### Mandatory Fees

#### 2014-15 Academic Year

**Per Term**

The mandatory fees included in the following schedule are applicable to all PSU students and should be added to the applicable tuition charges (based on class-level and total credits) to determine total tuition and fees. In addition, fees may be charged for specific courses (lab fees, etc.) and services (parking, etc.). Contact the business office directly for information regarding any additional fees.

**Endnotes:**

1. Health Service Fee of $119/term includes services offered through the Student Health Center, counseling, dental, and testing. It does not include the health insurance premium; however, students have the option to waive the health insurance premium with proof of insurance. Please see [http://www.pdx.edu/shac/insurance-information](http://www.pdx.edu/shac/insurance-information) for more details.

2. One time matriculation fee: all new and transfer undergraduate students at $325; graduate students at $150.

3. Qualified tuition and fees do not include student health insurance fees for Tax Relief Act Reporting.

### Endnotes:

1) If a student is admitted to a school or college with a program differential and also admitted to the University Honors program, then both the program differential and Honors differential will be assessed.

2) If a student is admitted to more than one school or college with a program differential, the student’s primary major code will take precedence, and will determine the differential tuition rate to be assessed.

Mandatory Fees

Summer 2015
Per Term

The mandatory fees included in the following schedule are applicable to all PSU students and should be added to the applicable tuition charges (based on class-level and total credits) to determine total tuition and fees. In addition, fees may be charged for specific courses (lab fees, etc.) and services (parking, etc.). Contact the business office directly for information regarding any additional fees.

### Endnotes:

1) If a student is admitted to a school or college with a program differential and also admitted to the University Honors program, then both the program differential and Honors differential will be assessed.

2) If a student is admitted to more than one school or college with a program differential, the student’s primary major code will take precedence, and will determine the differential tuition rate to be assessed.
