Corpus Linguistics: Analyzing the Language Used in the One Point of Contact Camping Reports

**Figure 2. Word Sketch for Transient from Camping Reports**

![Word Sketch](image)

*Figure 2.* This word sketch was created with linguistic analysis software and shows the types of nouns, verbs, and adjectives co-occurring with the word *transient* in the One Point of Contact campsite reports. The size of the circles represents the frequency of the words. From this we can see that the word *transient*, which was used throughout the reports to refer to campers, often co-occurs with negative and illegal behaviors.
