ARTICULATION/TRANSFER AGREEMENT
Portland State University and Linn-Benton Community College
Associate of Applied Science degree in Child and Family Studies

THIS ARTICULATION AGREEMENT ("Agreement") is entered into and by and between the State of Oregon, acting by and through the State Board of Higher Education, on behalf of Portland State University ("PSU") and Linn-Benton Community College ("INSTITUTION").

Background

PSU, an agency of the State of Oregon, is a comprehensive research university that serves its students and the people of Oregon, the nation, and the world through the creation and transfer of knowledge in the liberal arts, the natural and social sciences, and the professions; and

INSTITUTION is comprised of the following state-supported institutions:

Linn-Benton Community College;

INSTITUTION and PSU are accredited by the Northwest Commission on Colleges and Universities (NWCCU) an institutional accrediting body recognized by the Council for Higher Education Accreditation.

It is in the interest of both INSTITUTION and PSU to facilitate the transfer of qualified students from INSTITUTION to PSU.

NOW THEREFORE, the Parties, for good and sufficient consideration, agree as follows:

PSU agrees to accept credits for students transferring from INSTITUTION to PSU, as outlined in Exhibit A, Articulation and Transfer Criteria, and Table A, Credit Transfer guide, which are hereby incorporated and made a part of this Agreement. In the event of a discrepancy between Exhibit A and this Agreement, the language of the Agreement shall take precedence.

Terms and Conditions

A. Term; Termination. This Agreement shall commence Winter 2011 or on the date of the last signature below, whichever is later, and shall terminate Summer 2015 unless terminated earlier as provided herein. This Agreement shall be effective for students who apply to transfer from INSTITUTION to PSU beginning with PSU's Winter 2011 term. This Agreement may be renewed for additional terms of any length by the mutual written agreement of the parties. Either party may terminate or suspend this Agreement for convenience upon sixty (60) days written notice; provided, however, that the parties shall discuss and reasonably attempt to resolve the issues that led to the notice of termination or suspension during the
sixty (60) day period. Notwithstanding the termination of this Agreement, any students who have applied for transfer from INSTITUTION to PSU prior to or during the sixty (60) day period shall be treated as if this Agreement continues to be in effect. This Agreement may also be terminated as provided elsewhere in this Agreement.

B. Admission to PSU Is Not Guaranteed. Students shall apply for admission to PSU in accordance with the then-existing rules, policies, and procedures of PSU. This Agreement does not guarantee admission to PSU. Admission to PSU does not guarantee admission into any specific program or major at PSU. Admission to PSU under this Agreement and to any specific program or major is at the sole discretion of PSU.

Transfer Agreement - 4
Exhibit A
Articulation and Transfer Criteria
Portland State University

and

Linn-Benton Community College
Associate of Applied Science in Child and Family Studies

Portland State University (PSU) and Linn-Benton Community College (LBCC) agree that students earning an Associate of Applied Science (AAS) degree in Child and Family Studies from LBCC may transfer to Portland State University with the following understandings:

1. This Agreement applies only to students majoring in Child and Family Studies at PSU.

2. The intent of this Agreement is to facilitate baccalaureate attainment for students in the Child and Family Studies AAS program at LBCC. The combination of courses required in this AAS have been identified as providing the student with sufficient rigor and content to facilitate their success at PSU.

3. All courses numbered 100-level or above used to complete the AAS in Child and Family Studies are eligible for transfer to PSU and may be applied as lower division credits toward the minimum 180 credits required to earn a baccalaureate degree. A minimum of 90 eligible credit hours of 100-level or above coursework is required in order to grant the student junior standing at PSU for the purposes of registration only. A grade of C or higher must be earned in courses that would ordinarily transfer as vocational/technical for those courses to be eligible for transfer to PSU. A grade of C or higher must be earned in courses directly applying toward to the Child and Family Studies major at PSU. (See Table A Credit Transfer Guide).

4. The courses will transfer as identified in Table A Credit Transfer Guide.

5. As appropriate, courses transferred may fulfill lower division degree, general education, elective, and/or major requirements. See appropriate Advising Guide for requirements that are current as of Winter 2011. (It is best for the student to work with an academic adviser to determine which catalog rules apply. Students must abide by the PSU seven
year catalog eligibility rule, which holds that graduation requirements for a given catalog expire at the end of seven years.)

6. Students may have lower-division requirements to fulfill in addition to the AAS and will be responsible for completing all graduation requirements for PSU in effect at the time of graduation from PSU in order to earn a baccalaureate degree.

7. Students must meet PSU admission requirements in place at the time they apply for admission to PSU.

8. This Agreement will be in effect beginning Winter 2011, or upon date of last signature, whichever is later. Curriculum changes by either PSU or LBCC must be communicated in writing no later than June 30th of any academic year. This agreement will be reviewed every three (3) years to ensure the continued appropriateness and viability of this Agreement.

Advising Guide for
Child and Family Studies A.A.S. Articulation Agreement

Transferring to Portland State University (PSU) with the A.A.S. in Child and Family Studies from Linn-Benton Community College (LBCC) grants you junior status at PSU for the purposes of registration and for placement in PSU's University Studies General Education curriculum. It is important that you are also aware of other requirements needed in order to graduate from PSU. This advising guide is designed to inform you of those requirements and help in planning your transfer to PSU. This is no substitute, however, for meeting with an academic adviser!

All credits used toward graduation at PSU must be 100-level or above. The minimum number of credits needed to graduate from PSU is 180. Of those 180 credits, a minimum of 72 must be at the upper division (300 and 400) level. Note that LBCC does not offer upper division coursework. Unless you are transferring upper division coursework from another 4-year college or university, you will need to complete at least 72 credits at PSU.

To obtain a Bachelor's degree from PSU, there are three sets of requirements you need to complete:

1. Academic Major Requirements
2. Degree Requirements (BA, BS)
3. General Education Requirements

The combination of credits from these three areas may not equal 180 credits or the 72 upper division credits, so you may have elective credits to take as well. While it is not a requirement to earn a minor, some students choose to use their elective credits toward a minor or even a second major. Talk with an academic adviser to determine your options.

1. ACADEMIC MAJOR REQUIREMENTS

According to this articulation agreement, students completing the Child and Family Studies A.A.S. at LBCC may transfer into the Child and Family Studies (CFS) major at PSU and will have completed the Early Childhood Education Specialization within the CFS major. Some additional major requirements are also completed or waived. See Transfer Guide (Table A) or contact an academic adviser for more information.

If a student decides to major in something other than CFS, courses from the A.A.S. may or may not apply. See an academic adviser for more information. For a list of majors available at PSU, go to http://www.pdx.edu/degrees_alpha.html. Advising contact information is available on the last page of this advising guide.

NOTE: This Advising Guide is a supplement to the Articulation Agreement and does not replace or supersede that agreement.
# 2. DEGREE REQUIREMENTS

The majority of majors at PSU allow you to choose either a Bachelor of Arts (BA) or a Bachelor of Science (BS). Below are the requirements for both the BA and the BS:

*These classes may be completed as part of your general education, prerequisite, or elective requirements for the A.A.S. or Bachelor's degree. Speak with an adviser to determine which classes to take to meet requirements.

**Foreign Language Requirement for Bachelor of Arts:** Students with no previous knowledge of a foreign language will need to complete two full years of a language at the college level for a Bachelor of Arts (BA). Students who already possess sufficient competence in a foreign language may meet the BA language requirement by completing any foreign language course numbered 203 or for which 203 is a prerequisite, or otherwise demonstrate proficiency with the World Languages and Literatures department at PSU.

**NOTE:** Students who graduated or would have graduated from high school in Oregon in 1997 or later must have two years of foreign language at the high school level or two terms at the college level to meet admission requirements, even if they plan to pursue a BS degree. Students transferring to PSU must submit a high school transcript if they completed this requirement at their high school.

3. GENERAL EDUCATION REQUIREMENTS

All colleges and universities have general education requirements designed to provide the breadth of knowledge and skills expected from college graduates. At Portland State University, you will be required to follow the University Studies program for general education. This program emphasizes an understanding of communication, critical thinking, social and ethical responsibility, and the diversity of human experience.

Generally, the University Studies program consists of four components: Freshman Inquiry, Sophomore Inquiry, Upper Division Cluster, and Senior Capstone. Because you will be transferring with the A.A.S. in Child and Family Studies from LBCC, you will enter PSU with junior status. That means that you will only need to complete the Upper Division Cluster and Senior Capstone portions of University Studies.

Descriptions of the Cluster topics and Capstones courses are available in the Schedule of Classes each term or online at www.pdx.edu/unst.

**What if you don’t complete the A.A.S.?**

If you do not complete the A.A.S. in Child and Family Studies at LBCC or do not major in Child and Family studies at PSU, you will be placed in University Studies based on the number of transferable credits you complete. (Please note, if you do not complete the A.A.S., you may only transfer 12 credits of courses taken at the community level that transfer to PSU in the category of vocational/technical credits at PSU.) Students begin with the course indicated below and complete the remainder of the UNST program. Once a student has registered for courses at Portland State as a formally admitted student, additional credits completed at another institution will not change this placement. The exception to this policy is for students participating in co-admission. (For information about co-admission, go to http://www.pdx.edu/uasc/community-college-coadmission.)

Academic Advising

Both PSU and LBCC believe that academic advising should be a part of your entire academic career. Because you will be transferring through a specialized articulation agreement, academic advising becomes even more important in order to help you choose appropriate courses and complete your Associate’s and Bachelor’s degrees in an efficient manner. In addition to working with an adviser, you should plan to attend New Student Orientation at both LBCC and PSU. When you apply for admission, you will receive information about Orientation dates and times.
