GSE Assessment Fair
2014

Postsecondary, Adult, and Continuing Education (PACE)

FACULTY:

Becky Boesch
Christine Cress
Ramin Farahmandpur
Karen Haley
Andy Job
Cheryl Livneh
Candyce Reynolds
Dwight Rundle
Michael Smith
Question:

What is the inter-rater reliability for grading our Master’s comprehensive exam after revising the PACE learning outcomes?
Collect Data

Data Collection Tools/Method:

- Rubric developed to score Comprehensive Exam
- Scores by faculty reader
Data:
• 5 learning outcomes
• 2 faculty readers per exam
• 6 terms of data

Analysis/Conclusions:
• Inter-rater reliability = .84 to 1.00
• Confirmed our inter-rater reliability
Action steps:
• Continue using the rubric in scoring exams
• Integrate the rubric and learning outcomes into coursework prior to the comprehensive exam

Take Action
Follow up from 2012-13 action items:

Used results of student survey for course planning

• New formats for course offerings
• Balanced all formats across terms
• New one-credit courses being developed and offered -- well enrolled 2013-14
