Student: Submit a pdf of your project, complete with an Abstract or Executive Summary, to your adviser and also to pdxscholar@pdx.edu Note if you would like the work to be embargoed, and if so if the timeframe for embargo.

Adviser: upload a copy of the project to the idrive projects folder at I:\Staff\ESR\ESM and submit a single signed original copy of this form with your electronic project report to the ESM office.

Chair: Notify OGS that the project requirements have been met by completing the DARS exception for non-course project; sign the form and return it to staff to file in student's folder
