Form D

Initial Counselor Education Internship Term Report

Candidate’s Name: ___________________________________    Term/Year: ____________________

Internship Site: _______________________________________     Supervisor: ____________________

Authorization Level (circle):      EC/EL        MS/HS                 Term:      Fall       Winter      Spring

This form should be completed & discussed during the student-supervisor conference at the
closure of each term of internship EXCEPT the final term in which form E, the Final Summary
Report, should be used. A copy of this report must be submitted to PSU each term.

The information reported on this form presents summary judgments by the candidate’s supervisors about
his/her performance on the counseling competencies prescribed by TSPC.

Directions:  Check the appropriate box by the area of competence to attest to the candidate’s
performance in the competency area.

Circle the most appropriate response for each item within each competency area.

| Site Supervisor | University Supervisor | 1. School Counseling Program: Candidate has the
|-----------------|-----------------------| knowledge, skill, ability, and cultural competence to
develop and deliver a school counseling program that is
comprehensive, demonstrates continuous improvement, and
advances the mission of the school. Candidate:
| ☐ has met       | ☐ has met             |
| ☐ has not met   | ☐ has not met         |
| 1 2 3 4         | 1 2 3 4               |
| 1 2 3 4         | 1 2 3 4               |
| 1 2 3 4         | 1 2 3 4               |
| 1 2 3 4         | 1 2 3 4               |
| a. Knows the history, philosophy, and current trends in school counseling and educational programs. |
| b. Can develop, design, implement, monitor, and evaluate a comprehensive developmental and inclusive school counseling program that integrates Oregon’s four developmental domains: academic (learn to learn), personal/social (learn to live), career (learn to work), and community involvement (learn to contribute). |
| c. Can prepare action plans and school counseling calendars that reflect appropriate time commitments and priorities in a comprehensive developmental and inclusive school counseling program. |
| d. Can align the school counseling program with the academic and student services program in the school. |
### 2. School Counseling and Student Competencies

Candidate has the knowledge, skill, ability, and cultural competence to apply deep and broad understanding of Oregon’s four developmental domains. Candidate:

- **a.** Can integrate a school counseling program into the total school curriculum by systematically providing information and skills training to assist preK-12 students in maximizing their academic, career, and personal/social development, as well as their ability to make a positive contribution to their school or community.
- **b.** Can identify student competencies related to the four domains and implement processes and activities to assist students in achieving these competencies.
- **c.** Has knowledge and understanding of community, environmental, and institutional factors that enhance, as well as barriers that impede, student success.
- **d.** Can develop constructive partnerships with parents, guardians, families, and communities in order to promote each student’s success in the 4 developmental domains.

### 3. Human Growth and Development

Candidate has the knowledge, ability, skill, and cultural competence to apply comprehensive, in-depth knowledge of human growth and development to improve student learning and well-being. Candidate:

- **a.** Can develop coordination, collaboration, referral, and team-building efforts with teachers, parents, support personnel, and community resources to promote program objectives and facilitate the successful student development and achievement of all students.
- **b.** Can implement strategies of leadership designed to enhance the educational success of all students.
- **c.** Can implement developmental approaches to assist all students and parents at points of educational transition (e.g., home to elementary school, elementary to middle to high school, high school to postsecondary education and career options).

### 4. Counseling Theories and Techniques

Candidate has the knowledge, ability, skill, and cultural competence to demonstrate a comprehensive understanding of established and emerging counseling theories. S/he possesses a thorough knowledge of techniques and processes that form the foundation for effective school counseling with a diverse population. Candidate:

- **a.** Can develop and implement prevention and crisis plans and intervention strategies.
- **b.** Can develop and implement individual and small-group counseling approaches that promote school success in each of the four domains.
- **c.** Can develop and implement individual, group, and classroom guidance approaches systematically designed to assist all students in each of the four domains.
### 5. Equity, Fairness and Diversity
Candidate has the knowledge, ability, skill, and cultural competence to model and promote behavior appropriate in a diverse and global society by showing respect for and valuing all members of the community. S/he demonstrates fairness, equity, and sensitivity to every student, and s/he advocates for equitable access to instructional programs and activities. Candidate:

- Can advocate for all students and for effective school counseling programs that serve all students.
- Understands the role of racial, ethnic, and cultural heritage, nationality, socioeconomic status, family structure, age, gender, sexual orientation, religious and spiritual beliefs, occupation, physical and mental status, and equity issues in school counseling.
- Can apply strategies and methods of working with parents, guardians, families, and communities to empower them to act on behalf of their children.

### 6. School Climate
Candidate has the knowledge, ability, skill, and cultural competence to work to establish and foster an emotionally, socially, and physically safe learning environment for students, staffs, and families. Candidate:

- Can promote and integrate the use of counseling and guidance programs and activities by the total school community to enhance a positive school climate.
- Understands the role, function, and professional identity of the school counselor in relation to the roles of other professional and support personnel in the school.
- Can demonstrate the ability to plan for and present school counseling-related educational programs to administrators, teachers, parents, and the community.
7. **Collaboration with Family and Community:** Candidate has the knowledge, ability, skill and cultural competence to work collaboratively with families and community members to achieve common goals for the education of students, improvement of schools, and advancement of the larger community. Candidate:

a. Is knowledgeable of the community and community resources, and can utilize available resources to make appropriate referrals based on the needs of students.

b. Understands contextual dimensions of school counseling and the ecological relationships among and between community systems, family systems, and school systems, and how they interact to influence the students and affect each system.

c. Can develop strategies to promote, develop, and enhance effective collaboration with families, and teamwork within the school and larger community.

8. **Informational Resources and Technology:** Candidate has the knowledge, ability, skill, and cultural competence to be skilled in the selection and use of informational resources and technology and use them to facilitate the delivery of a comprehensive school counseling program that meets student needs. Candidate:

a. Can use technology and data in the design, implementation, monitoring, and evaluation of a comprehensive school counseling program.

b. Has knowledge of and can use current and emerging technology in education and school counseling to assist students, families, and educators in using resources that promote informed academic, career, and personal/social choices.

9. **Student Assessment:** Candidate has the knowledge, ability, skill, and cultural competence to understand the principles and purposes of assessment, and the collection and use of data. Candidate:

a. Can regularly monitor student progress and communicate the purposes, design, and results of assessments to appropriate audiences.

b. Can use, analyze, manage, and present data from school-based information (e.g. standardized testing, grades, enrollment, attendance, retention, placement, college eligibility), surveys, interviews, focus groups, and needs assessments to improve student outcomes and program effectiveness.

10. **Leadership, Advocacy, and Professional Identity:** Candidate has the knowledge, ability, and cultural competence to work as a leader and advocate in the promotion of student learning and achievement. Candidate:

a. Adheres to ethical practices.

b. Understands current issues, policies, laws, and legislation relevant to school counseling.

c. Engages in professional growth and development.
11. Reflective Practice: Candidate has the knowledge, ability, skill, and cultural competence to integrate their knowledge, skills, and life experience to respond effectively to new or unexpected critical events and situations. Candidate:

a. Monitors and refines his/her work with continuous, in-depth reflection.
