

**Overall Description**

The Sub-basement of the Millar Library is restricted access. It is reached by means of the north stairwell, B2-S34, and the south stairwell, B2-S84, which descends from the Basement floor.

### **Overall Description**

On the Basement floor of the Millar Library (ML), the elevators are located centrally in the building. East of the elevator lobby L50, along the backside of the elevators is the stairwell (S50). Among many rows of bookshelves throughout the floor, there is the men's restroom in room 27 and women's restroom in 25 which are centrally located near the north wall, and multiple quiet study and practice rooms such as rooms 2, 4, 6 in the northeast corner and rooms 89, 90, 92, 94, 96, and 98 in the southeast corner.

### **Restrooms**

Restrooms are located north of the elevators and stairwells centrally located with entrances facing west. The women's restroom in 25 is closest to the elevators. The men's restroom in 27 is closest to the north wall of the building.

### **Wheelchair Accessible Entrances and Exits**

Wheelchair access to the basement is made via the elevators.

### **Elevators**

There are three elevators, E20, E21, and E22, that are centrally located in the building and access all floors of the Library. The lobby L50 containing the elevators is west of the stairwell S50 with door-access on the north and south ends of the lobby.

### **Stairs**

The stairwell S50 is centrally located in the building east of the elevator lobby with entrance on the north and south ends. Emergency stairwells S31, S34, and S86 in the northwest and southwest areas are alarmed exit-only stairwells to north and south.

### **Overall Description**

On Millar Library (ML) Floor 1 is the main entry to the building and lies along the east wall through V101. The elevators are located centrally in the building, just west of the stairwell S150. The main entrance of the building enters the corridor V101 that leads north to the computer lab in room 115 and several study spaces, and V101 leads south to the Circulation Desk in 196. Down corridor C145 is a coffee shop in 118 and a narrow hallway that leads north towards the restrooms. Along lobby L150 is access to the elevators to the east and to the west lies the administrative offices (140), the University Archives (180) and two conference rooms in 160 and 170.
