CONTRACT

As a chaperon for the Hanban “Chinese Bridge” U.S. High School Students Summer Camp in China, I understand that my selection and participation are based upon the merits of my application and that the information I have provided about myself during the application process and in the selection interviews is accurate and truthful.

I also understand that my participation in this program is contingent upon the following conditions:

1. I agree to submit all pre-departure paperwork in a timely and professional manner. My acceptance to the program is, in part, determined by the timeliness of the required documents. Furthermore, if the host country to which I am going has visa requirements, I understand that it is my responsibility to be informed about those requirements and to comply with the instructions given to me for the visa process.

2. I understand that my program application along with supporting documentation will be released to China's Office Of Chinese Language Council International (Hanban) as the host organization and that my acceptance into the program is subject to their approval.

3. I understand that the pre-departure orientation for my program is part of my job and that I will make arrangements to attend that orientation. I understand that missing the pre-departure orientation is grounds for revocation of my acceptance to the program.

4. I agree to fully participate in the “Chinese Bridge” Summer Camp program to the best of my abilities.

5. I agree to represent my home school and the State of Oregon in a civil and socially mature manner. I understand that my behavior reflects on the entire program group and the State of Oregon. I also understand that the standards of behavior that might be acceptable at my home school may not be acceptable in a different cultural setting.

With my signature on this Learning Agreement, I wish to activate my application for the 2014 “Chinese Bridge” U.S. High School Students Summer offered by the Office Of Chinese Language Council International (Hanban) I have indicated.
