Creating Futures
The Campaign for Student Scholarships

“This is a call to action. State funds have been cut sharply for PSU and higher education. Our students and their families now carry more of the burden of paying for college. We are asking you to help students gain the knowledge and skills they need for their future. Please support student scholarships.”

Wim Wiewel
President, Portland State University
School of Business Administration

- Relieve crowding, address physical needs
- Relocate Graduate School of Education
- Renovate existing building
- Expand on north side
Stott Center/Viking Pavilion

- 14,000 square feet: New academic support space
- 22,000 square feet: New collaborative study space in concourses
- 5,000-seat pavilion: Stage events, sports, banquets, other events
Your Role

• Share inspiring stories
• Promote PSU within your networks
• Give to your favorite PSU initiative
“Had it not been for the scholarship and being able to continue at PSU, I would not have the opportunities I have right now. People forget – it’s through school that you get most of your job contacts. My family doesn’t have those connections.”

Angela Rico
PSU Student and Equal Access Scholarship Recipient

“We are training astronauts, conducting experiments on the Space Station and traveling all over the country. There are only a handful of opportunities like this in the world. You won’t find another one easily, especially as a master’s student.”

Ryan Jenson
PSU Student and Maseeh Fellowship Recipient
