

The Challenge Program

Tigard High School 2023–24

PSU's Challenge Program

Challenge is a nationally accredited dual credit program offering Portland State University (PSU) college courses at Tigard. In addition to earning college credit at a greatly discounted rate, Challenge students have access to PSU services, including student ID cards, computer accounts, and the library with its online databases and available training. A 3.0 cumulative GPA is required to participate in Challenge to help ensure students are prepared for the rigor and expectations of a college course.

Registration

Make sure to read the instructions before you begin! There are some differences to the process based on whether you are a new or returning Challenge student.

To get started on your registration, visit:

pdx.edu/challenge-program/challenge-program-registration

Tuition

At \$224.40 per course (or \$51 if you qualify for financial aid), Challenge courses cost a fraction of regular college tuition (which is \$1159 per course on campus this year). It's a great deal!

For information on Challenge tuition, visit:

pdx.edu/challenge-program/about-challenge-program

Registration, Drop, and Withdraw Deadlines

FALL REGISTRATION – October 3rd Deadline

STAT 243Z: Elementary Statistics	Drop: November 6 Withdraw: December 18
---	---

WINTER REGISTRATION – February 20th Deadline

STAT 244: Prob & Stats II	Drop: March 18 Withdraw: May 6
----------------------------------	---

Dropping a course means there will be no record of the course on the student's college transcript.

Withdrawing will leave the course on the student's college transcript with a grade of "W."

Credit and Credit Transfer

Challenge credit transfers nationally to many institutions and all state universities.

For detailed information on Challenge credit and credit transfer, visit:

pdx.edu/challenge-program/credit-and-transcripts

PSU is an affirmative action/equal opportunity institution

Tigard Courses 2023–24

Courses mapped to Semesters

These courses are taught in a sequence of two that aligns with the high school semesters. Students register and pay twice a year.

Probability and Statistics

STAT 243Z – Elementary Statistics (4 credits) \$224.40. Conner. **Register by October 3**

A first course in statistics focusing on the interpretation and communication of statistical concepts. Introduces exploratory data analysis, descriptive statistics, sampling methods and distributions, point and interval estimates, hypothesis tests for means and proportions, and elements of probability and correlation. Technology will be used when appropriate. This is the first course in a sequence of two: Stat 243Z and Stat 244 which must be taken in sequence. *Prerequisite: Completion of high school precalculus with a grade of C- or above.*

STAT 244 – Introduction to Probability and Statistics II (4 credits) \$224.40. Conner. **Register by February 20**

A basic course in statistical analysis including estimation, tests of significance, experimental design and analysis of variance, linear regression and correlation, nonparametric statistics, selected topics, applications, and use of statistical computer packages. A broad nontechnical survey designed primarily for non-math students who need to utilize the subject in their own fields. This is the second course in a sequence of two: Stat 243Z and Stat 244 which must be taken in sequence. *Prerequisite: Stat 243Z.*
