PREAMBLE

This Agreement, entered into as of the date of ratification, is between Portland State University, herein referred to as UNIVERSITY or PSU, and the Portland State University Faculty Association, Local 3571, American Federation of Teachers, AFL-CIO, herein referred to as UNION, affiliated with the American Federation of Teachers-Oregon, AFL-CIO and the American Federation of Teachers, AFL-CIO.

The intent and purpose of this Agreement is to promote the quality and effectiveness of education at Portland State University and to maintain high standards of academic excellence in all phases of instruction, research, and service.

Article 1. RECOGNITION

Pursuant to the certification of the Employment Relations Board dated June 8, 1979, the University recognizes the Union as the exclusive representative of all faculty employees described in the certification solely for the purpose of collective bargaining with respect to salaries and other terms and conditions of employment. Representation shall include those employed less than half-time (0.5 FTE) during the academic year, and those employed during summer terms who have been a member of the bargaining unit during the previous academic year.

Nothing in this Agreement shall be construed to prohibit the University or its representatives from meeting with any individual or organization to hear views on any matters; provided, however, that as to any matter which is a mandatory subject of collective bargaining or covered by a term of Agreement, any changes or modifications shall be made only through negotiations and agreement with the Union.

**Section 1.** The Union, on behalf of itself and on behalf of its officers, agents, members, and members of the bargaining unit, agrees during the term of this Agreement not to participate or engage in, sanction, cause aid or abet, assist, encourage, or participate in any strike, walkout, refusal to report to work, picketing, mass absenteeism, or other interruptions of work concerning a labor dispute under this Agreement. For the purposes of this Article, a strike includes any stoppage or cessation of work, slow down of any kind, or other interference with the operations of the University, whether done in concert or singly. Any member of the bargaining unit who violates any provision of this Article shall be subject to disciplinary action including loss of pay, suspension, and discharge. Recourse or appeal of such disciplinary action shall be limited to the question of whether the employee participated in a strike prohibited by this Section. In the event of a violation of this Section, whether sanctioned or unsanctioned, the Union, upon request of the University, shall immediately use its best efforts to effect the return to normal work routine of the involved employees.

Nothing contained in this Section shall be construed to be a limitation of any right of the University to any other remedies, legal or equitable, to which the University may otherwise be entitled.
Section 2. The University will provide furnished office space to the Union during the term of this Agreement. The Union agrees to pay the University monthly in advance for such space at the prevailing rate determined by the University as of July 1 of each year.

Section 3. The Union is permitted reasonable use of University facilities and services, including telephone, voice mail, duplicating, computing, audiovisual and meeting rooms, as provided in University Administrative Rules, and will pay the customary charges for such services. The Union agrees to use the University’s Facilities Reservation and Agreement form and abide by the provisions therein.

The Union is permitted reasonable use of the University mail distribution services for notifying members of Union meetings and for communicating with members of the bargaining unit on official business matters of the Union.

The Union will be provided use of available classroom space for quarterly membership meetings.

Section 4. Upon written request on a form provided by the Union and approved by the University, members of the Union may have regular monthly dues deducted from their paychecks. The amount to be deducted will be certified by the Treasurer.

Such authorization shall remain valid until written notice of cancellation or until the member is not employed for one calendar year.

The University will by the 10th of each month send payment to the Union for the total amount so deducted, accompanied by a listing identifying the members and amount for whom deductions are being paid.

In any month in which the University fails to deduct the correct amount for more than 15% of the bargaining unit, the University shall advance to the Union sufficient funds so that the amount deducted equals the amount deducted in the most recent month that dues were properly deducted. The University shall be repaid by the Union for the funds advanced when it collects the amounts not properly deducted.

The University will notify the Union weekly of newly hired members based on the members’ position addition to the Human Resources Information system (HRIS). Notification shall be delivered electronically and shall include the new employee’s name, department, email address and phone number if available. This section does not alter any other provision within this agreement or require process change in HRIS record maintenance.

The University will provide the Union with a list of the members of the bargaining unit on a monthly basis. Such listing will be delivered in a format which is mutually agreed upon.

The University shall provide each quarter a listing of bargaining unit members no longer in the bargaining unit with reason for change. The Union may reactivate a member by submitting a photocopy of the original membership dues deduction authorization whenever purged members resume employment in the bargaining unit.
Section 5. During the term of this Agreement, the University shall make available to the Union within a reasonable time after receiving a written request therefore, all factual information reasonably required for the Union to administer this Agreement and to negotiate subsequent agreements.

Within fifteen (15) days of the execution of this Agreement and any time a change is made, the University shall send the Union the name of the person responsible for complying with the requirements of this Section.

The University reserves the right to charge the Union at customary billing rates for the costs of file searching, analysis, and reproduction of information furnished in compliance with this Section. When the University expects to make a charge, it will furnish the Union an estimate of the cost and obtain Union authorization before proceeding to comply with the request.

Section 6. Changes in policies or practices resulting from this Agreement and changes in policies which significantly affect members will be communicated to the Union President within one week of implementation and published by appropriate means.

Section 7. The Union shall indemnify and hold the University harmless against all claims, demands, and judgments including reasonable costs of defense, which arise from actions taken by the University in compliance with Sections 4 and 5 of this Article.

Section 8. The University will provide a centrally located space in Smith Memorial Student Union for one (1) Union bulletin board of suitable size.

The University will also allow the use of reasonable bulletin board space to facilitate the Union’s ability to communicate with Adjunct faculty members within Departments. Such spaces shall be mutually agreed upon by the Union and the Chair. The Union will provide the bulletin board for each Department.

Section 9. The University shall include in each appointment letter notice that the position is represented by the Union, dues will be deducted from the Adjunct’s pay, and that the Adjunct is not automatically a member of the Union. Section 3. The Union shall indemnify and hold the University harmless against any and all claims, damages, suits, or other forms of liability that may arise out of any action taken or not taken by the University for the purpose of complying with the provisions of this Article.

Article 5. CONSULTATION

Section 1. The Union and the President of the University or his/her designee agree to meet at the request of either party to discuss matters pertinent to the implementation or administration of this Agreement. The parties shall meet within ten (10) days of receipt of a written request for a meeting. The request shall contain an agenda of items to be discussed.

Section 2. If mutually agreeable, the parties may meet to discuss employment relations matters.

Section 3. The parties understand and agree that meetings held as provided in Sections 1 and 2 of this Article shall not constitute or be used for the purpose of contractual negotiations. Neither shall such meetings be used in lieu of the grievance procedure provided in Article 10 (Grievances).

Article 6. ACADEMIC FREEDOM AND RESPONSIBILITY

All members are entitled to freedom in the classroom in discussing their subjects, but they should be careful not to introduce into their teaching controversial matter which has no relation to the subject.

Members also have freedom of expression to speak and write as individuals. In this regard, the University shall not attempt to control or sway the personal opinion of any member, nor the public expression of that opinion. In the exercise of this freedom of expression, members shall manifest appropriate restraint, shall show respect for the opinion of others, and shall make every effort to indicate that they are not speaking for the University.

The paragraphs above are statements of intent and policy and are not subject to Article 10 (Grievances).

Article 7. MEMBER RIGHTS

Section 1. Nondiscrimination and Affirmative Action. The University and the Union will not discriminate against nor tolerate discrimination against any member with respect to wages, hours, or any terms or conditions of employment on the basis of age, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran status. The Union agrees to support the University in the fulfillment of its affirmative action obligations.

Section 2. Facilities and Amenities. The University recognizes the importance of office space for instructional faculty members. All members will be provided with a desk or other appropriate working table, a filing cabinet, telephone, mailbox, and a room in which the member can meet privately with students. Adjunct faculty will be provided with dedicated workspaces if available. Members shall have reasonable access to
duplicating services, office supplies, computers, storage space, and support staff as made available to other members of the Department or administrative unit. All members of the bargaining unit will be provided with electronic mail and voicemail accounts upon request to the Department Chair.

Section 3. Safe Conditions. It is the goal of the University to maintain a safe, respectful, and productive environment for faculty, students, administrators, and staff. In light of this, harassment and threatening or violent behavior is prohibited.

Each department head, manager, supervisor, employee, and faculty member is responsible for creating and maintaining an atmosphere free from harassment, violence, and retaliation.

Any complaints or concerns arising from the above paragraphs will be addressed by the Human Resources, Student Code of Conduct, or the Office of Global Diversity & Inclusion. The University and the Union will work together to clarify and publicize faculty members’ rights and responsibilities regarding student conduct, including informing faculty members of the Student Code of Conduct and the appropriate routing of concerns regarding student conduct. The University and the Union staff will work together to facilitate access to the PSU Alert System so that Union staff may receive timely warnings and emergency notifications. Additionally, and to the extent possible under law, the University will notify the affected Adjunct faculty member of any reports of incidents of threatening student conduct filed with Campus Public Safety or Enrollment Management and Student Affairs that may impact the faculty member.

Adjunct faculty members shall endeavor to maintain safe working conditions and shall adhere to established safety rules, regulations, and practices. It is a faculty member’s responsibility to report any health and/or safety hazards. The member reporting the alleged unsafe conditions shall be promptly apprised of the result of the investigation, to the extent allowed by law.

If an Adjunct faculty member believes that their office or classroom assignment presents a clear danger to their health and/or safety, they may request a temporary reassignment from their Chair. The University shall promptly respond to such a request and shall meet with the faculty member to discuss the concern and engage in steps to reach a possible resolution.

Section 4. Individual Appointments. The University will not offer an individual member an appointment the terms of which violate this Agreement.

Section 5. Library Privileges and Affiliated Access. Upon hire, Adjunct faculty members shall be granted full library privileges, PSU email, and ODIN access for a period of one calendar year. If a faculty member has a need to extend their access they can request it through their Chair.

Section 6. Committees and Extra-Instructional Activity. The University will appoint bargaining unit members to university-wide committees that deal with issues related to bargaining unit members. In addition, the University encourages voluntary participation of faculty members in extra-instructional activities and work and will provide compensation with Chair approval as described in Article 8, Section 1 and Article 12, Section 6.
Section 7. Professional Evaluation.

1. An Adjunct faculty member who has been employed as an Adjunct by PSU for 3 years or 20 credits, whichever occurs first, will be offered a professional evaluation by their Chair. In departments or schools where there is not a Chair, evaluations will be offered and completed by a Chair-equivalent, Chair designee, or Associate Dean. Evaluations should be offered and completed during the term immediately following the one in which the faculty member has completed the requirements. Once offered, the faculty member may choose whether or not to have an evaluation at that time.

2. If an Adjunct faculty member elects not to have an evaluation at that time, they will be offered another opportunity for an evaluation after they have been employed for an additional 2 years or 12 credits, whichever comes first.

3. There will be no repercussions for an Adjunct faculty member who elects not to have an evaluation. Future appointments will continue to be offered on a full academic year basis, once the faculty member has completed the initial requirements as set forth in Article 8, Section 2. Adjunct faculty members who opt out may be offered a two-year appointment at the discretion of the Chair.

4. Professional evaluations are for providing feedback and developmental guidance to Adjunct faculty members and to determine if a two-year appointment is appropriate. This process will not be used for the purposes of discipline or discharge of an employee.

5. Information about the process for professional evaluations will be referenced at the time of hire in each Adjunct faculty members’ letter of appointment.

6. Evaluations will be based on the following materials:

   a) Current CV or Resume
   b) Summary of student evaluations with short written reflection (not applicable to research faculty)
   c) Short statement on teaching or research experience and/or why they teach
   d) A current syllabus for each course taught during the corresponding academic year (not applicable for research faculty).
   e) In addition to the material listed above, the Adjunct faculty member must provide two items from the following list. The faculty member may choose which of these to provide and is encouraged to discuss this selection with their Chair:
      ● Classroom observation by a peer of the faculty member’s choice;
      ● Letter of support by a peer of the faculty member’s choice;
      ● Examples of special assignments, projects, or research;
      ● Description of how the faculty member is staying current in their field.

7. Evaluation results will be shared in writing and will be signed by the Chair upon completion. A faculty member will be given the opportunity to acknowledge the evaluation results and/or create a written response. Upon request of either party, the results will be shared at an in-person meeting. Any faculty member’s written response to the evaluation process will be attached to the evaluation documents. Any written evaluation or
record of an observation will be included in the Employee’s personnel file and must comply with provisions of Article 9 (Personnel Files).

8. Once an Adjunct faculty member has received a successful evaluation, future appointments will be offered for a term of two academic years, subject to the provisions of Article 8, Section 2. Further evaluations may be conducted every four years if initiated by the Chair. Evaluations will follow the process outlined in this Article 7, Section 7.

9. A faculty member who receives a negative evaluation will not be issued a two-year contract, but will be offered the opportunity to teach one additional course and offered re-evaluation upon completion of the course. All negative evaluations must include a written explanation of the reasons for the evaluation result and a statement that the faculty member is not eligible for a two-year contract. An Adjunct faculty member who is not eligible for a two-year contract as a result of a negative evaluation may appeal, subject to the process as set forth below.

10. Appeal Process. For the purpose of this appeal process, information provided by email will be considered to have been submitted in writing.

   a) An Adjunct faculty member who receives an evaluation that results in the Department not offering that faculty member a two-year appointment may appeal to the Chair within 10 days. The Chair shall provide a written response within 5 days of receiving an appeal.

If the faculty member is dissatisfied with the Chair’s decision, the faculty member may appeal to the Dean, with a copy to the Chair, within 10 days after receiving the Chair’s appeal response. Within 5 days after receipt of the appeal to the Dean, the Chair shall provide the Dean with all documents pertinent to the evaluation, with a copy to the faculty member. The faculty member may file a written explanation in support of their position. The Dean will render their decision in writing within 5 business days of receiving the required documentation. The Dean’s decision is final.

Section 8. Disputes. In keeping with the University’s goal of providing a respectful and productive environment in which to deliver quality academic programs, the university shall fully investigate any dispute concerning interactions between Adjunct faculty and students with respect to all parties concerned and shall seek a resolution that demonstrates fairness and academic integrity. When appropriate, the Adjunct faculty member will be notified of an investigation and informed of the outcome of the investigation in a timely fashion.

Section 9. Labor-Management Committee. The Vice Provost for Academic Personnel and & Leadership Development, the Director of Academic Employee & Faculty Labor Relations, and the President of the Union will establish a labor-management committee to discuss matters concerning bargaining unit members. The committee shall meet once per quarter or at the request of either party. This committee will work collaboratively to address workplace issues that may arise that are outside of the grievance process, and discuss concerns.

Section 10. Intellectual Property Rights. The University agrees to provide as a resource the Director of Innovation and Intellectual Property to Employees who have questions and/or concerns about the use or misuse of intellectual property rights. If the University Intellectual Property Rights policy is modified, PSUFA will be notified and will be provided the opportunity to give input.
Section 11. Orientation and On-boarding. The parties agree to establish an Orientation and On-boarding process as set forth in the Letter of Agreement incorporated into this Agreement.

Section 12. Employee Assistance Program. The University agrees to make its Employee Assistance Program available to Adjunct faculty, in the same manner and to the same extent such services are offered to full-time University employees. The University will not substantively alter the benefits provided under the Employee Assistance Program during the term of this Agreement.

Article 8. APPOINTMENTS AND ASSIGNMENT RIGHTS

Section 1. Appointments.

All appointments of Adjunct faculty are non-tenure-related. Initial appointments for Adjunct faculty may be granted on a term-by-term basis. No appointment will create any right, interest, or expectancy in any further appointment beyond its specific term, except as expressly provided in this Agreement.

Letters of appointment to employ or re-employ shall, when feasible, be sent at least five (5) weeks prior to the first class meeting of the course to be taught. An Adjunct faculty member will receive additional compensation, as provided in Article 12, Section 8, if the letter of appointment is offered less than two weeks prior to the first class meeting, or if the class is cancelled less than two weeks prior to the first class meeting or within the first two weeks of class. This provision only applies during fall, winter and spring terms. During summer term, cancellation compensation will be calculated and dispensed according to the HR form "Cancellation of Appointment for Adjunct Pay." This provision does not apply to Adjunct Faculty teaching Applied Music Instruction courses.

Adjuncts are encouraged to contact their Chair before the first class session to discuss expected class sizes, course expectations and support resources available.

Declination of an offer made less than three (3) weeks before the first class meeting will not prejudice the University's consideration of offering future employment. However, acceptance of and subsequent withdrawal without reasonable cause from an offered course within two weeks before the first class meeting may prejudice the University's consideration of future employment.

All offers to employ Adjunct faculty members will be made in the form of a letter. An offer not accepted by the date specified in the letter of appointment will be considered to have been withdrawn. The letter of appointment will contain the offered adjunct academic rank, rate of pay, courses to be taught each term, credit hour of the courses, reference to timing and process of evaluations (as provided for in Article 7, Section 7), notice regarding future appointments, notice of faculty right to additional compensation in the cases of late appointments and class cancellation, bargaining unit status and PSUFA contact information (as provided in Article 3, Section 9), as well as other relevant information.

Substantial changes to letters of appointment templates will be discussed with the labor/management committee prior to implementation.
The assignment of FTE for Adjunct faculty members shall be on the basis that 1.0 FTE equals forty-five (45) course credit hours per academic year.

The University recognizes and encourages Adjunct instructional faculty’s voluntary participation and input in extra-instructional activities at both the departmental and university-wide levels. These activities may include but are not limited to: attending departmental meetings, serving on departmental or university committees, and/or developing courses. Such participation is not required. In the event that the University requests an Adjunct instructional faculty member to participate and the Chair approves, the faculty member will be compensated for such participation, as provided in Article 12, Section 6. Such participation by Adjunct instructional faculty in addition to their existing appointment must not exceed a total FTE of .49 per year. The exact nature of faculty involvement, including voting rights, will be determined by departmental and/or University policy.

Section 2. Academic Rank for Adjunct Faculty.

1. Academic Rank for Instructional Faculty Appointments:

   a) Adjunct faculty members who hold advanced degrees or have comparable experience in the discipline in which they teach (but do not hold terminal degrees in their field) will be hired at a minimum academic rank of **Adjunct Instructor**.

   b) Adjunct faculty members who hold terminal degrees or have comparable experience in the discipline in which they teach will be hired at the minimum rank of **Adjunct Assistant Professor**.

   c) Comparable experience will be determined by the Department based on the faculty member’s professional accomplishments. Departmental guidelines will inform the Chair’s determination and a Letter of Agreement will provide additional details for process and criteria in the evaluation of an Adjunct faculty member’s experience.

   d) An Adjunct faculty member who obtains a terminal degree in their field while employed at the University shall advance to the rank of Adjunct Assistant Professor at the beginning of the term immediately following the award of their degree.

   e) Adjunct Instructors will be eligible for advancement to the rank of **Adjunct Senior Instructor** upon the completion of a minimum of 3 years or 24 credits, whichever occurs first, at the rank of Instructor at the University. Breaks in service of less than 4 terms, excluding summer term, will not impact progression.

   f) If a successful performance evaluation, as described in Article 7, Section 7, was done before the faculty member is eligible to advance in rank the Department Chair will consider those materials in their determination of advancement in rank consistent with Department guidelines.

2. Academic Rank for Research Faculty Appointments:

   a) Research faculty who do not hold terminal degrees in their fields will be hired at a minimum academic rank of **Adjunct Research Assistant**.
b) Research faculty who hold terminal degrees or a Master’s degree and have comparable experience in their fields will be hired at the minimum academic rank of Adjunct Research Associate.

c) Research Assistants who obtain terminal degrees in their fields while employed at the University shall advance to the rank of Adjunct Research Associate at the beginning of the term immediately following the award of their degree.

d) Research Assistants and Research Associates in this bargaining unit will be employed on, and will abide by, the same standards and employment policies applicable to other professionals in the research unit.

3. General Provisions Regarding Academic Ranks:

a) All Adjunct faculty member may request consideration for adjustment of rank from their Department Chair as provided above.

b) Faculty members entering the AFT bargaining unit with an academic rank other than those listed above will be given the opportunity to retain their previous rank or be assigned a comparable rank at the discretion of the Department Chair.

c) Faculty who are current employees at the time this contract is ratified may, at their option, continue to hold their current rank provided that it is a rank available in the CBA in effect when they were hired.

d) Those PSU faculty who retire from a ranked position that is more than half-time and are thereafter hired as an Adjunct at PSU will retain the equivalent rank as an Adjunct.

Section 3. Assignment Rights and Re-appointments.

1. During winter term, the University will distribute a questionnaire to all Employees via the employees’ University e-mail addresses. This questionnaire will allow faculty to specify their availability and desire to teach courses that coincide with their expertise. It will also include a statement that unassigned courses and vacant faculty positions are posted in each Department. Each member wishing to teach in the next year will return the completed questionnaire to their Chair, and will have the right to meet with their Chair to discuss their desire to teach in the next year.

When the applicant system is implemented for Adjunct faculty, it will perform the functions described above and replace the questionnaire. When established, course offerings will be posted for the full upcoming academic year. Additional courses may be necessary and will be posted. Faculty members will express their availability and desire to teach courses by applying to adjunct pools through the applicant tracking system.

2. Initial appointments for Adjunct faculty may be granted on a term-by-term basis.

3. Beginning the academic year following the term in which an Adjunct faculty member has been employed by PSU for 2 years or 8 credits, whichever occurs first, future appointments will be offered on a 9-month, academic year basis. The assignment for this 9-month appointment will be at minimum the average annual course load taught during the period in which the faculty member completed the two years or 8 credits referenced above.
4. The right to a professional evaluation, as described in Article 7, Section 7, for the purpose of obtaining a two-year appointment and minimum assignment rights, as provided in this section, is acquired when an Adjunct faculty member is employed for a total of 20 credits or 3 years, whichever occurs first. The two-year appointment will include a minimum assignment of the greater of two courses per academic year or the average annual course load taught during the period in which the faculty member completed the 20 credits or 3 years referenced above.

5. Adjunct faculty employed on or after September 16, 2014 will be subject to the following provisions:

a) For Adjunct faculty with assignment rights under the previous CBA, any future appointments will be offered for a term of two academic years. The faculty member may be evaluated every 4 years if initiated by the Chair or requested by the faculty member. The terms of the two-year appointments are those set forth in Paragraph 4 above.

b) Beginning the academic year following the term this Contract is ratified, faculty members who have taught between 8 and 20 credits will be offered any future appointments on a 9-month academic year basis, except as provided in Article 8, Section 2, Subsection 7, below. If, based on performance concerns or other criteria listed in Article 8, Section 2, Subsection 7, the Chair determines that a 9-month contract will not be awarded, then the Chair will meet with the faculty member to discuss their decision. Any eligible Adjunct faculty member not offered a 9-month appointment, as provided herein, may be offered a term-to-term contract. After they have completed an additional 8 credits, the faculty member will be offered a 9-month appointment as described in Article 8, Section 2, Subsection 3. The terms of the appointment are those set forth in Article 8, Section 3, above.

c) Adjunct faculty members who have taught 20 or more credits will be offered an evaluation and the opportunity to receive a 2-year appointment beginning the following academic year. The terms of the appointment are those set forth in Paragraph Section 4 above. If they decline to have an evaluation, then they will receive a 1-year appointment at the start of the next academic year. The terms of the appointment are those set forth in Article 8, Section 3, above.

6. After completion of a two-year appointment, Adjunct faculty members will continue to be offered two-year appointments for as long as, in the Chair’s academic judgment, subsequent two-year appointments best serve the needs of the Department and the needs of the Department’s students.

7. All one and two year appointments will be based on the academic judgment of the Chair, taking into account enrollment issues, shift in FT teaching loads, whether the Adjunct faculty member has been disciplined in accordance with Article 16 (Progressive Sanctions), and pedagogical or curricular changes. If, due to such changes, a faculty member is not offered re-appointment, the Chair and the faculty member shall discuss, at the member’s option, whether other teaching opportunities exist in the Department for them based on what they are qualified to teach.

A Department’s intent to re-appoint or not to re-appoint Adjunct faculty for the following academic year should be communicated at least one term prior to the end of the faculty member’s appointment or as soon as reasonably possible.

If courses that occur during an Adjunct faculty member’s appointment are expected to be cancelled or modified, the faculty member will be notified at least one term in advance.

8. Neither the University nor its Departments, schools, or colleges shall establish a policy which arbitrarily limits the number of academic terms or years during which a member may be employed.

9. A decision not to renew an appointment is not grievable except as an alleged violation of a provision of this Agreement.

Section 4. Voluntary Resignation.

Failure to appear at the beginning of a term to meet assigned classes, or failure to meet classes during any subsequent week(s), without a diligent effort to provide written notification to the University will be understood to constitute voluntary resignation.
Article 9. PERSONNEL FILES

Section 1. An Adjunct faculty member has the right to know of the existence and location of each of the three legally permissible files maintained on him or her by the University that might be used relative to the employee's qualifications for employment or re-employment, performance evaluation, and/or disciplinary action. Each file shall refer to the existence and location of other files. The University is responsible for informing the faculty member of the existence and location of such files, herein referred to as personnel files.

The University may discharge the responsibility of faculty notification through a description of the location and policies with respect to the maintenance of personnel files in the University Faculty Handbook.

Section 2. The individual will have access to examine their file during normal business hours under conditions which protect the integrity of the files. The faculty member will have the right to copies of their file. The faculty member may be accompanied by a representative of their choice at the time the file is examined.

Section 3. The source of all materials in the personnel file will be identified. No unauthorized or anonymous materials will be contained in the personnel file.

Section 4. An Adjunct faculty member will have the right to submit additional information to be placed in their personnel file which may include, but not be limited to: transcripts supporting claim to academic work; documents supporting claim to professional training; letters and records describing work experience; copies of statements of employment; documents relating to professional growth or performance; documents indicating special competencies, achievements, scholarly research, academic, professional, or other contributions; any statement that the faculty member wishes to have entered in response to, or in elaboration of any other item in their file.

Section 5. If a faculty member should become aware that their personnel file contains errors of fact or omission, the faculty member may petition, in writing, the Provost or their authorized designee, to remove or correct said information.
Article 10. GRIEVANCES

Section 1. Purpose. The purpose of this Article is to promote a prompt and efficient procedure for the investigation and resolution of grievances. The parties encourage the informal resolution of grievances whenever possible and to that end encourage open communications between members and administrators so that resort to the formal grievance procedure will not normally be necessary. The procedures hereinafter set forth shall be the sole method for resolving grievances as that term is herein defined.

Section 2. Resort to Other Procedures. If prior to seeking resolution of a dispute by filing grievance hereunder, or while the grievance proceeding is in progress, a member seeks resolution of the matter through the grievance procedures provided in the University’s non-contractual grievance procedure found at http://www.pdx.edu/ogc/sites/www.pdx.edu.ogc/files/Faculty%20Grievance%20Procedure.pdf, the University shall have no obligation to entertain or proceed further with the matter pursuant to this grievance procedure or pursuant to Article 11 (Arbitration).

Section 3. Definitions.

a. The term “grievance” means an allegation that there has been a violation, misrepresentation, or improper application of the express terms of this Agreement. The term “grievance” shall not include complaints related to matters of “academic judgment”.

b. “Academic judgment” shall mean the judgment of faculty and administrators concerning determinations, recommendations, decisions, criteria, and information to be used with respect to appointment, reappointment, promotion, tenure status, and merit salary increases of members, and with respect to matters of curricula and educational policy. A proved allegation that an academic judgment was based on false information will compel reconsideration of the judgment.

c. “Grievant” means one or more members of the bargaining unit, the Union, or the University in appropriate cases, damaged or injured by the act or omission being grieved.

d. “Day” means a day when classes or examinations are scheduled in accordance with the official academic calendar of the University, excluding Saturdays and Sundays. Summer Session days will not be counted as days for those members not employed during the Summer Session.

Section 4. General Provisions.

a. A grievant has the right of self-representation at any step in the grievance procedure and/or may be accompanied or represented by a Union representative. Only the Union may advance a grievance to arbitration.

b. The Union has the right to be present at, and to participate in, any formal step in the grievance procedure, but shall not interfere with the right of self-representation.

c. The parties may agree to modify the time limits in any step of the grievance procedure. At formal steps, agreement to modify time limits shall be in writing.
d. The grievant’s failure to meet timelines at any step of this procedure shall be considered acceptance by the grievant of the decision rendered at the previous step. The responding party’s failure to communicate the decision on the grievance at any step within the time limits, including any extensions thereof, shall allow the grievant to proceed to the next step.

e. No member may take a grievance to arbitration except with the approval and participation of the Union.

f. No resolution of any individually processed grievance shall be inconsistent with the terms of the Agreement, unless agreed to in writing by the Union.

g. All grievances, requests for review, and arbitration notices must be submitted in writing on forms attached to this Agreement as Appendices A and B, respectively; and shall be signed by the grievant. The University may refuse consideration of a grievance not filed in accordance with this Article.

h. A grievance may not be filed under this Article for an act or omission which occurred prior to the effective date of this Agreement.

i. A grievance may be withdrawn by a grievant at any time.

**Section 5. Presentation of Grievances.**

**Step 1.** All grievances shall be presented to the appropriate Dean in writing within thirty (30) days of the act, omission, or commencement of the condition on which the grievance is based, or after the date on which the member knew or reasonably should have known of such act, omission, or condition, if that date is later. In no event, however, shall grievances be presented more than 120 days after the act, omission, or commencement of the condition on which the grievance is based.

The grievance shall be presented on the grievance form (Appendix A) and shall set forth the act, omission, or condition on which the grievance is based, the date thereof, the specific provision(s) of this Agreement which is in dispute, and the remedy sought. Upon receipt of the written grievance, the Dean shall meet with the grievant and shall render a written decision. The parties may also elect to resolve the grievance informally during this period, but the Dean’s decision shall, in any case, be rendered within 15 days.

If the matter being grieved relates to an act or omission by a Vice President or the President, the grievance may be filed at Step 2, but the manner provided at this step.

**Step 2.** If the grievant is not satisfied with the decision at Step 1, a request for review (Appendix B) may be filed with the President within ten (10) days of the date of the decision at Step 1. The President or a designee shall meet with the grievant and render a written decision within fifteen (15) days of receipt of the request for review.

Disputes relating to definition of the bargaining unit shall be resolved by the Employment Relations Board and not by arbitration.
Step 3. If the decision rendered at Step 2 is not satisfactory to the grievant, they may, with the concurrence of the Union, proceed to arbitration.

Article 11. ARBITRATION

Section 1. Notice of intent to arbitrate an unresolved grievance (Appendix C) must be filed with the President of the University within twenty (20) days of the decision rendered under the provisions of Paragraph one of Step 2.

Section 2. Within ten (10) days of receipt of notice of intent to arbitrate, the parties shall meet to select an arbitrator by any methods of mutual consent, or by requesting a list of seven American Arbitration Association (AAA) listed arbitrators from the Employee Relations Board. When striking from a mutually created list or list provided by ERB, each party shall alternately strike names from the Arbitration Panel until one name remains. The party initiating the arbitration shall strike the first name.

No prospective arbitrator shall be an employee of the Oregon University System unless both parties have agreed to the contrary.

If the arbitrator selected cannot hold the hearing within forty-five (45) calendar days and either party does not agree to an extension of time, the selection procedure as provided herein shall be repeated using the remaining names on the Arbitration Panel or a new list from the Employment Relations Board, as appropriate.

Section 3. Submission Agreement. As soon as practicable after the notice of intent to arbitrate has been filed, the parties shall meet to draft a submission agreement. They shall attempt to agree on the precise issue to be submitted to arbitration, stipulation of facts, joint exhibits, and any other matter designed to expedite the arbitration process.

If the parties are unable to agree on the precise issue to be submitted, each party shall submit its own version of the issue to be decided. The arbitrator shall then decide the precise issue to be arbitrated. Such decision shall be made prior to determining arbitrability.

Section 4. Conduct of the Hearing. The arbitrator shall hold the hearing in Portland, Oregon, unless otherwise agreed by the parties. The hearing shall commence at the earliest date convenient to the parties, but in no case more than forty-five (45) days from notification of the arbitrator, unless mutually agreeable otherwise.

If the arbitrator or both parties request that post-hearing briefs be submitted, the arbitrator shall establish a date for the submission of such briefs and the hearing will be deemed to have been closed by such date.

Section 5. Arbitrability. In any proceeding under this Article for which there is a submission agreement, the first matter to be decided is the arbitrator's jurisdiction to act. In the absence of a submission agreement, the arbitrator shall first decide the issue to be arbitrated as provided in Section 3 of this Article; then the arbitrator's jurisdiction shall be decided. If arbitrability is in dispute between the parties, the arbitrator shall
hear the parties on the question before deciding the matter of arbitrability, which shall be announced. Upon concluding that the issue is arbitrable, the arbitrator shall normally proceed with the hearing at that time, with each party retaining the right to seek judicial review of the arbitrator's decision as to jurisdiction.

Upon concluding that the arbitrator has no power to act, the arbitrator shall not hear the matter or make any decision or recommendation regarding the merits of the issue.

Section 6. Authority of the Arbitrator. The arbitrator shall neither add to, subtract from, modify or alter the terms or provisions of this Agreement. The arbitrator shall refrain from issuing any statement, opinion, or conclusions not essential to determination of the issue submitted.

The arbitrator shall have no authority to hear or decide matters which relate to allegations of discrimination on a basis prohibited by state or federal law, regulation, or rule, except that concerning Union activity.

Except as otherwise provided in this section, the arbitrator shall have no authority to hear or decide any issue or grievance related to matters involving "academic judgment" as defined in Section 3(b), Article 10 (Grievances). In cases involving "academic judgment," the arbitrator shall not substitute his judgment for that of the faculty or the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the procedural steps provided in this Agreement have been followed. If the arbitrator determines that procedural steps have not been followed where an exercise of "academic judgment" is involved, the arbitrator shall direct that the matter be reconsidered by the appropriate official in accordance with relevant procedural steps.

The arbitrator may direct that the status quo ante be maintained until a judgment is made having properly followed appropriate procedural steps. The arbitrator may not direct that a member be reappointed, promoted, or awarded indefinite tenure.

The arbitrator shall have no authority to award monetary damages or penalties, but may award back pay to accompany an order of reinstatement.

The arbitrator shall have no authority to make decisions limiting or interfering in any way with the powers, duties, and responsibilities of the University and the Board which have not been expressly limited by this Agreement.

Section 7. Arbitrator's Decision. The arbitrator derives his authority wholly and exclusively from the terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties as to the issues submitted, provided that either party may appeal the decision on the basis of repugnance to law, jurisdiction, or that the arbitrator exceeded authority granted by this Agreement.

The decision of the arbitrator shall be issued within thirty (30) calendar days of the close of the hearing unless the parties have agreed to additional time.

The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted and shall include a clear statement as to the prevailing party.
Section 8. Costs. All fees and expenses of the arbitrator shall be borne by the party not prevailing in arbitration. Where an award clearly finds each party culpable, costs will be shared equally.

Each party shall bear the cost of preparing and presenting its own case. Expenses of witnesses, if any, shall be borne by the party calling the witness. The cost of any transcripts required by the arbitrator shall be divided equally between the parties and each party shall be furnished a copy thereof. If either party wishes a transcript of the hearing, it may have one made at its own expense, but shall provide the arbitrator and the other party a copy at no charge.

Section 9. Miscellaneous Provisions. Except as modified by the provisions of this Agreement, arbitration proceedings shall be conducted in accordance with the then prevailing Voluntary Labor Arbitration Rules of the American Arbitration Association or, if the parties agree, in accordance with the Association's Expedited Arbitration Rules.

In matters of grievance appeals of disciplinary action, the burden of proof shall be upon the University. In all other matters, the burden of proof shall be upon the party initiating the arbitration.
