Welcome / Introductions
Dr. Akins, chair of the subcommittee welcomed everyone to the meeting.

Approve Agenda
Mr. Fidanque moved, Chair Akins seconded and the subcommittee unanimously approved the agenda with the addition of an item to re-discuss the paragraph regarding stop/search data adopted by the committee during the May 11th, 2011 meeting.

Approve Minutes of May 11th, 2011 Meeting
Mr. Fidanque moved, Dr. Akins seconded, and the subcommittee unanimously approved the minutes of the LECC Data Review Subcommittee meeting on May 11th, 2011 with a correction to the date listed under the Minutes section.

Mr. Fidanque moved, Dr. Akins seconded and The Review of Recommended OSP data collection points section of the minutes was amended to say Major Durbin reported to the subcommittee that the Oregon State Police had decided to limit collection of search data to only those searches involving the driver or the vehicle and to eliminate electronic data collection of searches involving the passenger. The committee discussed pros and cons of the action by OSP and acknowledged the limitations of OSP’s ability to collect more detailed data about searches.
Re-discussion of Stop/Search Paragraph
The committee addressed concerns about the statement adopted during the May 11th, 2011 meeting regarding the purpose of Stop/Search Data. The concerns included determining whether the statement was in conflict with the original intent of the committee and the choice of language in the paragraph. The committee determined more work was needed on the summary statement and this topic would be brought before the full committee during the afternoon meeting.

Status Update on Stop/Search Data
There were no new updates on the collection and analysis of Stop/Search Data. The committee discussed developing a wish list of data review efforts committee members would like to see. It was suggested that future meetings could entail updates from Hillsboro PD and Beaverton PD to hear about the status of their data collections efforts. The committee expressed an interest in having the public perceptions survey repeated soon. Dr. Renauer will explore funding possibilities for the next survey. Action: Dr. Renauer

Review of Recommended OSP data collection points
There were no new updates regarding the review of recommended OSP data collection points.

Other Business / Open Comments from Data Review Subcommittee
The committee discussed future funding issues, which included the possibility of hiring Mr. Stafford to advocate for funding and inviting Steven Powers to a future meeting.
