

Overall Description

University Place Hotel is a triangular shaped building organized around a central swimming pool courtyard. The northern-most side of Floor 1 is dedicated to guest check-in, administrative functions, banquet/meeting rooms, and the hotel restaurant and kitchens in the northeast corner. The other wings consist of guest rooms. There are multiple elevators located within the building. The first elevator is located on the very north side of the building. The elevator lobby is bordered to the south by corridor C103. The elevator is bordered to the east by ADA parking spaces outdoors. The second elevator is located on the northwest side of the building. This elevator is bordered to the east by lobby L100. The elevator lobby is bordered to the south by stairwell S106. The third elevator is located on the mid-east side of the building. The elevator lobby is bordered to the east by the main kitchen located in the building. The elevator lobby is bordered to the west by suite 195Y. The Fourth elevator is located on the very south end of the building. The elevator lobby is bordered to the southwest by vestibule V116 and corridor C116. The elevator lobby is bordered to the west by a ramp in corridor C113.

Restrooms

Public restrooms are located off the main lobby L100 of the hotel and near the restaurant.

- 127 is a single occupant, all-gender restroom located near the reception lobby.
- 127A is a single occupant, all-gender restroom located near the reception lobby.
- 185 is a women's restroom located south of the kitchens in the C-wing of the hotel just south of the restaurant/kitchen area and southeast of the banquet meeting rooms.
