GSE Assessment Fair 2012

Early Intervention/Special Education

On Campus and BEES (Online)
Ask a Question

Question:

What are the strengths of the program?
Collect Data

Data Collection Tools/Methods:

- Questionnaire
- Completed by students at mid-program
- BEES students at end of program
Data: Responses from students

Analysis: Responses are read to identify themes

Conclusions:

Supportive instructors
Field experiences
Cohort model
Addressing diversity
Specific assessment methodology

Designing individual instructional plans
Using evidenced-based practices
Incorporating research
Action steps:

- Continue to work with district partners to obtain high quality field experience placements
- Continue to refine our program
