FOREWORD

The Faculty Governance Guide is provided to facilitate faculty governance. It contains the Constitution of the Portland State University Faculty, operating Procedures and deadlines for Faculty Senate and its standing committees, and the Interinstitutional Faculty Senate Constitution. The Guide also includes the rosters of Faculty Senate, of constitutional and all university administrative committees, and of PSU’s Interinstitutional Faculty Senators. The Guide is updated in September and February on Faculty Senate (www.pdx.edu/faculty-senate) and Office of Academic Affairs (www.pdx.edu/academic-affairs) web pages. To inquire about updates to committee appointments, other listings, or text since the most recent publication, please contact the Secretary to the Faculty.

Membership in the PSU Faculty includes all full-time faculty holding, at a minimum, an earned Master’s degree, and “whose primary responsibility is for such fundamental areas as curriculum, subject matter, and methods of instructions, research, faculty status, and those aspects of student life that relate to the education process.” All such full-time employees of PSU are entitled to participate in faculty governance, with the exception that administrators who are ex officio members of the Faculty Senate may not serve as elected members of the Senate or on constitutional committees (Art. V, Sec. 1.1).

Meetings of the PSU Faculty are called by and presided over by the President, who is chairperson of the Faculty (Art. IV, Sec. 1). Each academic year, certain regular meetings of the Faculty take place, including Convocation and Graduation. Other meetings are convened by the President as needed. Additionally, a meeting of the PSU Faculty may be called by written request of 7.5 percent of faculty members (Art. IV, Sec. 3). Until the mid-1960’s the faculty met routinely as a whole to execute governance responsibilities, but PSU’s growth meant the continuing expansion in size and scale of faculty governance. The Faculty determined at that time that regular business of the faculty be conducted through a representative body, the Faculty Senate, and accordingly amended the Constitution.

The PSU Faculty Senate meets regularly on the first Monday of every month during the academic year at 3:00 p.m. in Cramer Hall 53. If the agenda is not concluded, the meeting is continued to the following Monday. The Constitution also provides that a special meeting of the Senate may be called upon written petition by five Senate members (Art. V, Sec. 3.3). Any member of the faculty may propose agenda items to the Presiding Officer, for consideration by the Senate Steering Committee. The Constitution provides that the Senate must consider any agenda item proposed by petition of 10 percent of the faculty (Art. IV, Sec. 6). Faculty Senate meetings are public, and all faculty members are cordially invited to observe.

Elections for the PSU Faculty Senate, the Advisory Council and the Interinstitutional Faculty Senate are conducted simultaneously in May of the academic year. In February the roster of faculty eligible to participate in faculty governance is reviewed and certified according to constitutional provisions. Faculty who are certified and serve below the rank of academic dean are notified of their eligibility to stand for elective office by the Faculty Election Opt-In Survey, and are requested to provide return notice that they would like to serve. At the end of April, lists of faculty willing to run for election to Senate, Advisory Council and IFS are provided to all faculty for balloting purposes. Ballots are distributed to all for Advisory Council and IFS, and by divisions for Senate. Runoffs are conducted where necessary.

The foundation of effective faculty governance is the committee process. Constitutional committees report to the Faculty Senate, administrative committees report to the President or his designee, and ad hoc committees and task forces report as charged. Recommendations for action pertaining to any area of faculty jurisdiction (Art. III, Sec.1), may be made to the Senate by any all-university faculty committee, as well as by the Advisory Council or PSU’s Senators to IFS. One constitutional standing committee, the Committee on Committees, is made up entirely of members of the Faculty Senate, elected by divisional caucuses The Committee on Committees determines all faculty appointments to constitutional committees, and makes nominations to the President for faculty appointments to many administrative committees. The Advisory Council nominates faculty memberships for ad hoc presidential committees. In order to determine faculty interest in specific committee service, the Faculty Committee Preference Survey is conducted each spring. Between annual surveys, faculty may indicate new interests or update availability by contacting the Secretary to the Faculty. Committee schedules and proceedings are administered by the respective chairs and faculty who would like to observe meetings should contact the appropriate chair for details.

Please contact the Secretary to the Faculty for inquiries and concerns related to faculty governance. The Secretary’s office is in the Office of Academic Affairs, Market Center 650; mail code OAA; telephone 503-725-4416; fax 503-725-5262; e-mail: secretary@pdx.edu or contact form at http://www.pdx.edu/faculty-senate/contact.

Richard H. Beyler, Secretary to the Faculty
PREAMBLE
To ensure the orderly development of our educational programs and policies; to facilitate communications and cooperation among our officers of administration and ourselves as a university faculty; and to promote the stable growth and continued improvement of higher education in the State of Oregon, we, the Faculty of Portland State University, do hereby subscribe to this document as a constitutional statement of our Faculty organization and its various functions and responsibilities.

ARTICLE I. NAME
The organization herein defined shall be known as the Portland State University Faculty, or the Faculty.

ARTICLE II. MEMBERSHIP OF THE FACULTY
The Faculty shall consist of the President of Portland State University, and all persons who hold appointments with the rank of professor, associate professor, assistant professor, or instructor, and whose full-time equivalent is at least fifty percent teaching, research, or administration at Portland State University. Unranked members of Portland State University who are certified by the Provost to have academic qualifications sufficient to justify appointment at one of the above mentioned ranks, whose primary responsibility is for such fundamental areas as curriculum, subject matter, and methods of instruction, research, faculty status, and those aspects of student life that relate to the education process, and whose full-time equivalent is at least fifty percent teaching, research, or administration at Portland State University shall also be included in the faculty regardless of title. The University Faculty reserves the right to elect to membership any person who is employed full-time by the Oregon University System.

ARTICLE III. FACULTY POWERS AND AUTHORITY

Section 1. Faculty Powers
The Faculty shall have power, subject to legal limits, to take action to promote faculty welfare. The Faculty shall have power to act upon matters of educational policy, to enact such rules and regulations as it may deem desirable to promote or enforce such policies, and to decide upon curricula and new courses of study. This power shall include, but not be confined to, action upon the establishment, abolition, or major alteration of the structure or educational function of departments or of programs which include more than one department or instructional unit of the University. The Faculty will normally exercise this power through its representative, the Senate. The Faculty shall, however, have the appellate power to review all actions by the Senate, whenever an appeal is made from Senate action as hereinafter provided.

In all matters, except those granted to the Senate, the Faculty shall have original jurisdiction. Whenever the Faculty is acting within its province as herein designated, its actions shall be effective unless they involve an increase in the expense of instruction or administration. Whenever such an increase is involved, whether by action of the Faculty or Senate, the President shall report the action to the Board of Trustees with his or her recommendations.

University-wide academic requirements shall not be suspended or modified without prior consideration by the Faculty Senate. In an emergency, the Academic Requirements Committee and/or the Graduate Council; the Advisory Council, and the Presiding Officer of the Senate shall first be consulted. Notification of any change made shall be submitted to the Senate immediately with a request for ratification.

The University shall not establish, abolish, or effect major alteration in the structure or educational function of departments or of programs, including those of more than one department or academic unit, without prior action by the Faculty Senate upon advice of the Educational Policies Committee.

Section 2. Faculty Authority
The authority of the Faculty is based upon the need for appropriately shared responsibility and cooperative action among the components of the academic institution and upon law and the Administrative Rules of the Oregon State System of Higher Education. The principle of shared authority is based upon the recognition that important areas of action involve at one time or another the initiating capacity and decision-making participation of all the institutional components, and that differences in the weight of each voice, from one point to the next, should be determined by reference to the responsibility of each component for the particular matter at hand. The Faculty has primary responsibility for such fundamental areas as curriculum, subject matter, and methods of instruction, research, faculty status, and those aspects of student life that relate to the education process.

Section 3. Faculty Authority in the Selection of Higher Administrative Officers
The selection of principal administrative officers above the departmental level shall normally involve the active participation of representative Faculty committees; these may be augmented by student and community membership as judged appropriate by the appointing authority. Prior to the creation or abolition of a principal administrative office, the Advisory Council shall normally be consulted by the President, and the Council may ask for wider Faculty consideration.
Section 4. Faculty Authority in the Selection of Department Chairpersons

The Faculty of each department shall elect its chairperson. The Faculty shall decide, by secret ballot of all full-time members (0.5 FTE or more), the mode of election. The procedures shall be published and filed with the Office of Academic Affairs. They shall be implemented by April 15 of the department chair’s third year in office and otherwise upon the occurrence of a vacancy in the office of department chairperson. Any revisions of the procedures must be made and filed at least one month before an election.

The department shall forward the name of its choice to the appropriate dean, who shall promptly review it and forward it to the Provost, who shall promptly review and forward it to the President.

The dean and the Provost may attach comments concerning the ability and willingness of the elected members (0.5 FTE or more), the mode of election. The department shall forward its choice of chairperson and shall forward promptly its decision to the dean, who shall promptly review it and forward it to the Provost for review and transmission to the President. If the department has elected another person than the one originally elected, the President shall proceed as with the previous election.

If the department elects not to alter its choice, and the President still will not accept the department’s choice for chairperson, then the matter shall be submitted promptly to the Advisory Council for mediation. If mediation is unsuccessful in achieving a resolution satisfactory to both the department and the President, then the department shall conduct another election to select another person.

The department chairperson shall serve a stated term of three (3) years. Eligibility for re-election shall be determined by departmental procedures.

However, before the first meeting of the fall term each senator shall designate in writing to the Secretary to the Faculty an alternate who shall serve in the senator's absence with full rights and powers. A senator may change his or her alternate at any time by so informing the Secretary in writing. A senator who takes a leave of absence or sabbatical leave for one academic year or more, or is absent for more than three consecutive meetings must resign his or her Senate seat, which shall be filled in accordance with Section 2, Paragraph 5 of this Article.

**Section 2. Election of the Senate**

1) **Determination of Divisional Representation.** By the first Monday in March of each year, the chief administrative officer of each division (see Article V, Section 1, Paragraph 2) shall report to the Secretary to the Faculty the name of each faculty member, and the number of full-time equivalent faculty assigned to each division. At the same time, names of regular faculty and the number of full-time equivalent faculty in programs not in any division shall be reported by the chief academic administrative officer and the vice presidents, or their designees, to the Secretary to the Faculty. These Faculty shall be assigned by the Senate Steering Committee to divisions as prescribed in Article V, Section 1, Paragraph 2. The Secretary to the Faculty, under the supervision of the Senate Steering Committee, shall then determine the number of senators to be allocated to each division, apportioning one senator for each multiple of twenty full-time equivalent faculty with an additional senator for any remainder of 10.0 or more full-time equivalent faculty. Any division with fewer than twenty full-time equivalent faculty shall have one senator. A newly instituted division shall elect its senator(s) in the next regular senate election.

2) **Identification of Candidates.** At least eight weeks prior to the date of Senate elections, the Secretary to the Faculty shall obtain from each divisional administrative officer an approved list of the faculty members assigned to the division. No later than four weeks before the Senate election, each eligible person on this list will receive an invitation to opt-in as a candidate for a Senate position. All persons whose positive opt-in is received by the Secretary to the Faculty no later than two weeks before the election will be declared final candidates.

3) **Election.** On the last Monday in April the Secretary to the Faculty, under the supervision of the Senate Steering Committee, shall mail ballots containing the names of final candidates for Senate election to faculty members of the respective divisions. Each divisional faculty member shall vote for no more than a number of candidates equal to the number of Senate vacancies occurring in his or her division for that year. The person or persons receiving the greatest number of votes shall be elected. In case of ties for the final position, run-off elections shall be held.
4) Terms and Limits of Membership. Senate members shall be chosen for three-year terms except when (1) Senators are being elected to represent a newly created division, or (2) it is necessary to arrange terms so that approximately one-third of a division's Senators shall be elected each year. In these two cases, a faculty member in the said divisions receiving the largest number of votes will be elected to three-year terms, and those with the next highest number of votes will be elected to two-and one-year terms as necessary to provide that approximately one-third of the Senate shall be elected each year. The Secretary to the Faculty shall inform each division as to the number of vacancies and length of term of each position to be elected each year.

No member shall be eligible for re-election until one year has elapsed following his or her term of office or resignation. No person shall be eligible to represent more than one division.

5) Interim Vacancies. Interim vacancies that occur in the Senate shall be filled by appointment by the Secretary to the Faculty, who shall designate to fill the unexpired term with the non-elected candidates who in the immediate past Senate election had the greatest number of votes in the division in which the vacancy exists. An interim appointee shall be eligible for election at the end of his or her term.

Section 3. Organization of the Senate

1) Officers and Their Duties. Upon delegation of authority by the President, the Senate should choose a presiding officer and a presiding officer-elect in such manner as shall be prescribed in “Functions and Procedures of the Senate.” The Presiding-Officer will serve a one-year term to be succeeded by the Presiding Officer-Elect. The outgoing Presiding Officer shall be considered as Past Presiding Officer during the year following her/his term.

The Secretary to the Faculty shall be the ex-officio Secretary of the Senate and shall keep all records of the deliberations and actions of the Senate for use by the President, members of the Faculty, and members of the Board of Trustees. The Secretary shall send to each member of the Faculty within one week of a Senate meeting a summary of all actions taken by the Senate at that meeting.

2) Rules of Procedure. The Senate is empowered to make rules governing its own internal organization and procedures, subject to the following:

a) A majority of elected members of the Senate or their alternates shall constitute a quorum for transaction of business.

b) All actions or recommendations of the Senate shall be by majority vote except as specifically required elsewhere in this Constitution.

c) Voting shall be by secret ballot if requested by any five voting members of the Senate; otherwise, on all matters which the chairperson deems of University-wide importance, voting shall be by roll-call vote.

3) Meetings of the Senate. Regular meetings shall normally be held during the academic year on the first Monday of each month at 3:00 p.m. Special meetings may be held at the call of the President or upon written petition to the Secretary by any five members of the Senate.

Section 4. Authority and Functions of the Senate

1) Authority. The Senate shall be subject to the same general legal limitations as the Faculty. Its authority shall not be construed as limiting the legal right of the President, the chief administrative officer of a division, as defined for purposes of representation, or the chairperson of a department to initiate changes in educational policy, curricula, or new kinds of work. However, no curricula offerings shall be established except with the approval of the State Board of Higher Education upon recommendation of the Senate and the President.

Whenever the Senate is acting within its proper province, its actions shall be effective without approval except that they shall be subject to appeal and review by the Faculty, as later herein provided.

2) Functions. The Senate shall:

a) Determine requirements for admissions and for degrees.

b) Act upon all new courses and curricula, changes in established curricula, and such new courses of study as involve consideration of educational policy or relations between divisions. The establishment, abolition, or major alteration of the structure or educational functions of departments or of programs which include more than one department or instructional unit of the University shall be construed as being within the meaning of this provision.

c) Receive and consider reports from faculty committees and administrative officers, and take the appropriate action thereon within the scope of its authority.

d) Encourage and conduct studies on matters of University policy.

e) Make such rules and regulations as desirable to promote the interests and policies of the University.

f) Establish such committees as necessary for the conduct of its business.

g) Inform the Faculty concerning its actions and recommendations.

Section 5. Appeal

All actions of the Senate shall be subject to review by the Faculty upon written request for an appeal submitted to the President by ten percent of the members of the Faculty. This appeal shall be made within fourteen days of the mailing date of the summaries of actions of the Senate. Any such action appealed shall be reviewed by the Faculty at a meeting called by the President for that purpose, after all faculty members have been given a two-week period of notice of the meeting. When a valid appeal has been filed under this section, no further action may be taken on the appealed motion of the Senate until the Faculty has acted
on the appeal.

Section 6. Initiative
The Faculty may petition and secure consideration by the Senate of any appropriate matter upon written request of ten percent of its members. An item to be initiated shall be presented in writing to any member of the Senate, who shall, at the next meeting, give notice of the proposal to the Senate.

ARTICLE VI. ADVISORY COUNCIL

Section 1. Election
The Faculty shall elect, during spring term by secret ballot, three members of an Advisory Council of six members, from the membership of the Faculty other than ex-officio members of the Senate (see Article V, Section 1, Paragraph 1), with no more than four members from any single Senate division, and with no more than one member from any single department. The election shall be administered by the Secretary to the Faculty under the supervision of the Senate Steering Committee. The Secretary to the Faculty shall contact eligible members of the Faculty with the directions that any potential candidate may submit his or her name if s/he wishes to be a candidate for an Advisory Council position.

Current Advisory Council members, with the exception of interim appointees having served one year or less, are to be excluded, since no member may serve two consecutive regular terms.

On the last Monday in April, ballots bearing the names of those willing to serve shall be mailed to the members of the Faculty. Each member shall vote for no more than three candidates; ballots not so marked shall be declared void. The three persons receiving the greatest number of votes shall be elected.

In case of a tie vote for the final position or positions, an additional ballot listing only the nominees involved in the tie vote shall be taken. All such election procedures shall take place before June 1.

Section 2. Date of Office Taking and Period of Service
All terms of office shall date from June 1, following the election of council members; each member shall serve for two years.

At the call of any two members, the new Council shall convene and elect a chairperson and a secretary from its membership.

Section 3. Vacancies
Vacancies on the Advisory Council occur through voluntary resignation submitted to the President by the elected member, or by interruption of service to the Council through leave of absence or sabbatical leave for one term or more.

Vacancies occurring on the Advisory Council shall be filled through appointment by the Secretary to the Faculty, who shall designate that nominee not elected who in the immediate past Advisory Council election had the greatest number of votes. An interim appointee shall complete the regular term of office. An interim appointee having served one year or less shall be eligible for election at the end of his or her term.

Section 4. Powers and Duties
The Council shall:
1) Serve as an advisory body to the President on matters of policy.
2) Serve the President as a committee on ad hoc University-wide committees.
3) Appoint membership of hearing committees and panels as required by the Administrative Regulations of the Oregon State System of Higher Education and the Faculty Conduct Code.
4) Perform those duties related to constitutional amendments, as described in Article VIII.
5) Upon its own initiative or upon the initiative of a member of the Faculty, the Senate, or the administration, give advice to the President on the meaning and interpretation of this Constitution.
6) Conduct studies and make recommendations on matters of faculty welfare to be presented to the President and/or the Senate.
7) Report at least once each year to the Senate. It may report, with or without recommendation, on any legislation, or matters referred to it. This report may be unanimous or in the form of a majority and a minority report.

ARTICLE VII.
INTERINSTITUTIONAL FACULTY SENATE

The Faculty shall elect during spring term by secret ballot one institutional representative and two alternates to the Interinstitutional Faculty Senate, from the membership of the Faculty other than ex-officio members of the Senate. The election shall be administered by the Secretary to the Faculty, under the supervision of the Senate Steering Committee, concurrently with the selection of the Advisory Council, and according to the same procedures as described in Article VI, Section 1. The person receiving the highest number of votes shall be appointed to serve a three-year term. An interim vacancy shall be filled by appointment by the Secretary to the Faculty who shall designate the non-elected nominee with the greatest number of votes to fill the unexpired term. An additional vacancy shall be filled by the third finalist.

ARTICLE VIII. AMENDMENTS
This Constitution may be amended by the members of the Senate. Notice of a proposed amendment must be accompanied by the signatures of ten elected members of the Senate and must be filed with the Secretary to the Faculty with a request that the agenda of the next Senate meeting, regular or special, include presentation of amendments. The Secretary will include in the announcement of the agenda either the text of the to-be-
proposed amendments(s) or a summary of the revision of the amendment(s).

The proposed amendment, if then introduced at the meeting, is subject to debate and modification by majority vote. After opportunity for debate and modification, the resulting version, whether or not modified, of the proposed amendment will then be transmitted by the Secretary to the Faculty to the Advisory Council, which shall review the proposed amendment for proper form and numbering. The Advisory Council will return the proposed amendment to the Secretary to the Faculty prior to the next regular meeting of the Senate. At that meeting the presiding officer shall submit the amendment to the Senate for debate and consideration of final passage.

A two-thirds majority of those present and voting shall be required for passage of an amendment to this Constitution. After this vote a mail vote of the entire Faculty may be requested by one-fourth of the members of the Senate present, and if this vote is taken, a two-thirds majority of returned ballots is necessary for passage.

All amendments to this Constitution adopted by the Senate without referral to the entire Faculty shall take effect after the Faculty has had an opportunity to exercise its rights to appeal Senate actions as set forth in Article V, Section 5.
FUNCTIONS AND PROCEDURES OF THE FACULTY SENATE

A. BYLAWS

Last amended 6 June 2016.

Article V of the Faculty Constitution describes Senate membership, election procedures, organization, authority and functions. Within certain limitations, the Senate is empowered to make rules governing its own internal organization and procedures. The following revised statement of "The Functions and Procedures of the Faculty Senate" was approved at the meeting of May 5, 1973 and last amended October 2012 and June 2015.

Meetings

As required by the Portland State University Faculty Constitution, the Faculty Senate meets normally on the first Monday of each month during the academic year. All Faculty members may attend Senate meetings as visitors; Senators may request privilege of the floor for visitors at meetings. Special meetings during the academic year may be held at the call of the President of the University, the Senate Steering Committee, or upon written petition to the Secretary by any five members of the Senate. Summer meetings of the Senate may be called during the eight-week term by the Steering Committee, with at least two academic days notice being given Senators before each meeting.

Alternates

The Constitution requires that prior to the first Senate meeting each academic year elected members must provide the Secretary with the name of an alternate who will be empowered to represent the member on occasions of absence and who will have full privileges of membership under those conditions. Senators, to facilitate the holding of summer meetings, are expected also to submit names and addresses of summer alternates (as well as their own summer addresses) to the Secretary by June 10. A senator may change his or her alternate at any time by notifying the Secretary in writing.

Resignation

The Constitution requires that a senator who takes a leave of absence, or sabbatical leave for one academic year or more, or is absent for more than three consecutive meetings must resign his or her Senate seat, which shall be filled in accordance with Article V., Section 2, Paragraph 5.

Presiding Officer Elect, Presiding Officer, and Past Presiding Officer

Upon delegation of authority by the President under Article V, Section 3, of the Faculty Constitution, the Senate shall elect from among its members, each year at the last regular scheduled Senate meeting of spring term, a Presiding Officer Elect for a term of one year. The previous Presiding Officer Elect shall thereupon become the Presiding Officer for a term of one year, and the previous Presiding Officer shall become the Past Presiding Officer for a term of one year.

Following nominations by voice or in writing to the Secretary, election of the Presiding Officer shall be by secret ballot. If no candidate receives a majority of the votes cast on the first ballot, successive run-off elections shall be held among the leading candidates whose combined votes total at least 50 percent of the votes cast, until one candidate receives a majority of the votes cast.

The Presiding Officer Elect, Presiding Officer, and Past Presiding Officer shall be members of the Steering Committee. If they are not already elected members of the Senate, they shall be ex officio members of the Senate.

The Presiding Officer shall serve for a term of one year and chair all meetings of the Senate and its Steering Committee. After completing this term, the Presiding Officer becomes Past Presiding Officer for a term of one year. If the Presiding Officer resigns or is otherwise unable to complete the one-year term, the Presiding Officer Elect shall become Presiding Officer for the remainder of the term and continue in that position in the subsequent year.

The Presiding Officer Elect shall preside in the absence of the Presiding Officer at all meetings of the Senate and its Steering Committee and, after one year serving in that position, shall succeed as Presiding Officer. If the Presiding Officer Elect resigns or is otherwise unable to complete the one-year term, the Senate shall choose a new Presiding Officer Elect at its next regular meeting, in accordance with the procedure described above.

The Past Presiding Officer shall serve in that position for one year, after completing a one-year term as Presiding Officer.

Secretary

As provided in Article IV, Section 1.2, of the Faculty Constitution, the Secretary to the Faculty shall be ex officio Secretary of the Senate.

Steering Committee

After the election of a Presiding Officer and a Presiding Officer Elect, the Senate shall elect two of its members each year to serve two-year terms as members of the Steering Committee of the Senate. Following nominations by voice or given in writing to the Secretary elections of the two members of the Steering Committee shall be by secret ballot. If two candidates do not receive a majority of the votes cast on the first ballot, successive run-off elections shall be held among the leading candidates whose combined votes total at least 50 percent of the votes cast, until two candidates receive a majority of the votes cast.

In addition to the four members each elected for two-year terms, the Steering Committee shall comprise the Presiding Officer, the Presiding Officer Elect, and the Past Presiding Officer. The Secretary to the Faculty, the Chair of the Committee on Committees, the representative from
in town will also be available to meet occasionally on the campus or in town will also be available to meet occasionally on the campus or in town will also be available to meet occasionally on campus or in town.

The Steering Committee shall meet prior to each scheduled meeting of the Senate. During the summer, the members of the Steering Committee who are on campus or in town will also be available to meet occasionally on Senate business.

The Steering Committee shall expedite the work of the Senate by:

a) Scheduling Senate action on committee work.
b) Referring problems to appropriate committees and coordinating the work of the different committees.
c) Assuring the Senate that agenda items submitted by Senate members and committees are properly prepared for Senate action.
d) Initiating motions for Senate referral to committees, or, where appropriate, for direct Senate action.
e) Making representation pursuant to Senate resolutions on educational matters and faculty interests to the State Board of Higher Education and other national, state and local government bodies. (In cases of urgency and in the absence of a Senate resolution on a policy matter at issue, the Steering Committee may make representations in the name of the Steering Committee.)

Agenda

The Constitution empowers the Senate to establish its own rules governing its agenda. The Senate has established the following rules for placing items on the agenda for regular meetings:

a) By the Presiding Officer at his or her discretion. Ordinarily the Presiding Officer will not place matters on the agenda which should have been brought before the Senate through routine means. The Presiding Officer’s prerogative in the matter is reserved for extraordinary circumstances which might require admission of unforeseeable matters to the agenda. It is not the normal function of the Presiding Officer to initiate Senate business or to relieve the Senate members from their obligations to present materials well in advance and after careful consideration. Senate members must conform to agenda rules in order to avail the body’s full membership of access to all details of proposals and motions sufficiently in advance to permit careful deliberation and consideration.
b) By notice of any member of the Senate in open meeting, providing that any two other members concur. This notice will appear in the minutes of the meeting which will be published by the Secretary.
c) By written notice of the chairperson of a faculty committee delivered to the Secretary by 12:00 noon seven calendar days after the prior Senate meeting, or after summer break, 14 calendar days before the meeting.

The agenda for special meetings will be published with the call for the meeting.

Except by a two-thirds majority of the voting members present, motions may be made and votes taken only on those subjects listed on the agenda for the meeting.

In general, the Senate meeting agenda will be constituted with these elements:

a) Roll
b) Approval of Minutes of Preceding Meeting
c) Announcements and Communications from the Floor, and Discussion Item (optional)
d) Unfinished Business
e) New Business
f) Question Period
   1) Questions for Administrators
   2) Questions from the Floor for the Chair
   g) Reports from Officers of Administration and Committees
   h) Adjournment

Senate Mailing

The full agenda of the Senate meetings will be distributed eight to ten working days before the meeting in order to give Senators a full week to study the documents and confer with their colleagues. The full mailing goes to regular members and ex-officio members of the Senate. Electronic copies of all Senate proceedings are posted at www.pdx.edu/faculty-senate.

Question Period

The Senate has adopted the following rules for this portion of the question period involving administrators:

a) Questions for administrators must be submitted to the Secretary to the Faculty by 12 noon on Monday one week preceding the Senate meeting.
b) Questions should be designated for a particular administrator President, Vice President, Provost, or Dean—who is responsible for the policy or action at issue. If the Senator drafting the question is uncertain to whom it should be directed, the Secretary will be available to help the Senator make that designation.
c) Questions should be straightforward, with no more than one or two subparts. (Additional subparts can be taken up in oral supplementary questions.)
d) Supplementary questions must be directly related to the original question. The Senator drafting the original questions will be given the first opportunity to ask a supplementary question. Equity and Robert's Rules, however, demand that other Senators have a chance to put supplementary questions before anyone has a second chance to do so.
e) The question period in any one Senate session will be allotted one-half hour on the agenda, with any additional time being at the discretion of the Presiding Officer.
**Division Caucuses**

When a division has an opening on the Committee on Committees, the division shall caucus to elect its representative(s). The meeting will be called by the outgoing representative on the Committee on Committees; if that person is no longer on campus, the meeting will be called by the Secretary to the Faculty. Normally, the caucus will take place after Senate election results are announced in May; however, when a mid-term vacancy occurs, a caucus will be called at that time. A majority of all division Senators or their alternates shall constitute a quorum for the transaction of business. Within three days after the June Senate meeting, the Secretary to the Faculty shall be informed, in writing, of the Committee on Committees representative(s), along with the names of those present at the meeting.

**B. SCHEDULE OF SENATE MEETINGS, 2016-17**

Regular Senate meetings are normally scheduled in Cramer Hall 53 at 3:00 p.m. on the first Monday of each month during the academic year. Exceptionally, the January 2017 meeting will be on the second Monday, January 9th. If necessary given the volume of business indicates, the Senate will continue meetings on the second Monday on the month. The dates are as follows:

- 3 & 10 October 2016
- 7 & 14 November 2016
- 5 & 12 December 2016
- 9 January 2017 (note change!)
- 6 & 13 February 2017
- 6 & 13 March 2017
- 3 & 10 April 2017
- 1 & 8 May 2017
- 5 & 12 June 2017

**C. PROPOSALS AND REPORTS**

Persons wishing to bring matters before the Senate should contact the Presiding Officer or Secretary to the Faculty to request the item be considered for inclusion in the agenda. The agenda for meetings is finalized seven calendar days after the prior meeting, or, after summer break, on the Monday preceding the meeting by two weeks.

Persons making regular or special reports or proposals to the Senate must meet with the Senate Steering Committee during their regular meeting, seven calendar days after the prior Senate meeting, (or after summer break on the Monday preceding the meeting by two weeks).

Reports and proposals are to be submitted in written form so that they can be reviewed by the Steering Committee and included in the Senate mailing for the appropriate meeting. Final versions of all materials to be included in the Senate mailing must be received by the Secretary to the Faculty in electronic form by the Friday after the Senate Steering Committee meeting. If the material is not received, the report or proposal may be eliminated from the agenda of the meeting.

Preparation of reports and proposals to be included in the Senate mailing are the responsibility of the chairperson of the committee and his or her department.

Pursuant to the Constitution of the Portland State University Faculty (Art. V, Sec. 1, 1), chairpersons of constitutional standing committees, members of the Advisory Council, and representatives to the Interinstitutional Faculty Senate who are not serving as elected members shall serve as ex officio members of the Faculty Senate. Ex officio Senate members do not vote, but may make motions and participate in Senate debates without special recognition.

* Also an elected senator.
Faculty Governance Committees at Portland State are established either by the Faculty Constitution or by administrative action. (See the Faculty Constitution, Section 4 of Article IV, for additional general information on Constitutional Committees.) This Guide includes both “constitutional” and “administrative” committees that are regular or standing committees. It does not include ad hoc committees which may be established from time to time to serve particular limited functions.

During academic years 1974-75 and 1987-88 the Constitution was amended so that the Committee on Committees takes responsibility for nominating or appointing members for all standing committees, that is, all committees included in the Guide unless specifically excepted. The Advisory Council nominates members for ad hoc committees (see Faculty Constitution, Article VI, Section 4).

As an aid to securing interested and appropriate nominees, the Faculty Committees Preference Survey is distributed annually to all faculty to enable them to indicate those committees on which they would like to serve. Nominations, made by the Committee on Committees, are reviewed by the Council of Academic Deans and the Executive Committee. Appointments are made by the President for one-year terms of service beginning June 15, unless otherwise indicated.

From time to time university committees may have special matters they wish to bring before the Faculty Senate. Also, all constitutional committees are required to make annual reports to that group. Procedures for inclusion on Faculty Senate agenda and annual reporting dates for committees are discussed on page 12. It should be noted that when written reports, whether special or annual, are to be made to the Senate, it is the responsibility of the committee chairperson to submit copies of the committee report to the Secretary to the Faculty for inclusion in the Senate mailings as well as to arrange to meet with the members of the Senate Steering Committee prior to the Senate meeting.

**Guidelines for Constitutional Committees**

*Guidelines for Constitutional Committees*, adopted by the Faculty Senate on 5 April 1971, are as follows:

The following recommendations are intended to be general, helpful guidelines, whose application in each committee is to be broadened or narrowed or otherwise varied according to that committee's particular needs and best judgment.

**Committee Size.** Small committees are preferable, since that tends to speed up the process, but for reasons of adequate representation, large ones can become necessary. Workloads, however, may make subcommittees desirable.

**Chairperson.** The chairperson’s chief function will be to bring out opinions by questioning, and then to develop a consensus statement. Formal votes need not be taken for every decision. The chairperson will ensure that the committee will establish working procedures, including agreement on a ‘quorum’ and selection of a secretary to draft the decision statements and the working preliminary, and final reports. These should be presented in the agenda in print, so they can be discussed, amended, polished, and approved. Work will be facilitated if the chairperson will see that the agenda include as many preliminary decision statements as possible in the form of working drafts. At his or her discretion, the chairperson may call meetings of voting members in executive session.

**Secretary.** The secretary will arrange meetings and schedule them at a time acceptable to all, if possible. He or she should notify all committee members of meetings. The minutes of each meeting should include a complete record of all decisions taken, not of the discussions and varied views expressed during the meeting. These minutes, agenda for future meetings, should be duplicated and distributed not only to committee members, but also to other persons and groups who may be interested in the decisions, which in many cases will include the dean of colleges and schools.

**All Members.** Committee members represent the colleges and schools, the student body, and the Faculty in general as they participate in the decisions and actions of the constitutional committees.

Circumstances sometimes arise which make it impossible for a person to discharge his or her responsibilities as a member of his or her committee. For example, increased commitments cause a member to be regularly unable to attend meetings; this means that his and her area and his or her colleagues are unrepresented in that committee.

It is recommended, when a committee member finds himself or herself unable to serve effectively for any reason, that s/he consider resigning from that committee. Official resignation consists of written notice to the Office of the President and the Secretary to the Faculty.

**Reports.** The committee's reports, although typically written by the chairperson, should represent committee consensus and should be prepared in time to allow committee consideration. When there is a division of opinion, the report should indicate the lack of consensus. If there is a strong division of opinion, the report should make room for a minority opinion, or at least be prepared in time for the minority to present its report at the same time as the committee report.

Constitutional committees are indicated by green headers.
