ATTENTION CCJ Campus Program Students!

Be sure that you officially declare Criminology & Criminal Justice as your major. This will speed your path toward graduation and it’s required by the university.

[Note for CCJ-Online students: your major was declared for you when you applied for CCJ program admission.]

Instructions for Declaring an Undergraduate Major at PSU

- To change your major online, submit an Online Major Form. This form can be accessed by:
  - Going to: http://www.pdx.edu/registration/
  - On the left-hand side of the page, under “Useful Links,” click on the link to the “Online Major Change Form.”
- Once you click the link, it will ask you to login to the PSU information system.
- Read the instructions at the top of the form and make sure that you are signed in with the correct username.
- Fill out the form with your PSU ID number, last name, first name, and date of birth.
- Use the drop-down menus to select your:
  - Degree type
  - Primary major
  - Secondary major (select “none” if you only have one major)
  - Minor (select “none” if you do not have a minor)
  - Second minor (select “none” if you do not have a second minor)
  - Certificate (select “none” if you are not working towards a certificate)
  - Pre-professional program (select “none” if you are not working towards a pre-professional program)
- You may choose to have a copy of your responses sent to you by clicking a box at the end of the survey.
- After you have completed all of the information, double check it to make sure your responses are correct, then press submit at the bottom of the form.
- You will receive an email confirmation at your pdx.edu email address within 5 business days.
