2022-2023 Domestic Student Health Insurance

Health Insurance Requirement and Eligibility

Domestic Students

- All registered domestic students taking five (5) or more PSU institutional credits* during Fall, Winter and Spring/Summer terms are automatically enrolled in the PSU-sponsored Student Health Insurance Plan unless they choose to submit an approved online insurance waiver of comparable coverage.

- The cost per term is $1,108 for Fall, Winter and Spring/Summer terms. All students who have the Spring term insurance will automatically be covered through Summer term, for no added cost, regardless of graduation, vacation term, or number of Summer credit hours. The Summer Only rate is $794.

- The Student Health Insurance Plan can be used worldwide and referrals or use of Center for Student Health and Counseling (SHAC) are not required.

- If you are not enrolled in five or more credit hours by the Waiver deadline, you will not be eligible for the PSU-sponsored Student Health Insurance Plan.

*NOTE: Restricted Differential credits do not apply to the PSU health insurance mandate. These types of credits are mostly study abroad and some continuing education courses. For information: pdx.edu/student-finance/tuition. Please check the footnotes of your class descriptions or your student account to see whether or not you have been charged.

Withdrawal From School

If you leave PSU for the reason of a covered accident or sickness resulting in a medical leave of absence, you will be eligible for continued coverage under this Plan for only one term during your PSU academic career. For information to see if you qualify, please contact the SHAC Insurance Team at insurancehelp@pdx.edu.

Please make sure you understand your school's credit hour and other requirements for enrolling in this plan. PacificSource Health Plans reserves the right to review, at any time, your eligibility to enroll in this plan. If it is determined that you did not meet the school's eligibility requirements for enrollment, your participation in the plan maybe terminated in accordance with its terms and applicable law.

You can view the standard Summary of Benefits & Coverage (SBC) which is required by Health Care Reform. It summarizes your coverage in a format that all insurance companies now use. To view your plan SBC, go to: pacificsource.com/psu/
