Introduction

Portland State University (Portland State University) sets forth this affirmative action program (“AAP”) for the year from November 1, 2018 through October 31, 2019, reaffirming its commitment to the spirit and letter of affirmative action law. Through the implementation of this plan Portland State University continues its efforts to comply with appropriate government regulations and to make the best possible use of personnel while contributing to the betterment of society and the community.

In developing this AAP, Portland State University recognizes its duty to ensure equal employment opportunity. The following statement of policy reinforces that belief.

Equal Employment Opportunity Policy Statement

41 C.F.R. § 60-300.44(a)

In setting forth this plan Portland State University reaffirms its belief and commitment in equal employment opportunity for all employees and applicants for employment in all terms and conditions of employment. Yesenia Gutierrez, as the EEO Administrator, oversees the plan development, modification, implementation, and reporting requirements and conducts management updates. Portland State University’s [top U.S. executive, such as its CEO or Chief of its U.S. division of a foreign University] supports Portland State University’s AAP.

Portland State University provides for an audit and reporting system regarding Portland State University’s affirmative action responsibilities under the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended (“VEVRAA”) regulations, and assigns overall responsibility for the implementation of affirmative action responsibilities under these regulations.

Portland State University recruits, hires, trains and promotes persons in all job titles, and ensures that all personnel actions are administered without regard to protected veteran status; and ensures that all employment actions are based only on valid job requirements. Portland State University’s employees and applicants are not subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in or may engage in any of the following activities:

1. filing a complaint with Portland State University or with Federal, state, or local agencies regarding the status covered under this AAP;
2. assisting or participating in any investigation, compliance review, hearing, or any other activity related to the administration of any Federal, State, or local requiring equal employment opportunity for protected veterans;
3. opposing any act or practice made unlawful by Section 503 or its implementing regulation, or any other Federal, State or local law requiring equal opportunity for protected veterans; or
4. exercising any other right protected by VEVRAA or its implementing regulations.

Portland State University's full AAP, absent the data metrics required by 41 CFR § 60-300.44(k), is available for inspection upon request at the location and during the hours that are posted at Portland State University's establishment [or during regular working hours] at Portland State University's Human Resources Office.

Definitions. For the purposes of this AAP, the term "Protected Veteran" shall be defined as follows, according to the VEVRAA regulations:

Active Duty Wartime or Campaign Badge Veteran means a veteran who served on active duty in the U.S. military, ground, naval, or air service during a war or in a campaign or expedition for which a campaign badge has been authorized, under the laws administered by the U. S. Department of Defense.

Armed Forces Service Medal Veteran means any veteran who, while serving on active duty in the U.S. military, ground, naval, or air service, participated in a United States military operation to which an Armed Forces service medal was awarded pursuant to Executive Order 12985.

Disabled Veteran means:

1. A veteran of the U. S. military, ground, naval, or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Secretary of Veterans Affairs, or
2. A person who was discharged or released from active duty because of a service-connected disability.

Protected Veteran means a veteran who is protected under the non-discrimination and affirmative action provisions of VEVRAA; specifically, a veteran who may be classified as a "disabled veteran," "recently-separated veteran," "active duty wartime or campaign badge veteran," and/or an "Armed Forces Service Medal Veteran" as defined by this AAP and VEVRAA.

Recently-Separated Veteran means any veteran during the three-year period beginning on the date of such veteran's discharge or release from active duty in the U.S. military, ground, naval, or air service.

Pre-JVA veterans are those who would be protected by 41 C.F.R. Part 250 if it were not rescinded, but would not be protected under 41 C.F.R. Part 300.

Review of Personnel Processes

41 C.F.R. § 300.44(b)

1. Portland State University ensures its personnel processes provide for careful, thorough, and systematic consideration of the job qualifications of applicants and employees who are known protected veterans for job vacancies filled either by hiring or promotion, and for all training opportunities offered or available.
2. Portland State University also ensures that when a protected veteran is considered for employment opportunities, Portland State University relies only on that portion of the individual's military record, including his or her discharge papers, relevant to the requirements of the opportunity in issue.
3. Portland State University ensures that its personnel processes do not stereotype protected veterans in a manner which limits their access to all jobs for which they are qualified.
4. Portland State University periodically reviews such processes and makes any necessary modifications to ensure that these obligations are carried out. A description of the review and any necessary modifications to personnel processes or development of new processes is included in this AAP.
5. Portland State University designs procedures that facilitate a review of the implementation of this requirement by Portland State University and the Government. The procedures Portland State University uses are as follows:
 - a. the application or personnel form of each known applicant who is a protected veteran is annotated to identify each vacancy for which the applicant was considered, and the form will be quickly retrievable for review by the Department of Labor and Portland State University's personnel officials for use in investigations and internal compliance activities.
 - b. The personnel or application records of each known protected veteran includes (i) the identification of each promotion for which the protected veteran was considered, and (ii) the identification of each training program for which the protected veteran was considered.
 - c. In each case where an employee or applicant who is a protected veteran is rejected for employment, promotion, or training, Portland State University prepares a statement of the reason as well as a description of the accommodations considered (for a rejected disabled veteran). The statement of the reason for rejection (if the reason is medically related), and the description of the accommodations considered, is treated as confidential medical records in accordance with § 60-300.23(d). These materials are available to the applicant or employee concerned upon request.
 - d. Where applicants or employees are selected for hire, promotion, or training and Portland State University undertakes any accommodation which makes it possible for it to place a disabled veteran on the job, Portland State University makes a

record containing a description of the accommodation. The record is treated as a confidential medical record in accordance with § 60-300.23(d).

Physical and Mental Job Qualifications

41 C.F.R. § 300.23 and 44(c)

1. Portland State University adheres to a schedule for the periodic review of all physical and mental job qualification standards to ensure that, to the extent qualification standards tend to screen out qualified disabled veterans, they are job-related for the position and are consistent with job necessity.
2. Whenever Portland State University applies physical or mental qualification standards in the selection of applicants of employees for employment or other change in employment status such as promotion, demotion or training, to the extent that qualification standards tend to screen out qualified disabled veterans, the standards shall be related to the specific job or jobs for which the individual is being considered and consistent with business necessity. Portland State University reviews its job descriptions and qualifications to ensure they accurately reflect job duties and responsibilities. The schedule is as follows annually; as new job qualifications are established; and/or, when new equipment is installed.
3. No pre-employment physical examinations or questionnaires are used by Portland State University prior to a job offer contingent on such examinations and other requirements.
4. Portland State University may use as a defense to a violation of its obligations in Paragraph 2 above that an individual poses a direct threat to the health or safety of the individual or others in the workplace.
5. When Portland State University conducts a medical examination or inquiry of a protected veteran it will do so according to the terms and conditions of the VEVRAA and Section 503 regulations, and the results of such an examination or inquiry are kept confidential according to federal regulations, which includes the following exceptions:
 - a. Supervisors and managers may be informed regarding restrictions on the work or duties of the applicant or employee and necessary accommodations;
 - b. First aid and safety personnel may be informed, when appropriate, if the disability might require emergency treatment; and,
 - c. Government officials engaged in enforcing the laws administered by the OFCCP regarding individuals with disabilities or protected veterans, or enforcing The Americans with Disabilities Act (“ADA”) and The Americans with Disabilities Act Amendment Act of 2008 (“ADAAA”), shall be provided relevant information on request.

Reasonable Accommodation

41 C.F.R. § 41 C.F.R. §60-300.44(d)

1. It is Portland State University's policy as a matter of nondiscrimination to make reasonable accommodation to the known physical and mental limitations of all otherwise qualified disabled veterans unless it can demonstrate that the accommodation would impose an undue hardship on Portland State University's business, in accordance with the terms and conditions of Section 503 regulations. Undue hardship will be determined by its definition under applicable regulations under Section 503 including, but not limited to the following: Undue hardship means, with respect to the provision of an accommodation, significant difficulty or expense incurred by the contractor, when considered in light of the factors set forth in 41 CFR § 741.2 (aa)(2), such as the overall financial resources of the facility and the impact of the accommodation upon the operation of the facility (this is not an all-inclusive list).
2. As a matter of affirmative action, if an employee who is known to be a disabled veteran is having significant difficulty performing his or her job and it is reasonable to conclude that the performance problem may be related to the known disability, Portland State University confidentially notifies the employee of the performance problem and inquires whether the problem is related to the employee's disability.
3. If the employee responds affirmatively, Portland State University confidentially inquires whether the employee is in need of a reasonable accommodation.

Review of Personnel Processes 41 C.F.R. § 741.44(b)

1. Portland State University ensures its personnel processes provide for careful, thorough, and systematic consideration of the job qualifications of applicants and employees with known disabilities for job vacancies filled either by hiring or promotion, and for all training opportunities offered or available.
2. Portland State University also ensures its personnel processes do not stereotype individuals with disabilities in a manner which limits their access to jobs for which they are qualified.
3. Portland State University also ensures its applicants and employees with disabilities have equal access to its personnel processes, including those implemented through information and communications technologies.
4. Portland State University provides necessary reasonable accommodation to ensure applicants and employees with disabilities receive equal opportunity in the operation of personnel processes.
