SUBJ: Notice of Senate Actions

On November 4, 2013 the Senate voted to approve the Online Grade-to-Grade Change Policy recommended by the Scholastic Standards Committee:

The instructor of record can make grade-to-grade changes online through Banweb within one year of the term in which the course was offered. The Registrar's Office will provide Department Chairs with a report at the conclusion of each term that includes all grade-to-grade changes made within that term.

11/19/13—OAA confirms the recommendation and approves the Online Grade-to-Grade Change Policy.

The Senate also approved the Consent Agenda for new courses and course changes as listed in Appendix E-1c.

11/19/13—OAA concurs with the acceptance of the Consent Agenda for new courses and course changes.

Best regards,

Leslie McBride
Presiding Officer of the Senate

Martha W. Hickey
Secretary to the Faculty
