Approve Minutes of May 13, 2009 Meeting
Commissioner Jaramillo moved, Mr. Fidanque seconded, and the subcommittee unanimously approved the minutes of the LECC Community Relations Subcommittee meeting on July 15, 2009.

New Subcommittee Members
Lt. Henry Reinann of Hillsboro Police Department has been very active in the LECC over the years, particularly the Perspectives on Profiling trainings. The LECC staff
believes he would be an impacting member of the Community Relations Subcommittee. Mr. Fidanque moved, Dr. Akins seconded and the subcommittee unanimously approved him as a new member of the subcommittee. Angie Hedrick, who is the Community Relations Analyst for the Salem Police Department, has been working very closely with the Hispanic communities in Salem and has demonstrated an interest in becoming a subcommittee member. Her work complements the current goals of the LECC to reach out to the minority communities and to develop more harmonious relationships between the police and citizens. Mr. Fidanque moved, Mr. Carrasco seconded and subcommittee unanimously approved her as a new member of the subcommittee.

**Update on Perspectives on Profiling Training**
Dr. Renauer informed the subcommittee that the regional trainings are going well, and that the trainers will be going back to Ontario and Salishan this summer for additional trainings. Also a binder has been created for the regional trainings with information about the event sites, hotels, catering etc, in hopes that we will be going back to the same venues next year. Some trainers are interested in having advanced training, so Ms. Covelli will be making contacts with the Weisenthal center to find out about new material they may have. *Action: Dr. Renauer and Ms. Covelli.*

**Trainer Recognition Luncheon**
There was brief discussion of today’s luncheon held to honor our trainers for their hard work, time and dedication to the Prospective on Profiling training program. Remarks would be given by Dr. Renauer, Capt. Isham, and Justice Peterson to recognize the trainers and the impact they have on the success of the trainings.
