

Overall Description

The Corbett Building has parking on the east side of the building. This on-site parking can be accessed through the northeast side of Corbett Avenue.

Overall Description

On the Basement, there is an ADA entrance located on the north side of the building that leads to the parking garage as well as a restroom in suite 1 and stairwell S1. The parking garage has no notable ADA parking spaces. There is another ADA entrance located on the south facade. The elevator is located centrally within the building towards the west side. The elevator lobby is bordered to the south by vestibule V2 that leads to stairwell S2; and a suite. The elevator lobby is bordered to the west by suite 10.

Restrooms

The restroom is located directly to the east of the north ADA entrance. Room 1 is a single-occupancy, all-gender restroom.

Wheelchair Accessible Entrances and Exits

Wheelchair entry into the building can be made via the basement level and Floor 1. Wheelchairs enter heading east on SW Meade St on S Corbett Avenue. This will lead to the site parking lot and the South ADA entrance and the centrally located elevator in the parking garage.

Elevators

One elevator is located centrally within the building. Elevator E63 provides access to the Basement through Floor 2.

Stairs

Stairwell S1 is located on the northside of the building and is directly south of the restroom in room 1. This stairwell has access to the Basement through Floor 2. Stairwell S2 is located just west of the vestibule V2 and elevator E63. This stairwell has access to the Basement through Floor 2. Stairwell S3 is located at the very south end. This stairwell has access to the Basement through Floor 2.
