RULE SUMMARY

The proposed amendments to Portland State University's procedural rules governing the University's Code of Student Conduct and Responsibility are a result of the required review and revision of the Student Code of Conduct that takes place every three years. These revisions clarify definitions, standardize use of defined terms, revise potential violations and sanctions, clarify appeal procedures, clarify procedures regarding allegations of certain sexual offenses, and update the rules to reflect updates in other University terms and policies. A copy of the Permanent Rule Certificate and Order for Filing and the text of the proposed rules can be found at http://www.pdx.edu/fadm/rulemaking-portland-state.
