Approve Minutes of September 14th, 2011 meeting
The subcommittee unanimously approved the minutes of the LECC Community Relations Subcommittee meeting on September 14th, 2011.

Update on Perspectives on Profiling Training
Additional funds ($9,000) were granted to the LECC by the Spirit Mountain foundation towards training efforts. A public demonstration of the new curriculum was held in January 2012. Key stakeholders from the community were invited and the event received positive feedback.

Perspectives on Profiling Follow-up Survey
Progress is being made on the distribution and collection of the follow-up surveys for the Perspectives on Profiling Training.
Community Relations Outreach Update
The community relations outreach manual is still in progress. A deadline of April 2012 was set by Dr. Renauer.

Other Business / Open Comments from Community Relations Subcommittee
The potential development of a "business plan" was discussed. The concept of the business plan would likely highlight the efforts of the committee.
