

The Challenge Program

Pacific Crest Community School 2023–24

PSU's Challenge Program

Challenge is a nationally accredited dual credit program offering Portland State University (PSU) college courses at Pacific Crest. In addition to earning college credit at a greatly discounted rate, Challenge students have access to PSU services, including student ID cards, computer accounts, and the library with its online databases and available training. A 3.0 cumulative GPA is required to participate in Challenge to help ensure students are prepared for the rigor and expectations of a college course.

Registration

Make sure to read the instructions before you begin! There are some differences to the process based on whether you are a new or returning Challenge student.

To get started on your registration, visit:
pdx.edu/challenge-program/challenge-program-registration

Tuition

At \$224.40 per course (or \$51 if you qualify for financial aid), Challenge courses cost a fraction of regular college tuition (which is \$1159 per course on campus this year). It's a great deal!

For information on Challenge tuition, visit:
pdx.edu/challenge-program/about-challenge-program

Credit and Credit Transfer

Challenge credit transfers nationally to many institutions and all state universities.

For detailed information on Challenge credit and credit transfer, visit:
pdx.edu/challenge-program/credit-and-transcripts

Pacific Crest Courses 2023–24

This course is taught in a sequence of two aligned with the high school semesters. Students register and pay twice.

Calculus

MTH 251 - Calculus I (4 credits) \$224.40. Cleland. **Register by October 3**

Differential calculus of functions of a single variable, including limits, the definition and computation of the derivative, and applications of the derivative. *Prerequisite: Completion of MTH 112, preferably with a grade of B or above.*

MTH 252 - Calculus II (4 credits) \$224.40. Cleland. **Register by February 20**

Integral calculus of functions of a single variable, including the Fundamental Theorem of Calculus, numerical integration, and applications. *Prerequisite: MTH 251.*

Registration, Drop, and Withdraw Deadlines

FALL REGISTRATION – October 3rd Deadline

MTH 251: Calculus I	Drop: Nov. 6 Withdraw: Dec. 18
----------------------------	---

WINTER REGISTRATION – February 20th Deadline

MTH 252: Calculus II	Drop: March 18 Withdraw: May 6
-----------------------------	---

Dropping a course means there will be no record of the course on the student's college transcript.

Withdrawing will leave the course on the student's college transcript with a grade of "W."

PSU is an affirmative action/equal opportunity institution
