I. **General Information**

**Terms of Use:**
The Student Union & University Events Director, or their designee, has the authority to deny requests for use of Conferences & Events facilities or to approve use of facilities beyond the limitations imposed herein. The Director, or their designee, may also impose provisions on events as a condition for use of the facilities, including but not limited to extra charges for extended building hours, maintenance, technical, or security personnel.

**Indemnification:**
Group shall be responsible for all damage to property, injury to persons, and loss, expense, inconvenience, and delay which may be caused by, or result from, the conduct of work under this Agreement, or from any act, omission, or neglect of Group and all Vendors, their officers, agents, or employees. If, during the terms of this Agreement, the Premises or any portion of the Premises or grounds are damaged by the act, default, or negligence of the Group or Vendors, or their agents, employees, patrons, or any other person or persons admitted to the Premises by the Group, the Group shall pay to Portland State University, upon demand, such a sum as shall be necessary to restore the Premises to their original condition. Group shall indemnify and hold harmless PSU, and their agencies, subdivisions, officers, employees, subcontractors, and agents from all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature resulting from or arising out of, or relating to the activities or omissions of Group, Vendors or their officers, employees, subcontractors, or agents acting under this Agreement. PSU may, at its election, assume its own defense and settlement.

**Unforeseen Closures:**
In the event of unforeseen closure of the University for inclement weather, security emergencies or other reasons, the University reserves the right not to host events scheduled during the period of closure. In the event of an unforeseen closure, the client will have the option to either reschedule the event for a later date, or cancel the event without penalty.

**Potential Noise Disruption:**
The SMSU is located at the heart of an urban campus and hosts many events. As such, Conferences and Events cannot guarantee the absence of noise disruptions from nearby conference spaces or outdoor activities— including fairs, rallies, and outdoor concerts (which occur every Tuesday and Thursday from 12pm-1pm).
Clients:
Clients are divided into three distinct user groups, each with different privileges and liabilities: Student Organizations, PSU Departments and External Users.

**Student Organizations** are groups officially recognized by Student Activities and Leadership Programs (SALP) as having met the formal requirements for being a student organization. They may use space and equipment in the SMSU free of charge, though charges may be applied for extra labor costs associated with their event. All events booked by student organizations must be approved by their SALP Advisor.

**PSU Departments** are officially recognized administrative or academic units of PSU. Recognized PSU departments must have a current index code.

**External Users** are any organization or individuals that are not recognized as student organizations or PSU department. They must pay full rental rates for both SMSU space and equipment and have a signed contract prior to using SMSU space.

Guidelines for determining the status of a student organization event
An event is considered to be a student organization event only if all of the following are true:

1. A student organization index number is given to pay for any expenses arising from event.
2. The event is not part of a series previously hosted by a non-student organization.
3. The event would not occur if not hosted by the student organization.
4. Student organization members are the primary planners and organizers of the event.

If any student organization event is later determined to have not followed one or more of the above guidelines they are subject to the Misrepresentation Procedure.

Misrepresentation:
Registered student organizations and University departments may not reserve space for other organizations for the purpose of securing lower rental rates or to extend limitations for reservations as outlined in this document. The organization or individual named on the reservation is the user and is solely responsible for initiating, planning, implementing, and financing the event addition to all event communication with the Conferences & Events office. Specifically, this means:

- The event must be requested by the user who will be responsible for the event.
- The user named on the reservation must be present at all pre-event and security meetings leading up to the event.
- The user or representatives from their organization must be on site during the event.
- The user is responsible for paying all rental and fees resulting from the event. It is the user's responsibility to collect funds from any event partners.
Space reserved by an organization or individual is for their use only and specifically for the purpose of the event as requested. Users may not sublet or give away their reserved space directly to another group or use their reserved space for an event other than that which was requested. Conferences & Events reserves the right to evaluate and make final determination of appropriate rates. Violation of the misrepresentation policy or any of the conditions outlined above will result in the user being charged the higher of the two rate structures and may result in the suspension of reservation privileges in C&E venues for the organization that holds the reservation.

**General Reservations:**
Single event reservations are permitted as much as one year in advance of the desired date. Requests for exemptions to this policy for large external revenue generating PSU conferences will be evaluated on a case-by-case basis.

**Annual Events:**
Annual events are defined as events that occur annually and have occurred over three consecutive years. Reservations for annual, non-series, events will be scheduled by the Conferences & Events Office more than one year in advance of the event date. The events will be scheduled in accordance to the annual event scheduling procedure and priority, with the exception of core University events which will be scheduled upon release of the Oregon University System Academic Calendar.

Core events constitute events that meet the following three criteria:
- Central PSU program
- University-wide program
- Annual program with no scheduling flexibility

*To be considered a core event, groups must receive approval from the Smith Advisory Board.*

**Annual Event Scheduling Procedure:**
In March of each year the Conferences & Events office will begin accepting annual event reservations for events taking place more than a year in advance. For example, in March 2012 Conferences & Events will accept annual event reservations for events that occur between July 2013 and June 2014. Annual event reservations will be received on a priority basis before taking general academic year reservations.

**Annual Event Scheduling Priority:**
PSU Recognized Student Organizations (e.g. Africa Night, International Night)
University Departments (e.g. Health & Benefits Fairs, Law Day, Administrative Briefings, Length of Service Awards, Departmental Orientations and Graduations, Departmental Sponsored Blood Drives, Take Back the Night) External Groups Building maintenance (e.g. annual deep cleaning and preventive maintenance)
Meeting Room Reservations:
Meeting rooms are defined as small (47a, 230, 258, 262, 323, 326), medium (236, 294, 296, 298, 327, 328, 329, 328/9, 333), and large (228, 238, 296/8, 327/8, 338). PSU student organizations are permitted 20 meeting room bookings per academic term free of charge regardless of the meeting room’s size. Student organization requests for additional meeting rooms beyond the permitted 20 will be charged the departmental rates for the space. PSU departments may book 20 small meeting rooms free of charge per term. If the department exceeds their 20 small meeting room bookings per term they will be charged the medium room rental fees for each additional small meeting room. Departments are able to book unlimited meeting rooms throughout the course of a term, but will be charged the room fee associated with the space.

Student Group Ad Hoc Meeting Room Reservation Exception:
During the week a request is made, any unreserved small meeting rooms are available on a first-come, first-served basis to PSU student organizations. These bookings do not count against the organization’s allocated number of meeting room reservations. Ad hoc reservations are limited to student organizations.

Series Reservations:
Series Reservations are reservations that occur in a regular pattern (i.e. daily, weekly, monthly). Series reservations will be booked based on availability and according to the below policies, procedures, and priorities. All non-series reservations (i.e. reservations for a single meeting, or events that meet irregularly) will follow the timelines for General Reservations.

- Daily reservations requiring use of a room for consecutive days may not reserve a single room for more than 10 consecutive days per academic quarter.
- Series Reservations may be booked for a maximum of five hours per meeting.
- Series Reservations will be booked according to the timeline, priorities and conditions outlined below.

Series Reservation Scheduling Procedure and Priority

Priority One
PSU Registered Student Organizations
4 weeks prior to 1st day of the quarter student organization reservations are accepted
3 weeks prior to 1st day of the quarter student organizations receive event confirmations

Priority Two
University Departments
3 weeks prior to 1st day of the quarter department reservations are accepted
2 weeks prior to 1st day of the quarter departments receive event confirmations
Marquee Space Reservations:
Marquee spaces, (i.e. the Smith Ballroom, 327-9 and Hoffmann Hall) may be reserved by a student organization for one event per school term. Requests for multi-day conferences using marquee space requires a pre-event meeting with Conferences & Events and a SALP advisor. Additional requests for marquee space will be charged the departmental rate. External requests for marquee space will be evaluated on a case by case basis.

Simultaneous Room Reservations: Conferences, Conventions, Tournaments:
Simultaneous room reservations are defined as reservations that include a large or marquee space and multiple meeting rooms. Student organizations may reserve multiple meeting rooms as part of a one-day (such as a convention or conference) once during the fall, winter, spring and summer terms without charge for the rental of the meeting rooms, and without counting against the organization’s meeting room count. Use of a marquee space counts towards the marquee space reservation limit. Requests for simultaneous room reservations require a pre-event meeting with the Conferences & Events department. Additional conference days or simultaneous room reservations will be charged at the departmental fees. Groups requesting simultaneous room reservations will have to fill out an additional form which can be received by contacting the Conferences & Events department. Groups wishing to receive an exception from this policy must seek approval from the Smith Advisory Board.

Conference Room and Series Reservation Exceptions:
New Student Programs and PSU Student Administrative Organizations are exempt from the conference room and series reservation policies. PSU Student Administrative groups include the following: Associated Students of Portland State University, the Smith Advisory Board, and the Student Programming Board. PSPS lunch time concerts are exempt from this policy due to coordination with the city of Portland noise variance policy.

Parkway North:
Parkway North (SMSU 101) is a dining and lounge space that is also available for events during the following times:

- **Monday-Friday:** 3pm-10pm
- **Saturday:** 7am-10pm
- **Sunday:** 9am-6pm

Use of the space during dining hours requires approval from the SMSU Director and must retain the standard dining and lounge seating for use by building patrons.

Portable furniture inside room (i.e. dining tables and chairs) must be stored in curtained area when not in use for events. Permanent furniture (i.e. sofas, lounge chairs, metal coffee tables) must remain in place and may not be moved for events. Clients of the space may use the projection screen and stage.
lighting according to the preset options as available on the lighting panel on the east wall behind the curtained area. Any additional stage lighting options must be provided by Portland State Professional Sound (5-5661, psp@pdx.edu).

To increase availability and ensure fairness of use, student organizations may only book Parkway North at the student organization rate for three events in an academic quarter. Additional bookings will be charged at the department rate. All bookings are based on availability.

Outdoor Events:
The following time and place restrictions apply to all outdoor events, with the exception of core events (see: page 4). All outdoor space event requests must be submitted 10 business days prior to the event.

- Only the following campus locations are available for outdoor events: The South Park Blocks, The Urban Center Plaza, The Urban Center Rooftop, The Walk of the Heroines (Plaza outside of Hoffmann Hall), The Simon Benson House Patio, and the Native American Student and Community Center Patio. Please contact the Conferences & Events office for outdoor space rental rates.
- Outdoor events are not allowed to go past 10:00 pm, or start prior to 6:00 am.
- Outdoor events may not exceed 5 consecutive days in duration, multiple day outdoor events must be scheduled Monday-Friday. A maximum of 5 outdoor event days are allowed per term.
- Overnight camping or storage of materials is not allowed. All materials or structures associated with the event must be removed immediately following the conclusion of event. For multiple day outdoor events, materials or structures associated with the event must be removed at the conclusion of each day’s activities. PSU is not responsible for lost, stolen, or damaged property.
- PSU and the City of Portland reserve the right to book outdoor events in non-reserved, adjacent outdoor spaces, i.e. the South Park Blocks.
- Requests for outdoor events may be refused, even if the space is available, if it is judged that the outdoor event would interfere with academic classes or events inside nearby buildings.
- Outdoor events are not allowed in the South Park Blocks or the Walk of the Heroines during finals week or summer orientation except in conjunction with those activities.
- All food and beverage service must be provided by PSU Dining or by a provider with a Multnomah County Temporary Restaurant License.

Outdoor Events: Amplified Sound
Weekdays (Monday-Friday) during the school term, outdoor amplified sound (including microphones, amps and bullhorns) will be permitted only between 12-1pm. All outdoor events using amplified sound must be scheduled by Conference & Events and must be accompanied by a Noise Variance from the City of Portland. All outdoor amplified sound during the school week must be provided by Portland State Professional Sound (PSPS). Amplified sound is never permitted at outdoor information tables between the buildings.
Outdoor amplified sound may not exceed a maximum of 70dbs as measured from 50’ in any direction. Any measurement from 50’ from the source of the amplification must read under 70dbs. Conferences & Events reserves the right to require events to lower the volume of outdoor amplified sound for any reason.

Outdoor Events: Walk of the Heroines
The Walk of the Heroines is a public thoroughfare, thus the walkway must be kept open at all times open for foot traffic not associated with your event. The Walk of the Heroines can only be scheduled if the event does not compete with Hoffmann Hall and pedestrian access. Reservation of the Walk of the Heroines Stage only includes use of the stage area. The Walk of the Heroines Stage is booked as-is and includes no furniture, overhead covering or backup rain locations. Provision of these amenities is the responsibility of the client. The Walk of the Heroines Stage does not entail use of dedicated restrooms, though public restrooms are located nearby in the Peter Stott Center and in the Science Research & Teaching Center. Events on the Walk of the Heroines Stage are subject to all existing policies regarding outdoor amplified sound and food service. Because of the public nature of the space, other nearby outdoor events in the park blocks and in the Community Recreation Field may occur during scheduled events.

Outdoor Events: The Urban Plaza
The Urban Plaza is defined as the raised brick courtyard adjacent to the Academic and Student Recreation Center (ASRC), Transportation and Parking (TAPS) and the Urban Center (CUPA). Conferences & Events can book events in this space for departmental, student group or non-PSU clients. Outdoor vending in this space, however, may only be booked for the ASRC, TAPS and CUPA for purposes consistent with their mission of service to the University. Events in the Urban Plaza are restricted to the raised portion of the courtyard and may not restrict the flow of foot traffic to the raised platform area or the adjacent buildings and services. Events in the Urban Plaza may not interfere with or obstruct light rail or Max Transit operations in any way. No food sales are permitted at Urban Plaza events.

Outdoor Events: Hoffmann Plaza
Hoffmann Plaza is defined as the outdoor courtyard directly outside Hoffmann Hall. Hoffmann Plaza includes use of the fountain area, but does not include use of the Walk of the Heroines, which begins at SW 11th. Hoffmann Plaza may only be booked in conjunction with Hoffmann Hall.

Outdoor Events: Electric Avenue
Electric Avenue is defined as the grass courtyard bordering the Electric Avenue (SW Montgomery, between SW Broadway and SW 6th). It does not include use of the street itself, which must be coordinated through the City of Portland.
Outdoor Events: The South Park Blocks
The South Park Blocks are defined as the grassy blocks along SW Park Avenue from SW Jackson to SW Clay Avenue. Each block may be booked individually, or in combination with the others. Conferences & Events may only book the South Park Blocks for events hosted by PSU Departments and Student Groups. Any non-PSU organization seeking to use the South Park Blocks must contact Portland Parks & Recreation at 503.865.2376.

Outdoor Events: Food Carts
All outdoor food carts on the PSU Campus must be contracted through the Manager of Retail Services at 503.725.4529. Food carts in the South Park Blocks are stationed on city property and thus must be contracted through Portland Parks & Recreation at 503.865.2376.

Tables
Tabling is only available Monday-Friday, 8am-5pm. Tabling outside these hours is prohibited. All tabling materials must be removed from tabling station by 5pm.

PSU student groups and departments may book Information Tables free of charge for a maximum of 5 bookings per academic quarter and are subject to all other event booking policies, protocols and limitations. Non-PSU organizations may use the Outdoor Information Tables for a fee of $100 per booking, per table. Only Non-PSU Organizations that are affiliated with PSU by contract may use the Indoor Information Tables.

All Information Table bookings include one 6x2.5’ table and 2 chairs. The following restrictions apply to all Information Tables:

- Tabling may not be booked to promote any service that requires the signing of a contract (i.e. credit cards, cell phone plans, gym memberships).
- Tabling may not be booked to provide any service that violates existing PSU retail services contracts (i.e. selling prepared foods, book sales).
- No amplified sound is allowed at Information Tables.
- Bake sales and other distribution of baked goods are allowed at Information Tables as long as they are accompanied by signage which states the following: Food items not prepared at a Multnomah County licensed kitchen.
- Groups not staffing their tables will forfeit their reservation.
- All tabling must occur with the assigned space of the reserved table.

Outdoor Tables
Outdoor tabling and vending is permitted as per the following procedures. Outdoor tabling and vending are subject to the same restrictions which govern all outdoor events.

There are four outdoor information tables available to be booked on the south side of the atrium between the SMSU and Neuberger Hall. They are marked on the diagram as follows:
Table 1 and 2 are located under the skybridge covering the pedestrian mall between the SMSU and Neuberger Hall. These tables are directly adjacent to each other. As such, users are only entitled the 6x2.5’ table space of each station. Larger 10x10’ tabling stations are available at Info 3 and Info 4. NOTE: Table 3 and Info 4 are, as per the diagram, in an uncovered area of the atrium and are exposed to the elements. Clients must arrange for their own tent if weather is a concern. All table users must set up within their assigned space.

Indoor Tables
There are two table locations available in the SMSU’s Parkway Commons. They are marked as follows: Indoor Table 1 Indoor Table 2
These tables are located just inside the Parkway Commons (Smith 142) near the Park Blocks entrance and are directly adjacent to each other. As such, users are only entitled the 6x2.5’ table space of each station. All table users must set up within their assigned space.
Events in Academic Spaces
“Academic Space” is defined by the general pool classrooms as approved by Academic Scheduling. Academic Scheduling has priority in booking all academic spaces. Conferences and Events may only book academic spaces for events based on the availability of space provided by Academic Scheduling. Scheduling preference is given to spaces that exist within the core buildings of the PSU campus (Cramer Hall, Neuberger Hall, and Shattuck Hall).

Academic spaces are booked as-is. The furniture configuration cannot be changed and room must be left as it was found. All additional equipment or belongings brought into event space must be removed from space immediately following event. Trash must be disposed of in waste receptacles. If items are left in room, or if furniture is in disarray following the event, additional labor charges may be applied.

Access to Academic Space:
Academic spaces will be open during normal building hours Monday-Friday. After hours events will be allowed entry through a single entrance which will be opened as needed for scheduled events. Entrances will be designated by the presence of a card reader, as well as a green sticker on the door.

For weekend events and weekday events after 5pm, all building entrances are locked except the following entrances:

- Cramer Hall: South entrance on Montgomery Street.
- Neuberger Hall: North entrance on SW Harrison Street
- Shattuck Hall: NW entrance on the park blocks.

Appropriate Use of Academic Space:
Events which represent a risk of damage to classroom equipment, or which might otherwise impair the academic mission of the space, are not allowed in academic spaces. The following types of events are prohibited from using academic spaces: dances, concerts, wedding receptions, athletic events, parties, events entailing painting, live music, or theatrical performance, unless in academic spaces specifically designed for those activities.

Weekend Events (Friday after 4pm, all day Saturday, Sunday):
Conferences & Events may reserve academic spaces for weekend events only after Academic Scheduling has released the weekend class schedule for the following term.

Weekday Events (all day Monday-Thursday and prior to 4pm on Friday):
All weekday events in academic spaces require approval by Academic Scheduling and cannot be requested until after the conclusion of the first two weeks of the term in which the event occurs (UTS adheres to the following weekday building hours M-F, 4pm-7pm).
**Hoffmann Hall:**
Hoffmann Hall may be booked for weekend and weekday events during the Summer Term and during term breaks without prior approval by Academic Scheduling. Weekend and summer term events in Hoffmann Hall may use any furniture configuration as approved by Conferences & Events. During fall, winter, and spring terms, Hoffmann Hall is limited to weekend use only. Reservations within these parameters are subject to the same terms of use as detailed in this document.

**Fifth Avenue Cinema:**
Conferences & Events schedules the 5th Avenue Cinema for events Monday-Thursday. Monday-Thursday, these spaces are scheduled as classrooms only, no projection or lobby services are included with the booking. Events in the 5th Avenue Cinemas Monday-Thursday are booked only after the academic schedule is complete and are subject to the same limitations as events in academic spaces. To request use of the 5th Avenue Cinema Friday-Sunday for films or other events, please fill out the [5th Avenue Cinema request form](https://orgsync.com/13101/forms/47903).
II. **Event Planning**

**Academic Classes and Related Events:**
Academic classes and events where attendance is required for academic classes must either be booked in academic spaces, or if booked in the SMSU, the event will be billed at the PSU Departmental rate. An academic class is defined as any class that has been issued a PSU CRN number.

**Concerts/Dances:**
Concerts/Dances are defined as any event without fixed seating where the primary purpose of the event is to dance or socialize to amplified music. Concerts/Dances are only booked for PSU Departments and student organizations and other government agencies. Any concert/dance that is selling tickets is required to use the PSU Box Office for their ticket sales. Concerts/Dances may only be scheduled in approved concert/dance venues and are subject to the time and logistical restraints associated with booking those venues. Conferences & Events’ approved concert/dance venues in SMSU are as follows:
- The Smith Ballroom (SMSU 355)
- Parkway North in the Smith Union (SMSU 101)
Concerts/Dances are not allowed at any other venue not listed above. All requests for concerts/dances must submit to a security meeting and must obtain after hours approval (if needed) before the event can be confirmed. As such, all concerts/dances must be requested at least one month in advance in order to give adequate time to schedule security meeting and obtain proper approvals. Concerts/Dances may not be scheduled to go past midnight on Fridays and Saturdays and must occur within building hours on all other days of the week.
A request for a concert/dance event will not be confirmed if it cannot obtain the necessary approvals or if it is determined at the security meeting that the logistical needs of the event cannot be met. If approved the client is responsible for any additional security and logistical expenses that may apply. All Dance/Concerts must be alcohol-free and all requests for permission to serve alcohol will be denied.

**Campaign Events:**
Events involving the promotion of a political candidate or a ballot measure may be held in the SMSU, but in accordance with state law, the organization must be billed the full external rate for use of the space and equipment, even if the event is being requested by a PSU department or student organization.

**Athletic Events:**
Athletic events or physical competitions which carry the potential for property damage or injury to participants, are not allowed in the Smith Memorial Student Union. To schedule athletic events on the PSU Campus, please contact the Peter Stott Center at 503-725-5643. The only exception to this policy regards bowling activities in the Viking GameRoom (SMSU 36).
Food Service
In accordance with Portland State University's (PSU) Food Service Agreement, PSU Dining (503-725-4427, catering@pdx.edu) is granted the exclusive right to operate and provide daily and catered food services to the following PSU premises: Smith Memorial Student Union, Ondine, Meetro and the University Place Hotel. Any events within these premises seeking an exception to PSU Dining’s exclusivity rights must complete a food waiver (https://orgsync.com/63311/forms) at least 15 business days prior to their event. Events occurring outside of these premises must comply with the requirements of the venue in question.

Food waivers will be considered for approval if they meet any of the following criteria:

1. The food or beverage that is being provided is a 100% in-kind donation from the caterer, restaurant, and/or purveyor. Applicant is required to provide documentation from the donor prior to the event.

2. Food is relevant to the cultural and/or religious nature of the event and authentically represents the ethnic/religious food traditions of the organization/s, (e.g., the Thai Student Organization, serving Thai food at the Thai New Year event).

3. PSU Dining is not able to meet the food preparation requirements (e.g. Halal, Kosher, etc.).

In order to be considered for approval your request must meet the following criteria:

1. The request is submitted a minimum of 15 business days prior to the event date.

2. You are able to provide documentation as per requested in this form of the food provider's insurance and catering license.

The only events not required to either use PSU Dining in the defined premises or complete the food waiver process are defined as follows:

Small potlucks: Private meetings that are exclusive to the organization booked in small conference rooms (as defined by Conferences & Events venue procedures, 20 people or less) where the attendees bring food to share with the other meeting attendees.

Brownbag meetings: Meetings where attendees bring food exclusively for their own use.

Bake Sales: Sales of baked goods for fundraising purposes. All bake sales are limited to baked goods and must prominently display a sign with the following message: "Food served at this location may not have been inspected by Multnomah County Environmental Health."

All other events not using PSU Dining for their food service in one of the defined premises must complete the food waiver form and receive an approved waiver. Student Groups must meet with their advisor before beginning this process.
Beverage Service

Alcohol Service:
All alcohol service must be approved by PSU in the form of a completed and signed digital Alcohol Request Form (https://orgsync.com/63311/forms/68674). No alcohol may be served at any Dance or Concert (see page 10). All requests for approval must be submitted to the Office of the VP-FADM no less than 15 business days prior to the event. Individual departments may require additional approvals or impose additional restrictions on the serving of alcohol. If a department requires additional approvals, such approvals shall be obtained prior to submitting a request to the VP-FADM.

As per PSU's Internal Management Directive 1.302, Events promoted in terms that suggest the primary focus of the event is to consume alcoholic beverages (e.g., "kegger") or encourage over-consumption ("all you can drink," "happy hours," "free drinks") are not consistent with the University's philosophy and are prohibited. The President retains the sole prerogative for waiving any or all provisions of this directive.

All alcohol service must adhere to the following regulations:
ID checks. IDs can be checked at the door if all attendees are over 21 years of age, or they can be checked at the bar at time of service. ID checks can also occur at a physically segregated location within the event that is designated a “beer garden.” Only individuals of legal age will be admitted to the Beer garden area. ID checker must be provided by Campus Public Safety.

There must be a substantial amount of food provided if alcohol is to be served and must be provided throughout the course of the event. If the food runs out or is not deemed substantial by the catering manager the bar will be closed per OLCC regulations.

Alcohol service is only allowed at private events with fewer than 500 attendees.

Bottled Water:
The promotion or marketing of bottled water to PSU students and staff, including images of the bottled water on event signage or the name or logo of a bottled water company as an event sponsor, is prohibited.

Film, Photography & Videography:
All requests to shoot films, TV commercials and still pictures on campus must be approved by University Communications and must have a signed location agreement prior to shooting. Taking pictures or filming scheduled events at PSU does not require a location agreement with University Communications. All photographs, filming, videography or sound recordings in PSU event space is at the discretion of the group that has booked the space. They reserve the right to allow or to bar recording of their event. Any party who refuses to stop recording an event after being asked to stop by the scheduled group is in violation of the Conduct Procedure and is subject to being removed from the premises.
Live Music and Indoor Sound

Live music, regardless of whether it is acoustic or amplified, is only allowed at the following locations:

- Parkway North
- SMSU Ballroom
- University Place Hotel

Live music is not allowed at any other event venues. The sound level for all meeting rooms cannot exceed 55 decibels as measured from inside any other meeting room. Events are required to reduce sound level if requested to do so by Conferences & Events personnel even if they are not exceeding the maximum sound level.

Permanent Fixtures

All non-portable furniture, built-in AV, and artwork are permanent fixtures of the meeting rooms in which they reside and may not be moved, removed, or taken down for any event.

Ballroom Lighting:

The SMSU Ballroom’s stage and house lighting is designed to provide several pre-set options in an effort to provide utility for as many events as possible. Clients may use any of the pre-set options to light the stage and seating area of the SMSU Ballroom, however, clients may not manually adjust the truss lighting over the stage, or change any of the pre-set lighting options. Any unauthorized adjustments to the permanent lighting in the SMSU Ballroom will result in additional fees charged to the event. If additional lighting is needed to supplement the lighting provided in the SMSU Ballroom, it must be arranged separately by the client and must be set up and taken down within the Event Time of the event’s EMS Reservation, unless otherwise arranged with SMSU Operations.

Ticketing Procedure:

Any event that is selling tickets is required to use the PSU Box Office for their ticket sales. This rule does not apply to conference registration fees.

Event Set-up and Decoration:

Client may arrive to decorate and otherwise prepare for event after the beginning of the Event Start Time on the event’s EMS Reservation. SMSU property (i.e. ladders, carts, etc.) may not be used unless previous arrangements have been made with SMSU management. Materials may not be placed on walls unless adhered by painter’s tape, or thumb tacks (on tack board walls only). Hand out materials may be distributed from tables booked for event, but may not be left on public furniture or taped to doors or walls in the SMSU. The following items are prohibited from use in the SMSU:

**Event-Related Machinery:**
Appliances and machines which affect air quality, visibility and/or pose a damage risk to floors and walls (i.e. fog machines, smoke machines, gas or propane powered engines) are not allowed in SMSU or any event spaces scheduled by Conferences & Events.

**Computer Network Access:**
Access to the University computer network is available in each meeting room in SMSU via a hardwired connection. Most spaces in SMSU have wireless network access, but signal strength may vary by location.

To connect to the network:
1. Bring a computer with Ethernet capability and a 10BaseT connector cable with an RJ45 plug. Your computer should have browser software to access the Internet, and any other specialized software you need to access University restricted servers.
2. If using a computer with wireless capabilities, please refer to the manufacturer's instructions on how to connect to a wireless network.
3. Upon connecting to the network, you will be prompted to provide your ODIN account and password. If you are an outside user and do not have an ODIN account, contact your scheduler in advance, and a temporary account will be created for you.

The University network utilizes a DHCP service, which provides an IP address to each computer plugged into the system. On a Macintosh, go to the Appletalk control panel and connect via Ethernet. Then go to the TCP/IP control panel and in the setup dialog set configure to Using DHCP Server. (You may have to restart after this.)

On a Windows based computer, go to the Control Panel, Network, find TCP/IP Protocol, and check the box Enable Automatic DHCP Configuration. Restart the computer. (The path may be different depending on the particular version of Windows.)

**Additional Furniture and Equipment:**
If additional furniture or equipment is needed for an event in the Smith Union or Hoffmann Hall, the client must arrange to have it provided by Conferences & Events prior to the event at the client’s expense.

- 6’ rectangular tables
- Indoor chairs
- Outdoor chairs

If additional furniture or equipment is needed that Facilities cannot provide, the delivery, set-up and removal of additional furniture and equipment must be coordinated with an outside provider to occur within the time the space is reserved (aka event time).

**Additional Building Hours Requests:**
Requests to extend events beyond SMSU or Hoffmann building hours (7am-10pm, Mon-Sat, 9am-6pm, Sun) will only be accepted for events on Fridays, Saturdays, and Sundays and may go no later than 12am for Friday and Saturday events, or 8pm on Sundays. Requests for additional building hours will be approved on a case by case basis by SMSU Management depending on the ability of building operations to accommodate the request. Requests for additional building hours must be received 10 business days prior to the event date for consideration.

All events approved for additional building hours use will be assessed an additional building hours fee of $20 per hour for PSU Departments and Student Organizations and $100 per hour for external clients.
