Update on DPSST Law Enforcement Curriculum Subcommittee  
Superintendent Thompson informed the subcommittee that a meeting of the Department of Public Safety Standards and Training (DPSST) Law Enforcement Curriculum Subcommittee was held in March 2006. Ms. Black distributed two handouts: one describing the activities of the meeting and another outlining an example of a DPSST training scenario on vehicle stops. Captain Ed Thompson of DPSST had asked the Law Enforcement Subcommittee to begin developing racially biased policing scenarios using the format that had been distributed. The dynamic nature of the curriculum was emphasized. There is no set “cut-off” date for DPSST to receive scenarios. Rather, there will be a process for continuing to update scenarios to address new issues or modify them.
