

Overall Description

The basement floor of King Albert Residence Hall (KNGA) is made of mechanical spaces, a laundry room in room 17, and a ground-level cafe in room 10. This floor can be accessed through an entrance located on the north east corner of the building and leads directly into the cafe. An all-gender restroom is located in the west corner of room 10. All other areas of this floor are restricted access.

Restrooms

A restroom is located in the basement cafe, room 10. Room 10A is a public single-occupancy all-gender restroom directly south of the entry door in the basement cafe.

Wheelchair Accessible Entrances and Exits

Wheelchair access to the basement cafe is made by door on the northeast corner of the building. Residence hall is not wheelchair accessible.

Elevators

KNGA has no elevators in the building.

Stairs

Stairwell S01 is located in the center of the north side of the building on Montgomery Street and has access to Floor 4.

Overall Description

King Albert Residence Hall (KNGA) is a four-floor student-only dorm with an attached cafe located in its ground-level basement. Floor 1 can be accessed through an access-only entrance by way of a staircase on the east side of the building or through an access-only entrance located on the north side of the building. This portion of the building is residence only and does not have wheelchair access, an elevator, or public restrooms. The east entrance, which is the main entrance, leads directly into V100 where the mailboxes are located. V100 is bordered on the north by corridors C101, which leads directly into C100 giving access to dormitory suites 104 through 107 to the west, S100 to the north, and dormitory suites 100 through 104 to the east. V100 is bordered on the south by corridors C103, which leads directly into C102 giving access to dormitory suites 109 through 111 to the west, S101 to the south, and dormitory suites 112 through 115 to the east.

Restrooms

KNGA has no public restroom access on this floor. However, a public restroom is located in the basement cafe, room 10. Room 10A is a public single-occupancy all-gender restroom directly south of the entry door in the basement cafe.

Wheelchair Accessible Entrances and Exits

KNGA has no wheelchair accessible entrances or exits to this floor or residence portion of the building.

Elevators

KNGA has no elevators in the building.

Stairs

Stairwell S100 is located at the end of corridor C101 directly north of V100 and has access from the basement to Floor 4. Stairwell S101 is located at the end of corridor C103 directly south of V100 and has access from the basement to Floor 4.

Overall Description

Corridor C200 is bordered on the north by dormitory suites 202 through 205 and stairwell S200 and on the south by dormitory suites 200, 201, 206, and 207 and corridor C201 with access to dormitory suites 208 through 215. Corridor C202 is bordered on the north by dormitory suites 208, 209, 214, and 215 and corridor C203 with access to dormitory suites 200 through 207 and on the south by dormitory suites 210 through 213 and stairwell S201.

Restrooms

KNGA has no public restroom access on this floor. However, a public restroom is located in the basement cafe, room 10. Room 10A is a public single-occupancy all-gender restroom directly south of the entry door in the basement cafe.

Wheelchair Accessible Entrances and Exits

KNGA has no wheelchair accessible entrances or exits to this floor.

Elevators

KNGA has no elevators in the building.

Stairs
