Approve Agenda
The agenda was approved.

Approve Minutes of November 3, 2010 Meeting
Dr. Akins moved, Mr. Fidanque seconded, and the subcommittee unanimously approved the minutes of the LECC Data Review Subcommittee meeting on January 12, 2011.

Status Update on Stop/Search Data
Dr. Chaiken updated the committee on the discrepancy in the OSP stop/search data. The current OSP search data indicates when a vehicle was searched (either driver or passenger), not solely when the driver was searched. Reports should be revised to include more caveats, including when the search data is for the vehicle not the driver.

Update on quality of search data in OSP traffic stop files
Mr. Martin informed the committee on the data collection capabilities of the OSP CAD system. Mr. Martin stressed the importance of limiting data collection points for officer safety. The OSP CAD system has a limited number of open fields to collect data, there is
