

Overall Description

Broadway Residence Hall contains student housing, classrooms, labs, and first floor retail. The building forms an “L” occupying the southeast, southwest, and northwest quadrants of the 193 block of Portland downtown. Retail can be found on the west and south sides on the first floor of the building. These public retail businesses may be accessed directly from the Jackson Street and Broadway sidewalks. The second floor classrooms, labs, and resident services may be accessed through the east, Sixth Street, entrance. The private student housing may be accessed through the south, Jackson Street, entrance.

On Floor 1 of Broadway, the elevator to the second floor classrooms, labs, and resident services is in the east, Sixth Street, vestibule V102. This entrance can be found at the north end of the east wall of the building, near the center of the block on Sixth Street. The elevator, E159, can be found at the south end of the west wall of the vestibule. The stairwell, S102, to the second floor classrooms, labs, and resident services can be found at the north end of the vestibule.

On Floor 1 of Broadway, the elevators to student housing, E160 and E161, are in the south, Jackson Street, lobby L101. This entrance can be found near the center of the south wall of the building on Jackson Street. The elevators, E160 and E161, can be found in the southeast of the lobby.

Restrooms

There are no public restrooms on Floor 1. Public restrooms can be found on the second floor of Broadway. Retail businesses have their own restrooms and policies regarding public use.

Wheelchair Accessible Entrances and Exits

Broadway Residence Hall is fully wheelchair accessible. Both the public university entrance on Sixth Street to the east and the private residential entry on Jackson Street to the south are fully wheelchair accessible.

Elevators

Elevator E159 is located to the south on the west wall of vestibule V102 immediately upon entering the east, Sixth Street, entrance to Broadway. This elevator provides access to the first and second floors of Broadway. This is for all Broadway classrooms, labs, or resident services.

Two elevators, E160 and E161 are located in the southeast corner of lobby L101, back and to the right of the south, Jackson Street, entrance to Broadway. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S101 is located immediately west of the south, Jackson Street, entrance to Broadway. This stairwell provides egress only from the second floor classrooms, labs, and residence services.

Stairwell S102 is located in the north of vestibule V102, immediately to the right upon entering the east, Sixth Street, entrance to Broadway. This stairwell provides access to floors 1 and 2 only.

Stairwell S103 is located near the center of the east wing of Broadway. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S104 is located outside of the northeast corner of the west wing of Broadway. This stairwell provides egress from floors 2 through 10 to college street. Keycard access is required to enter this stairwell from street level. Note: this stairwell is an external stairwell, exposed to the elements.

Overall Description

On Floor 2 of Broadway the elevator E259 is located in the main lobby L202. Elevators E260 and E261 are located at the west end of the north wall of corridor C202. The main lobby, L202, is bordered on the north by stairwell S202 with access to floors 1 and 2, on the south by study lounge 216, and on the west by rooms 202 and 215, with the elevator, E259, at the center facing east and recycling bins to the west.

Study lounge 216 is bordered on the north by the main lobby, L202, on the south by classroom 218, and on the west by corridor C201 with access to housing and resident life services (authorized access only), vestibule 201 with access to emergency exit stairwell S203, and corridor C202 with access to classrooms 219 and 220, room 201, and lobby L201 with access to elevators E260 and E261.

Corridor C202 is bordered on the north at the west end by lobby L201 with access to elevators E260 and E261 and near the center by room 201, on the east by study lounge 216, on the south by classrooms 219 and 220, and on the west by corridor C208 with access to stairwell S201 and corridor C203.

Corridor C203 is bordered on the east by corridor C208 with access to stairwell S201 and corridor C202, on the south by classroom 222, and on the west by corridor C204 with access to classroom 224, computer lab 226, suite 230, and corridor C205.

Corridor C204 is bordered on the north by suite 230 and corridor C205 with access to women's restroom 228, men's restroom 229, and corridor C207, on the east by computer lab 226 with access to computer lab 225, and on the south by corridor C203 and classroom 224.

Corridor C205 is bordered on the north at the west end of the corridor by women's restroom 228 and at the east end of the corridor by the men's restroom 229, on the east by corridor C207 with access to suite 230 and stairwell S204 with egress from floors 2 through 10, and on the west by corridor C204.

Restrooms

On Floor 2 of Broadway the restrooms are located in corridor C205 at the north end of the west wing of Broadway. Women's restroom 228 is located on the north wall near the west end of corridor C205. Men's restroom 229 is located on the north wall near the east end of corridor C205.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to Floor 2 of Broadway is made via elevator E159 from the east, Sixth Street, vestibule V102, on the first floor of Broadway. This elevator, E259 emerges in the middle of the second floor main lobby L202, facing east. This elevator provides access to floors 1 and 2.

Alternatively, wheelchair entry may be made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into corridor C202 from the north wall at the west end of the corridor. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Wheelchair entry to Floor 2 of Broadway is made via elevator E159 from the east, Sixth Street, vestibule V102, on the first floor of Broadway. This elevator, E259 emerges in the middle of the second floor main lobby L202, facing east. This elevator provides access to floors 1 and 2.

Alternatively, wheelchair entry may be made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into corridor C202 from the north wall at the west end of the corridor. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S201 is located to the south of corridor C208 near the center of the south wing of Broadway. This stairwell provides egress only from the second floor classrooms, labs, and residence services.

Stairwell S202 is located to the north of the second floor lobby L202. This stairwell provides access to floors 1 and 2 only.

Stairwell S203 is located west of student study lounge 216 and south of corridor C201. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S204 is located to the northeast of corridor C205 and the public restrooms. This stairwell provides egress from floors 2 through 10 to College Street. Keycard access is required to enter this stairwell from street level. Note: this stairwell is an external stairwell, exposed to the elements.

Overall Description

On Floor 3 of Broadway the elevators E360 and E361 emerge into the elevator lobby L301. The elevator lobby L301 is bordered on the north by corridor C301, with access to dormitory suites 310 through 317, stairwell S303, and corridor C302, and on the south by corridor C303, with access to dormitory suites 330 through 335, room 301, corridor C302, and lobby L302.

Corridor C301 is bordered on the north by dormitory suites 310 through 313 at the west end of the corridor, followed by dormitory suites 314 through 317 at the east end of the corridor, and on the south at the west end of the corridor by the elevator lobby L301, near the center of the corridor by the vestibule to stairwell S303 with access to all floors, keycard required, and east of center by corridor C302 with access to dormitory suites 320 through 323 and corridor C303.

Corridor C302 is bordered on the north by corridor C301 with access to dormitory suites 310 through 317, stairwell S303, and elevator lobby L301, on the east by dormitory suites 320 through 323, and on the west by corridor C303 with access to dormitory suites 330 through 335, room 301, elevator lobby L301, and lobby L302.

Corridor C303 is bordered on the north by elevator lobby L301 at the west end of the corridor and room 301 near the center, on the east by corridor C302 with access to dormitory suites 320 through 323 and corridor C301, on the south by dormitory suites 330 through 332 at the east end of the corridor, followed by dormitory suites 333 through 335 at the west end of the corridor, and on the west by lobby L302 with access to corridor C304 and stairwell S301.

On the third floor, floor 3, of Broadway, Lobby L302 mediates the east and west wings. Lobby L302 is bordered on the east by corridor C303 with access to dormitory suites 330 through 335, room 301, elevator lobby L301, and corridor C302, on the south by stairwell S301 with access to floors 3 through 10, and on the west by corridor C304 with access to dormitory suites 340 through 344 and corridor C305.

Corridor C304 is bordered on the north by corridor C305 with access to dormitory suites 350 through 375 and corridor C306, on the east by lobby L302 with access to corridor C303 and stairwell S301, and on the south at the east end of the corridor by dormitory suites 340 and 341, and at the west end of the corridor by dormitory suites 342 through 344.

Corridor C305 is bordered on the east at the south end of the corridor by dormitory suites 350, 352, 354, 356, 358, and 360 and at the north end of the corridor by dormitory suites 362, 364, 366, 368, and 372 and by corridor C306 with access to stairwell S304, on the south by corridor C304 with access to dormitory suites 340 through 344 and lobby L302, and on the west at the south end of the corridor by dormitory suites 351, 353, 355, 357, 359, and 361 and at the north end of the corridor by dormitory suites 363, 365, 367, 369, 371, 373, 375.

Corridor C306 is bordered on the north by dormitory suite 370, on the east by stairwell S304 with egress from floors 2 through 11 to College Street, and on the west by corridor C305 dormitory suites 350 through 375 and corridor C304.

Restrooms

There are no public restrooms on Floor 3. Public restrooms can be accessed on Floor 2.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to Floor 3 of Broadway is made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into elevator lobby L301. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Elevators E360 and E361 emerge into elevator lobby L301. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S301 is located to the south of lobby L302. This stairwell provides access to residential floors 3 through 10 only.

Stairwell S303 is accessed through vestibule V301 on the south wall near the center of corridor C301. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S304 is located to the east of corridor C306. This stairwell provides egress from floors 2 through 10 to College Street. Keycard access is required to enter this stairwell from street level. **Note:** *this stairwell is an external stairwell, exposed to the elements.*

Overall Description

On Floor 4 of Broadway, the elevators E460 and E461 emerge into the elevator lobby L401. The elevator lobby L401 is bordered on the north by corridor C401, with access to dormitory suites 410 through 417, stairwell S403, and corridor C402, and on the south by corridor C403, with access to dormitory suites 430 through 435, room 401, corridor C402, and lobby L402.

Corridor C401 is bordered on the north by dormitory suites 410 through 413 at the west end of the corridor, followed by dormitory suites 414 through 417 at the east end of the corridor, and on the south at the west end of the corridor by the elevator lobby L401, near the center of the corridor by the vestibule to stairwell S403 with access to all floors, keycard required, and east of center by corridor C402 with access to dormitory suites 420 through 423 and corridor C403.

Corridor C402 is bordered on the north by corridor C401 with access to dormitory suites 410 through 417, stairwell S403, and elevator lobby L401, on the east by dormitory suites 420 through 423, and on the west by corridor C403 with access to dormitory suites 430 through 435, room 401, elevator lobby L401, and lobby L402.

Corridor C403 is bordered on the north by elevator lobby L401 at the west end of the corridor and room 401 near the center, on the east by corridor C402 with access to dormitory suites 420 through 423 and corridor C401, on the south by dormitory suites 430 through 432 at the east end of the corridor, followed by dormitory suites 433 through 435 at the west end of the corridor, and on the west by lobby L402 with access to corridor C404 and stairwell S401.

On Floor 4 of Broadway, Lobby L402 mediates the east and west wings. Lobby L402 is bordered on the east by corridor C403 with access to dormitory suites 430 through 435, room 401, elevator lobby L401, and corridor C402, on the south by stairwell S401 with access to floors 3 through 10, and on the west by corridor C404 with access to dormitory suites 440 through 444 and corridor C405.

Corridor C404 is bordered on the north by corridor C405 with access to dormitory suites 450 through 475 and corridor C406, on the east by lobby L402 with access to corridor C403 and stairwell S401, and on the south at the east end of the corridor by dormitory suites 440 and 441, and at the west end of the corridor by dormitory suites 442 through 444.

Corridor C405 is bordered on the east at the south end of the corridor by dormitory suites 450, 452, 454, 456, 458, and 460 and at the north end of the corridor by dormitory suites 462, 464, 466, 468, and 472 and by corridor C406 with access to stairwell S404, on the south by corridor C404 with access to dormitory suites 440 through 444 and lobby L402, and on the west at the south end of the corridor by dormitory suites 451, 453, 455, 457, 459, and 461 and at the north end of the corridor by dormitory suites 463, 465, 467, 469, 471, 473, 475.

Corridor C406 is bordered on the north by dormitory suite 470, on the east by stairwell S404 with egress from floors 2 through 11 to College Street, and on the west by corridor C405 dormitory suites 450 through 475 and corridor C404.

Restrooms

There are no public restrooms on Floor 4. Public restrooms can be accessed on Floor 2.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to Floor 4 of Broadway is made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into elevator lobby L401. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Elevators E460 and E461 emerge into elevator lobby L401. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S401 is located to the south of lobby L402. This stairwell provides access to residential floors 3 through 10 only.

Stairwell S403 is accessed through vestibule V401 on the south wall near the center of corridor C401. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S404 is located to the east of corridor C406. This stairwell provides egress from floors 2 through 10 to College Street. Keycard access is required to enter this stairwell from street level. **Note:** *this stairwell is an external stairwell, exposed to the elements.*

Overall Description

On Floor 5 of Broadway, the elevators E560 and E561 emerge into the elevator lobby L501. The elevator lobby L501 is bordered on the north by corridor C501, with access to dormitory suites 510 through 517, stairwell S503, and corridor C502, and on the south by corridor C503, with access to dormitory suites 530 through 535, room 501, corridor C502, and lobby L502.

Corridor C501 is bordered on the north by dormitory suites 510 through 513 at the west end of the corridor, followed by dormitory suites 514 through 517 at the east end of the corridor, and on the south at the west end of the corridor by the elevator lobby L501, near the center of the corridor by the vestibule to stairwell S503 with access to all floors, keycard required, and east of center by corridor C502 with access to dormitory suites 520 through 523 and corridor C503.

Corridor C502 is bordered on the north by corridor C501 with access to dormitory suites 510 through 517, stairwell S503, and elevator lobby L501, on the east by dormitory suites 520 through 523, and on the west by corridor C503 with access to dormitory suites 530 through 535, room 501, elevator lobby L501, and lobby L502.

Corridor C503 is bordered on the north by elevator lobby L501 at the west end of the corridor and room 501 near the center, on the east by corridor C502 with access to dormitory suites 520 through 523 and corridor C501, on the south by dormitory suites 530 through 532 at the east end of the corridor, followed by dormitory suites 533 through 535 at the west end of the corridor, and on the west by lobby L502 with access to corridor C504 and stairwell S501.

On the fifth floor, floor 5, of Broadway, Lobby L502 mediates the east and west wings. Lobby L502 is bordered on the east by corridor C503 with access to dormitory suites 530 through 535, room 501, elevator lobby L501, and corridor C502, on the south by stairwell S501 with access to floors 3 through 10, and on the west by corridor C504 with access to dormitory suites 540 through 544 and corridor C505.

Corridor C504 is bordered on the north by corridor C505 with access to dormitory suites 550 through 575 and corridor C506, on the east by lobby L502 with access to corridor C503 and stairwell S501, and on the south at the east end of the corridor by dormitory suites 540 and 541, and at the west end of the corridor by dormitory suites 542 through 544.

Corridor C505 is bordered on the east at the south end of the corridor by dormitory suites 550, 552, 554, 556, 558, and 560 and at the north end of the corridor by dormitory suites 562, 564, 566, 568, and 572 and by corridor C506 with access to stairwell S504, on the south by corridor C504 with access to dormitory suites 540 through 544 and lobby L502, and on the west at the south end of the corridor by dormitory suites 551, 553, 555, 557, 559, and 561 and at the north end of the corridor by dormitory suites 563, 565, 567, 569, 571, 573, 575.

Corridor C506 is bordered on the north by dormitory suite 570, on the east by stairwell S504 with egress from floors 2 through 11 to College Street, and on the west by corridor C505 dormitory suites 550 through 575 and corridor C504.

Restrooms

There are no public restrooms on Floor 5. Public restrooms can be accessed on Floor 2.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to Floor 5 of Broadway is made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into elevator lobby L501. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Elevators E560 and E561 emerge into elevator lobby L501. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S501 is located to the south of lobby L502. This stairwell provides access to residential floors 3 through 10 only.

Stairwell S503 is accessed through vestibule V501 on the south wall near the center of corridor C501. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S504 is located to the east of corridor C506. This stairwell provides egress from floors 2 through 10 to College Street. Keycard access is required to enter this stairwell from street level. Note: this stairwell is an external stairwell, exposed to the elements.

Overall Description

On Floor 6 of Broadway, the elevators E660 and E661 emerge into the elevator lobby L601. The elevator lobby L601 is bordered on the north by corridor C601, with access to dormitory suites 610 through 617, stairwell S603, and corridor C602, and on the south by corridor C603, with access to dormitory suites 630 through 635, room 601, corridor C602, and lobby L602.

Corridor C601 is bordered on the north by dormitory suites 610 through 613 at the west end of the corridor, followed by dormitory suites 614 through 617 at the east end of the corridor, and on the south at the west end of the corridor by the elevator lobby L601, near the center of the corridor by the vestibule to stairwell S603 with access to all floors, keycard required, and east of center by corridor C602 with access to dormitory suites 620 through 623 and corridor C603.

Corridor C602 is bordered on the north by corridor C601 with access to dormitory suites 610 through 617, stairwell S603, and elevator lobby L601, on the east by dormitory suites 620 through 623, and on the west by corridor C603 with access to dormitory suites 630 through 635, room 601, elevator lobby L601, and lobby L602.

Corridor C603 is bordered on the north by elevator lobby L601 at the west end of the corridor and room 601 near the center, on the east by corridor C602 with access to dormitory suites 620 through 623 and corridor C601, on the south by dormitory suites 630 through 632 at the east end of the corridor, followed by dormitory suites 633 through 635 at the west end of the corridor, and on the west by lobby L602 with access to corridor C604 and stairwell S601.

On the sixth floor, floor 6, of Broadway, Lobby L602 mediates the east and west wings. Lobby L602 is bordered on the east by corridor C603 with access to dormitory suites 630 through 635, room 601, elevator lobby L601, and corridor C602, on the south by stairwell S601 with access to floors 3 through 10, and on the west by corridor C604 with access to dormitory suites 640 through 644 and corridor C605.

Corridor C604 is bordered on the north by corridor C605 with access to dormitory suites 650 through 675 and corridor C606, on the east by lobby L602 with access to corridor C603 and stairwell S601, and on the south at the east end of the corridor by dormitory suites 640 and 641, and at the west end of the corridor by dormitory suites 642 through 644.

Corridor C605 is bordered on the east at the south end of the corridor by dormitory suites 650, 652, 654, 656, 658, and 660 and at the north end of the corridor by dormitory suites 662, 664, 666, 668, and 672 and by corridor C606 with access to stairwell S604, on the south by corridor C604 with access to dormitory suites 640 through 644 and lobby L602, and on the west at the south end of the corridor by dormitory suites 651, 653, 655, 657, 659, and 661 and at the north end of the corridor by dormitory suites 663, 665, 667, 669, 671, 673, 675.

Corridor C606 is bordered on the north by dormitory suite 670, on the east by stairwell S604 with egress from floors 2 through 11 to College Street, and on the west by corridor C605 dormitory suites 650 through 675 and corridor C604.

Restrooms

There are no public restrooms on Floor 6. Public restrooms can be accessed on Floor 2.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to the sixth floor, Floor 6, of Broadway is made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into elevator lobby L601. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Elevators E660 and E661 emerge into elevator lobby L601. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Stairs

Stairwell S601 is located to the south of lobby L602. This stairwell provides access to residential floors 3 through 10 only.

Stairwell S603 is accessed through vestibule V601 on the south wall near the center of corridor C601. This stairwell provides egress only from floors 2 through 11. Note: eleventh floor penthouse and roof are not publicly accessible.

Stairwell S604 is located to the east of corridor C606. This stairwell provides egress from floors 2 through 10 to College Street. Keycard access is required to enter this stairwell from street level. Note: this stairwell is an external stairwell, exposed to the elements.

Overall Description

On Floor 7 of Broadway, the elevators E760 and E761 emerge into the elevator lobby L701. The elevator lobby L701 is bordered on the north by corridor C701, with access to dormitory suites 710 through 717, stairwell S703, and corridor C702, and on the south by corridor C703, with access to dormitory suites 730 through 735, room 701, corridor C702, and lobby L702.

Corridor C701 is bordered on the north by dormitory suites 710 through 713 at the west end of the corridor, followed by dormitory suites 714 through 717 at the east end of the corridor, and on the south at the west end of the corridor by the elevator lobby L701, near the center of the corridor by the vestibule to stairwell S703 with access to all floors, keycard required, and east of center by corridor C702 with access to dormitory suites 720 through 723 and corridor C703.

Corridor C702 is bordered on the north by corridor C701 with access to dormitory suites 710 through 717, stairwell S703, and elevator lobby L701, on the east by dormitory suites 720 through 723, and on the west by corridor C703 with access to dormitory suites 730 through 735, room 701, elevator lobby L701, and lobby L702.

Corridor C703 is bordered on the north by elevator lobby L701 at the west end of the corridor and room 701 near the center, on the east by corridor C702 with access to dormitory suites 720 through 723 and corridor C701, on the south by dormitory suites 730 through 732 at the east end of the corridor, followed by dormitory suites 733 through 735 at the west end of the corridor, and on the west by lobby L702 with access to corridor C704 and stairwell S701.

On Floor 7 of Broadway, Lobby L702 mediates the east and west wings. Lobby L702 is bordered on the east by corridor C703 with access to dormitory suites 730 through 735, room 701, elevator lobby L701, and corridor C702, on the south by stairwell S701 with access to floors 3 through 10, and on the west by corridor C704 with access to dormitory suites 740 through 744 and corridor C705.

Corridor C704 is bordered on the north by corridor C705 with access to dormitory suites 750 through 775 and corridor C706, on the east by lobby L702 with access to corridor C703 and stairwell S701, and on the south at the east end of the corridor by dormitory suites 740 and 741, and at the west end of the corridor by dormitory suites 742 through 744.

Corridor C705 is bordered on the east at the south end of the corridor by dormitory suites 750, 752, 754, 756, 758, and 760 and at the north end of the corridor by dormitory suites 762, 764, 766, 768, and 772 and by corridor C706 with access to stairwell S704, on the south by corridor C704 with access to dormitory suites 740 through 744 and lobby L702, and on the west at the south end of the corridor by dormitory suites 751, 753, 755, 757, 759, and 761 and at the north end of the corridor by dormitory suites 763, 765, 767, 769, 771, 773, 775.

Corridor C706 is bordered on the north by dormitory suite 770, on the east by stairwell S704 with egress from floors 2 through 11 to College Street, and on the west by corridor C705 dormitory suites 750 through 775 and corridor C704.

Restrooms

There are no public restrooms on Floor 7. Public restrooms can be accessed on Floor 2.

Wheelchair Accessible Entrances and Exits

Wheelchair entry to Floor 7 of Broadway is made via elevators E160 and E161 from the residential lobby L101, near the center of the south wing of Broadway. These elevators emerge into elevator lobby L701. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.

Elevators

Elevators E760 and E761 emerge into elevator lobby L701. These elevators provide access to all floors. These are for access to student housing. Keycard access is required for access to private residential floors 3 through 10.
