsylvania
B.A.	1976	Biology (with Distinction), Swarthmore College

Employment

CURRENT: Professor, Nohad A. Toulan School of Urban Studies and Planning, Portland State University, Portland, Oregon.

DIRECTOR, Nohad A. Toulan School of Urban Studies and Planning, College of Urban and Public Affairs, Portland State University, Portland, Oregon - September, 2003, to 2009. Responsible for providing leadership for the administration of the School, interacting on behalf of the School with College and University administrators, working with students and alumni, and helping faculty to advance their careers.

DIRECTOR, Institute of Portland Metropolitan Studies, and tenured **PROFESSOR,** Toulan School of Urban Studies and Planning, College of Urban and Public Affairs, Portland State University, Portland, Oregon - September, 1992, to September, 2003. Responsible for development of Board, creation of research and public service agenda, outreach to community, faculty and other institutions of higher education, and identification of research funding for new university-based metropolitan research center. Teaching commitment in Department of Urban Studies and Planning equivalent to one course per term in addition to student advising, thesis advising, and service on committees.

LAND USE SUPERVISOR, Metro, Portland, Oregon - September, 1988, to September, 1992. Responsible for supervision of Land Use Division of Metro's Planning and Development Department, including a professional staff of 5 and management and preparation of an annual budget of approximately \$900,000. Primary responsibility for the development and coordination of Metro's Urban Growth Management Program, including adoption of the Regional Urban Growth Goals and Objectives, management of the region's urban growth boundary and coordination of Metro's planning program with 24 cities, 3 counties, and the State of Oregon.

ASSISTANT TO PORTLAND CITY COMMISSIONER MIKE LINDBERG, City of Portland, Portland, Oregon - August, 1983, to September, 1988. Responsible for preparation and monitoring of an annual office budget of approximately \$550,000 for a professional staff of 7 to 10. Technical analysis of and participation in the preparation of annual Portland city budget. Primary responsibility for policy development and liaison with Park Bureau Planning section,

including initiation of "Park Futures" masterplanning process. Policy analysis and preparation for weekly City Council meetings, including land use planning and urban development issues.

ASSISTANT COORDINATOR, Southeast Uplift Neighborhood Program, Portland, Oregon - August, 1982, to August, 1983. Provided land use planning assistance and technical support to 22 neighborhood associations. Provided staff support for Land Use and Cable TV committees.

OUTREACH PROJECT COORDINATOR, Metro, Portland, Oregon - October, 1981, to April, 1982. Developed and implemented Johnson Creek management program following demise of proposed drainage basin local improvement district. Completed and managed adoption of Regional Stormwater Management Plan. Closed out PL 92-500, Section 208 Water Quality Planning Grant.

DRINKING WATER PROJECT COORDINATOR, Oregon Environmental Council, Portland, Oregon - September, 1980, to September, 1981. Developed, organized support for, and managed adoption of legislation for initiation of Oregon Safe Drinking Water Program.

ADJUNCT INSTRUCTOR, Urban Studies and Planning, School of Urban and Public Affairs, Portland State University, Portland, Oregon - 1987-1988

Dissertation

Citizen Participation in Environmental Planning: Context and Consequence; 1983; Committee Chair: Dr. Daniel Rose; Committee Members: Dr. Edward Haefele and Dr. Thomas Reiner. Department of City and Regional Planning, University of Pennsylvania, Philadelphia, PA.
