Dear Guest(s),

Welcome to Portland State University’s Summer Housing and Conferences (SHC) program.

Portland State University moved to a majority remote environment in March 2020. However, University Housing has remained open throughout. We established strict guidelines in our residence halls in order to maintain a safe and healthy living and learning environment for all of our on-campus residents. We know that our protocols work in stemming the spread of COVID-19, when everyone is doing their part. This summer, we invite you to join us on campus with the understanding that you will also support all ongoing efforts in reducing the transmission of the virus.

This handbook will be your guide to all of the changes made to the Summer Housing and Conferences program. Our protocols are aligned with Portland State University’s COVID-19 Health and Safety Operational Plan. We will continue to make necessary adjustments as major developments arise.

Four guidelines will remain in effect for the duration of Summer 2021:
- **Masks and Face Coverings**
- **Physical Distancing**
- **Daily Self Checks**
- **Building Access: No Visitors**

Guests found in violation of any of the guidelines put forward by this handbook, Summer Housing and Conferences Contract Terms & Conditions, or Portland State University’s COVID-19 Health and Safety Operational plan will have their reservations cancelled and be required to leave campus. No refunds will be issued to these guests.

COVID-19 Guidelines

Masks/ Face coverings

Any person on PSU owned, leased or controlled property (“PSU Property”) must wear a mask or face covering while indoors, including but not limited to residence halls, classrooms, and the dining hall. Masks or face coverings are also required outdoors when on PSU Property when physical distancing expectations (at least 6 feet apart from those in different households) cannot be met.

Definitions

● Face covering – means a cloth, polypropylene, paper or other face covering that covers the nose and the mouth and that rests snugly above the nose, below the mouth, and on the sides of the face.

● Mask – means a U.S. Food and Drug Administration (FDA) cleared surgical, medical procedure, dental, or isolation mask (commonly referred to as a “surgical mask”).

● Face shield – means a transparent plastic shield that covers the wearer’s forehead, extends below the chin, and wraps around the sides of the face.

In accordance with the CDC, OHA and OSHA, the following are not acceptable substitutes for masks or face coverings under this policy:

● Face shields – means a transparent plastic shield that covers the wearer’s forehead, extends below the chin, and wraps around the sides of the face.

● A face covering that incorporates a valve designed to facilitate easy exhalation

● Mesh masks, lace masks or other coverings with openings, holes, visible gaps in the design or spandex material, or vents.

Disability Accommodations

If you have a medical condition or a disability that prevents you from wearing a mask or cloth face covering, you may:

Request an accommodation in writing (shc@pdx.edu) no later than 2 weeks ahead of your scheduled check-in date. Your accommodation will be reviewed by the University Housing and Residence Life and the Disability Resource Center. If you do not request an accommodation ahead of your arrival, you will be required to follow the Mask/Face Coverings policy as outlined above.

If you are Deaf, Hard of Hearing, or have another disability where you need others (specifically staff) to communicate with you through a clear face covering, please request this accommodation in advance of your arrival by emailing shc@pdx.edu.

Disposable Mask Availability

Disposable masks will be available through the Summer Housing and Conferences Desk in Broadway 210 for anyone who may need them. However, this is a courtesy service and guests should bring their own supply of masks.

2/17/2021
Physical Distancing

ALL guests must maintain a distance of six (6) feet between individuals.

The term “physical distancing” is based on the World Health Organization's recommendation instead of “social distancing” to highlight the minimum 6-foot physical distance individuals should keep from one another.

- Maintain a distance of six (6) feet between individuals; and reconfigure spaces as needed to allow for distance.
- Gatherings of 25 people or more are prohibited by PSU and the State of Oregon, and all individuals in the U.S. are advised to avoid gatherings of 10 people or more.
- Avoiding gatherings and close contact is especially important for those at high risk of developing severe illness from COVID-19, such as older adults and people with serious underlying medical conditions.

Cohorts or Stable Groups

Groups should plan to conduct all activities in small groups that remain together for the duration of their stay with minimal mixing of groups.

Reference: Physical Distancing for PSU Health and Higher Education Coordinating Commission and Oregon Health Authority: Guidance for the conduct of In-Person...Activities at Oregon Colleges and Universities

Daily Self-Check

Guests are required to perform a daily self-check for COVID-19 symptoms. Guests will need to submit a confidential self-check form each morning. The form can be found using

QR Code:

If you are experiencing symptoms, please contact your healthcare provider.
Building Access: No Visitors

PSU buildings are closed to the general public. PSU has limited access to buildings via electronic access control for authorized members of the campus community and authorized external parties affiliated with PSU.

Visitation

There is a strict “no visitation” policy in place for Summer 2021 in the residence halls. This includes family members of guests and parents. Visitors of guests are welcome to arrange lodging with any of the local hotels and meet with guests outside of the residence halls.

Violators of the Visitation policy will have their contract cancelled and be required to move out of the residence halls. No refunds will be given to these guests.
Plan Ahead

Pre-Arrival (14 days prior to check-in)

All guests should prepare for their visit by self-isolating in the days leading up to their check-in. It is requested that guests practice physical distancing, good hygiene, wear masks, and avoid large gatherings prior to arrival.

Any guests who show symptoms of COVID-19, have been exposed to or had close contact with an individual with COVID-19, prior to check-in should remain home and follow their healthcare provider’s instructions.

Guests must inform Summer Housing and Conferences and one of the following will happen:

- **Short Term Stays (14 days or less):** The guest may be removed from the group roster.
  - Guests may provide a note from a healthcare professional clearing them for travel/arrival. We cannot accept copies of test results.

- **Long Term Stays (15 days or more):** The guest may have an adjusted check-in date.
  - Guests may provide a note from a healthcare professional clearing them for travel/arrival. We cannot accept copies of test results.

* Refunds will not be issued for cancellations or reduction in nights of stay within 14 days of the guest’s arrival date.

Rosters

- All groups must submit an accurate roster of attendees who will be residing on campus or working with the group.

- Final rosters are due to the Summer Housing and Conferences Office 2 weeks (14 days) prior to the group’s arrival. No changes to the roster will be accepted after that time except to remove attendees.

- Guests who arrive at check-in and are not on the final roster will be turned away. No exceptions will be made.

- Youth (17 and under) will be allowed one (1) parent/guardian to accompany them during move-in and move-out. Parent/Guardian must be listed on the final roster. No additional guests or guests not listed on the final roster will be allowed during this process. Parents/guardians must arrange visits with group leaders and inform Summer Housing and Conferences. Visits may only take place outside of the residence halls.
On-campus Isolation/Quarantine

Any guest who develops symptoms of COVID-19 during their stay should contact their healthcare provider and notify the Assistant Director of Summer Housing and Conferences, Nikki Ludd.

Summer Housing and Conferences will provide support (meals, groceries, mail, trash pick up) to guests who are isolating or quarantining at the direction of a healthcare provider.

Groups

Program Director/Coordinators are required to notify the Assistant Director of Summer Housing and Conferences and include additional information such as roommates. The Assistant Director will work with group leaders to create a support plan for the affected guests.

Individual Guests/Interns

Individual Guests and Interns are required to notify the Assistant Director of Summer Housing and Conferences if they develop symptoms. The Assistant Director will work with individual guests and interns to create a support plan.

Services and Associated Costs

The cost of all services (including meals, additional nights and additional rooms) rendered to an individual or group, as a result of a suspected or confirmed case of COVID-19, will be charged to the individual or group. It is the responsibility of groups to collect payment from individual participants who may incur these additional charges.

Summer Housing and Conferences Desk (7AM-7PM) 503-725-4336
Conference Assistant On-Call (5PM-9AM) 971-246-1598

Mail
Please use the following format when having mail addressed to you:
Your Name
Attn: Summer Housing and Conferences
625 SW Jackson St., Suite 210
Portland, OR 97201

When mail or packages are available for pickup, guests will receive an email indicating the pick-up location. Each building has an outgoing mail slot for letters, located in the lobby. Please direct all outgoing packages and issues related to your mail delivery to the United States Postal Service—the nearest post office is located at 101 SW Madison St.

Packages
Package deliveries from major carriers (FedEx, USPS, UPS, Amazon, DHS) are accepted on the guest’s behalf at the Montgomery Service Desk (1802 SW 10th Ave). Packages addressed to guests who are not currently in housing may be returned to the sender. Packages addressed to a nickname or alias will be returned if the name preference has not been submitted to the Summer Housing and Conferences Office.

Package pick-up is available during Montgomery Service Desk hours. Please bring your photo ID, as it is required for any package pick-up. Packages not claimed within twelve (12) days may be returned to their place of origin.

Certain items cannot be received at the Montgomery desk, such as alcohol, tobacco, items that require refrigeration, including some medications, as well as other perishable items. We will accept flowers. Guests seeking delivery of items we cannot accept should contact the delivery source to plan for how to ship and receive such items. Items delivered that cannot be accepted may be denied and returned to their place of origin.

Laundry
Laundry machines and service are provided in each building for the exclusive use of guests living in the building. The laundry machines operate on laundry cards you “load” with money at one of the “add-value” stations located on campus: Montgomery lobby, Ondine lobby, Broadway 2nd floor. The machines accept Visa and MasterCard, with a minimum transaction of $5. A laundry card can be purchased from the Ondine and Montgomery stations for $2.50.
In order to help us properly maintain the washers and dryers, please follow these simple guidelines:

- Immediately notify the 24-hour service line listed on the laundry equipment in case of any malfunction. Please be specific: provide the vendor with the unit number of the machine that is not functioning properly and the nature of the problem.
- Carefully follow the directions listed on the front of the machine.
- Check that the lint screens on the dryers are clean and in place before and after use.
- Every machine has a load limit. Exceeding this limit reduces the quality of your wash and adds to your drying time.
- Do not leave your laundry unattended.

Linen Exchange

Linen exchanges will occur throughout the week at the Summer Housing and Conferences Desk (7am-7pm). Guests will bring their used linens to the Summer Housing and Conferences Desk and exchange them for a clean set. All used linens must be bagged in the issued SHC laundry bag in order for the exchange to occur. SHC will not launder personal items.

Common Area Use

Common area availability will be limited for Summer 2021. Please observe any posted signage about the area’s usability and occupancy limits.

Use of common areas is contingent on adherence to applicable noise policy and building/area regulations (prohibition of alcohol, etc.). Any individual or group requesting the use of a common area must take responsibility for assuring the cleanliness of the area upon completion of the activity. Common area space may not be used for any commercial purpose. Misuse of a common area or removal of furniture from a common area will warrant warnings, fines, and/or loss of future rights to common area space.

Parking

Parking is limited on campus. Guests may purchase daily parking permits through the Parking Kitty app. Weekly and monthly permits can be purchased through Summer Housing and Conferences. Long-term parking permits (weekly and monthly) must be requested in advance. Guests may also purchase daily permits and public transit tickets through Transportation and Parking Services (TAPS)-located at 1812 SW 6th Ave.

Garbage

After you have recycled what you can, please throw your garbage away in the proper receptacle. No organic items of any sort should be washed down drains. The subsequent clogged drain may cause damage for which you may be held financially responsible. You should empty your garbage regularly to keep everyone’s living environment clean and pest-free. Garbage chutes and recycling are located on each floor in Broadway Hall, located in rooms that end in -66 (ex. 366, 466). Trash bins are located inside of the laundry rooms in Ondine Hall.

Items in Guest Rooms

Guest rooms will be equipped with the following items:

- Box Fan
- Lamp
- Toilet Paper
- Small bars of soap
- Linens

**Victor's Dining Center**
Dining services will be in a to-go format for Summer 2021. Groups are required to perform a temperature check and ensure that each group member sanitizes prior to entering the dining hall. Guests must abide by all instructions both written and verbal. Classrooms can be reserved by groups for dining purposes.

**Classrooms**
Classrooms will be available in the residence halls. During meal times, classroom reservations will prioritize group dining.

**Classroom requirements:**
- The capacity of the room is at least double the number of people using the room

The Rec Center is currently available to PSU students, faculty, and staff by appointment only. Groups and Interns will be informed if the Rec Center is able to accommodate them.
Health and Safety

Emergency Situations
In an emergency, the Campus Public Safety Office (CPSO) can be reached at (503) 725-4404 or (5911). The CPSO non-emergency phone number is (503) 725-4407.

Evacuation Locations:
Broadway Hall- Shattuck Lot
Ondine Hall- University Center Building Parking Lot
Stephen Epler- Oak Savanna

If you see or detect a fire or any reason to evacuate, pull the handle on the nearest red fire alarm station in the hallway. Do not attempt to fight the fire yourself. Use the nearest safe, smoke-free stairwell marked “EXIT.” If you cannot find a safe exit, stay in your unit and make yourself obvious at the window for firefighters below. If you feel you must open a window, first place damp sheets or towels in the door crevices that open to the fire or smoky area to avoid fueling the fire.

Fire Alarm Evacuation
When you hear the fire alarm, you must leave the building immediately. Do not use the elevators. Fire drills are held at least once per term, during which every resident MUST exit the building and convene at the designated evacuation location.

Building Emergencies
Occasionally, there may be a problem with a building system (building system emergency) after regular business hours that may cause a significant amount of damage if left unattended. Your first contact in an after-hours building system emergency is the Summer Housing and Conferences Desk. If the desk is unreachable, you should call the Conference Assistant On-Call cell phone at 971-246-1598. The CA will contact the appropriate personnel to fix the problem. If the building system emergency happens during business hours, contact the Summer Housing and Conferences Office at 503-725-4336, University Housing Office at 503-725-4375 or CPSO at 503-725-4407.

Examples of building system emergencies include:
- Security problems (doors will not lock, ground level windows broken)
- Broken common area glass or collapsed wall
- Roof leaks (major leaks posing potential damage to the building or guests’ property)
- Fire system or equipment does not work
- Activated building sprinkler
- Exposed wiring
- No hot water
- Water flow causing damage to the building or to guests’ property
- Resident cannot use their toilet for an extended time
- Water or waste line is broken; no water.

Contacts, earrings, and wedding bands down the drain do NOT constitute an emergency (though guests should not use the drain until Maintenance personnel can respond).
Personal Property
The University is not responsible for loss or damage to personal property in University Housing facilities due to fire, theft, water, interruption of water or heat, other utility problems, damages caused by other guests, or other causes. Guests are strongly encouraged to carry personal property or renter’s insurance. Guests are also encouraged to remove all valuable items from the unit during any extended absence.

Personal Safety
Taking responsibility for your personal safety is imperative in a community living environment. Although the SHC staff do rounds at night and Campus Public Safety officers are available, you need to take action to safeguard yourself. Please abide by the following list of safety measures:

- Remember this is your home.
- Do not allow non-residents to enter the building or use elevators to access the private living areas. Ask if they are a resident if you do not know. If that is hard for you to do, contact Public Safety to let them know you think a non-resident has accessed the building.
- Carry your keys at all times.
- Lock your door even if you are merely going down the hall.
- Do not lend your keys to anyone.
- Do not prop/hold open elevator doors for an extended period of time.
- Avoid walking alone at night. Walk with a friend or call Campus Public Safety at (503) 725-4407 to be escorted.
- Avoid parking or walking in unlit areas.
- Do not prop open interior or exterior doors.
- Do not use the ADA button to open front doors unless necessary.
- Report any non-locking doors and windows to the Summer Housing and Conferences desk or on-call staff immediately.
- Report any unsafe or suspicious items or persons to the Summer Housing and Conferences Desk, SHC On-Call Staff, or Campus Public Safety.
- Do not attach bikes or other items to stairwell railings.
- Do not store items in hallways or obstruct doorways.

Security Cameras
To enhance safety and security efforts within the halls, a security camera may be placed in a hall, lobby, or other public area. To ensure personal privacy, the cameras are located and record data only in areas that are considered public within SHC and PSU spaces. While many of these areas are off limits to non-residents and their guests, they are areas that people would not expect to be private (e.g., cameras are NOT placed in restrooms, student rooms, etc.)

Sprinklers and Heat Detectors
Do not attach anything to a sprinkler.
Each resident should be aware of the sensitivity of the sprinklers, smoke detectors, and heat detectors that are present in their room or hallways. These can be activated by heat, smoke, water, force, pressure, or sudden shock. When hallway smoke or heat detectors are triggered, they activate the building alarm system alerting guests, Campus Public Safety, and the Fire Department.
Smoke Detectors
Tampering with or disabling smoke detectors is prohibited by PSU and is in violation of the State of Oregon fire codes. It also puts the community at risk and is punishable by mandatory fines. If a guest is found to have tampered with a smoke detector, the guest may be monetarily responsible for the costs of emergency response and may have their contract cancelled.

If the battery needs to be replaced in the smoke detector, do not disconnect the smoke detector. Please contact the Summer Housing and Conferences Desk.
During your stay: Residence Hall Guidelines

Keys and Badges

All guests will be issued an access badge at check-in. Do not lend your access badge to anyone. Report lost badges to the Summer Housing and Conferences desk so they may be deactivated.

All guests will be issued a room key at check-in. Failure to return SHC issued keys to the Summer Housing and Conferences desk on your Check-Out date may result in a charge of $100. Lost keys will result in a charge of $100.

Guests must be in possession of their assigned key and access badge at all times. Guests must never lend their key or badge to anyone, even another member of their group.

Group leaders or staff who require access to the conference hall, but are not residing on campus must be listed on the final roster so that they may be issued an access badge.

Any person who is found to be in possession of a key or badge that is not assigned to them, will forfeit the key or badge to a Summer Housing and Conferences or University Housing staff member. The key and badge will be returned to the assigned guest and the group leaders will be notified.

Frequent violations of this policy by an individual or group will result in the contract being cancelled and individuals or groups being removed from the conference halls. No refunds will be given to these guests or groups.

Courtesy Hours

Courtesy towards others is expected 24 hours a day to provide an environment with minimum hindrances. Guests are, therefore, expected to anticipate and respect the needs of other guests at all times. Without being asked, guests should curtail, at all times, social or recreational activities that infringe on the rights of their neighbors. The Summer Housing and Conferences staff is always willing to assist but may also determine that some noise during courtesy hours is acceptable.

Quiet Hours

Residence hall "quiet hours" occur between 10:00 pm to 8:00 am every day. Portland State University Summer Housing and Conferences hosts a diverse population of guests and these quiet hours are intentionally set to cater to the needs of sleeping and studying. All other hours are courtesy hours, during which time guests are expected to demonstrate consideration for their neighbors.

Cleanliness

Guests are expected to maintain a clean living environment. Housekeeping staff cleans all common areas, but not individual rooms/units that are occupied. In choosing to live on campus, you agree to maintain your room/unit in a clean and sanitary condition at all times.

Abandoned Goods

It is your responsibility to remove all of your personal belongings when you check out. Any personal belongings, valuables, or unwanted property left in the unit or in the building after the expiration of your contract is deemed to be abandoned property and may be retained by the University as its property or
may be disposed of by sale, donation, or in such other manner as the University in its sole discretion may
determine.

To avoid power losses, be careful not to operate too many appliances at any one time. Contact the
Summer Housing and Conferences desk or on-call staff if you trip the circuit breaker.

Fire and Life Safety, Equipment, Code, and Procedures

Guests must understand and adhere to processes, codes, and standards related to fire and life safety. Violations of this policy include, but are not limited to:

• Sitting, standing, or being on any window ledge
• Failing to immediately evacuate during a general alarm
• Causing the building or floor to go into general alarm without just cause. Most buildings will go into general alarm when a public area (hallway) or multiple smoke detectors perceive smoke. You have the responsibility to control smoke from cooking by venting through a window, rather than a hallway door. If a general alarm is caused by inattentive cooking, leaving cooking items unattended, or leaving equipment on, such behavior may be a violation of this policy.
• Guests must not use fire “pull stations” in non-emergency situations. Such false alarms could result in criminal action in addition to action by Summer Housing and Conferences. Guests could be held responsible for restitution costs associated with false alarms.
• Tampering with or damaging fire equipment, including sprinklers. If you perceive a malfunction of fire equipment, you must contact Summer Housing and Conferences staff promptly. Guests should not remove, cover, alter or tamper with fire equipment for any reason.
• Accessing and/or utilizing fire equipment inappropriately or in a non-emergency situation
• Hanging items on sprinklers, blocking or covering sprinklers or smoke detectors
• Being on the roof of any building or the exterior of any building, except when authorized (such as in an emergency)
• Obstruction of clear egress or accessible movement from room, hallway, or building. Hallways, foyers, fire exits, and doorways are thoroughfares. Gathering or the compilation of physical objects, such as furniture, decorations, boxes, etcetera in thoroughfares is prohibited as they impede effective evacuation in case of an emergency.
• Large or overloaded gatherings in guest rooms
