

CHALLENGE STUDENT REGISTRATION

Overview

Before You Start:

Determine whether you will need to upload any documentation in order to complete your registration. This is the case if:

- You have less than a 3.0 cumulative GPA. You will need to upload a transcript for consideration.
- You are eligible for financial aid. You will need to upload either your Free or Reduced lunch letter from this year or last year, a school-issued letter verifying need (usually from a counselor or a teacher), or a signed Challenge Program Financial Aid Verification form.

Challenge Student Registration:

Go to pdx.edu/challenge-program, scroll down the page, and click on REGISTRATION PORTAL. Select from the options given based on the descriptions on the webpage.

- If you are a “New Student” to PSU - enter your preferred email (the one you check most frequently as this will be critical to completing registration). You will be asked to check your email to verify your identity.
- If you are an “Existing Student” - follow the steps to log in or reset your password.
- If you are a “Returning Applicant” - you will enter the preferred email you used when beginning the process as a New Student to resume from where you left off.
