- r. **University Housing** means all Buildings, offices, staff, and equipment related to housing provided by Portland State University.
3. **General.** This Contract is binding upon submission of the online Contract. Failure to Check-In (paragraphs 12 and 14(c)) does not release Resident from the financial obligations of this Contract.
4. **Contract Term.** This Contract is an agreement that you will live in University Housing during Summer 2025. Regardless of the assigned Check-In date, the term of this Contract begins at 9:00 a.m. on June 21, 2025, or upon Occupancy, whichever occurs first. Residents who arrive before June 21, 2025 due to participation in an approved PSU program, must be pre-approved by UHRL and pay applicable early arrival charges. For Residents with continued Occupancy from the 2024-2025 Contract Term, the Contract Term begins instead at 12:00 p.m. on June 14, 2025. The Contract Term ends at 12:00 p.m. on August 30, 2025. Residents are responsible for leaving when the Contract ends.
5. **Rates, Billing and Payment; Prorated Charges**
- a. Resident agrees to pay the University for UHRL charges as stated on the current UHRL Rate Sheet for the Space to which Resident is assigned. Resident further agrees to pay the University for Contract cancellation if Resident fails to cancel this Contract within the assignment notification window (see paragraph 14 below). Rates for University Housing are based upon a combination of room type, number of spaces in a Unit (single, double), and Contract Term. The UHRL Rate Sheet can be found online at [pdx.edu/housing/rates](#).
- b. Charges for this Contract are billed to Resident’s student account **before** the beginning of the Contract and are subject to all University Financial Services policies, including the PSU Payment Plan.

c. Charges for policy violations, damages, improper checkouts, and contractual noncompliance will be assessed to Resident as detailed in the Housing Handbook and as elsewhere identified in this Contract. Resident agrees to pay fees assessed, subject to their right to appeal a charge (see paragraph 16 below).

d. **Interest and Collection Costs.** Resident agrees to pay interest on past-due charges of 12% per annum, along with any additional late payment fees assessed under University policy. Resident agrees to pay reasonable costs of collecting a delinquent account.

e. **Prorates.** For the purpose of calculating nightly prorated University Housing charges and cancellation fees, this Contract is calculated as 70 nights. Residents who accept a Space assignment after the first Academic Week will be assessed prorated University Housing charges.

6. **Right to Occupy.** This Contract is for an assigned Space in University Housing and not for a specific accommodation, Unit or Building. It is UHRL's agreement to provide Resident with access to a Space in University Housing for residential purposes, together with any installed fixtures and provided furnishings, plus shared use of their Unit and of the Building common areas. This Contract is not a lease or license and does not create any property interest or tenancy rights in any Building or in any particular Unit or Space.

7. **Right Personal to Resident.** This Contract is personal to the Resident and is not transferable. Resident may not sell, sublease, or assign this Contract or their contractual right to occupy a Unit or Space to anyone. Resident may not solicit roommates on public forums or social media.

8. **Eligibility**

a. **General.** Residents must maintain eligibility during the Contract Term. To be eligible, individuals who did not hold Occupancy during Spring 2025 must be admitted and enrolled at PSU for the Summer term and must either be (i) actively pursuing a degree or (ii) actively pursuing post-baccalaureate study. Residents enrolled for post-baccalaureate study or who are pursuing a certificate program from PSU are eligible for University Housing for three total Academic Quarters only, after which they must find alternative housing or be admitted to and enroll in a PSU degree program to maintain eligibility. Additional eligibility requirements are set forth below.

b. **Academic Eligibility.** Residents who did not have Occupancy during Spring 2025 must be registered for and complete a minimum of four PSU credit hours of coursework during the Contract Term or be participating in an approved program.

c. **Disciplinary Eligibility.** Residents must remain in good disciplinary standing with the University to maintain eligibility. Students who have an administrative hold on their student record due to their failure to complete University conduct sanctions are ineligible to receive a new University Housing Contract and, depending upon the severity of the conduct and circumstances, may be subject to immediate Contract cancellation by the University.

d. **Financial Eligibility.** Residents must not have past-due outstanding balances due to PSU in excess of \$100. UHRL may deny University Housing to any Resident with an outstanding balance over \$100 or with a University Accounts Receivable hold on their student account. UHRL may cancel a Resident's Contract if this financial eligibility requirement is not being met and Resident will be required to Check-Out per eligibility Check-Out deadlines. Resident will be responsible for payment of contract cancellation fees.

e. **Sex Offender Registrants and Felony and Serious Crime Convictions.** Individuals must notify UHRL in their application or in writing to housing@pdx.edu, if any of the following circumstances below apply. In addition, individuals who are already in residence in UHRL have a continuing duty to notify UHRL in writing to housing@pdx.edu if any of the following circumstances below apply:

- i. are required to register as a sex offender; or
- ii. have been convicted of any felony or of the following crimes: homicide, assault, kidnapping, or sexual offenses pursuant to Chapter 163 of the Oregon Revised Statutes or a similar criminal statute

- from another jurisdiction; a crime involving a weapon; or a felony involving illegal drugs or controlled substances; or
- iii. have been charged with any of the following crimes and are awaiting the outcome of the judicial process: homicide, assault, kidnapping, or sexual offenses pursuant to Chapter 163 of the Oregon Revised Statutes or a similar criminal statute from another jurisdiction; a crime involving a weapon; or a felony involving illegal drugs or controlled substances.

Applicants for housing must submit to a background check and disclose this information by completing a Consent to Background Check and Release of Liability form. With respect to applicants for housing, PSU will review the circumstances and will notify the applicant whether they are eligible to live in University Housing. For persons already residing in housing, UHRL will evaluate the circumstances and determine continued eligibility to live in housing and/or whether to refer the conduct to the Dean of Student Life to evaluate if student Code of Conduct charges are appropriate. **Failure to disclose a conviction or sex offender registration requirement to UHRL may result in revocation of the Contract and Student Code of Conduct charges.**

f. **PSU Employees.** Classified or unclassified employees of PSU are not eligible to reside in University Housing. This prohibition does not apply to student employees who are employed by PSU and are required to be a student as a condition of their employment, such as student work-study employees or students paid a stipend for their work. This prohibition also does not apply to PSU employees who are required to reside in University Housing as a job requirement.

g. **Changes in Eligibility Status.** A Resident must immediately report to UHRL any change in enrollment or other eligibility status that affects their eligibility to live in University Housing. A Resident is in breach of this Contract if the Resident is no longer registered for classes at PSU and/or fails to meet any other eligibility requirement.

h. UHRL reserves the right to deny a Contract and/or to cancel a Contract with anyone who fails to meet eligibility standards or who, in the judgment of UHRL, represents a health or safety threat to themselves, University students, employees, or other University constituents.

9. Assignment of Space—Process

a. UHRL will email Resident an assignment notification. **UHRL is not responsible for email messages that are not read or received by Resident. Failure to receive an assignment notification by email does not cancel this Contract.**

b. Resident must send UHRL their response to the assignment notification (through the UHRL Housing Portal or email) on or before the response deadline outlined in the assignment notification or UHRL will cancel their Contract.

c. **Contract Reactivation.** A person who has allowed their Contract to be cancelled because they did not respond to an assignment notification or because they declined an assignment (typically for the purpose of receiving a new assignment) is eligible to reactivate the Contract provided that they meet other eligibility requirements of University Housing. For reactivation, Resident agrees to pay a \$50 reactivation fee.

d. Residents will be assigned to a Summer Housing Building (Broadway, Blumel, Montgomery, or Stephen Epler) or if available, they may remain in their 2024-25 unit. 2024-25 Residents who renewed their current Space for the 2025-26 Academic Year will be assigned to that space.

e. Residents with 2024-25 Academic Year Contracts will transfer to their Summer Space on June 21, 2025 or another weekend as identified by UHRL.

f. Residents with 2025-26 Academic Year Contracts and a reserved Space will transfer to their 2025-26 Space on August 23, 2025, September 6, 2025, or another weekend as identified by UHRL.

10. Assignment of Space—General Principles

- a. This Contract is subject to Space availability. UHRL assigns the Resident to a Space based upon Resident's preferences, availability, occupancy needs, structural capacity, and the date when this Contract is received by UHRL. Space assignments may also be based upon previous behavior or conduct issues of Resident.
- b. UHRL provides reasonable accommodations for Residents with a disability where the Resident provides documentation supporting the need for accommodation to the PSU Disability Resource Center (DRC). Assignment accommodation requests are processed in the order received and reasonable accommodation requests are generally received at least 60 days prior to the start of the term. Students can contact the DRC at drc@pdx.edu or 503.725.4150.
- c. UHRL may cancel this Contract and not assign Resident to a Space for reasons including: not meeting eligibility requirements; incomplete application information; and/or failure by Resident to respond to requests for additional information (in which case Resident may be able to reactivate the Contract (as set out in paragraph 9(c), above).

11. Late Arrivals/No Shows, Vacancies, Transfers, and Reassignments

- a. **Late Arrivals & No-Shows.** UHRL may cancel Resident's Space assignment and this Contract if Resident has not completed Check-In for the assigned Space by the assigned Check-In date. To avoid cancellation, Resident must notify UHRL of their late arrival prior to the day they are scheduled to Check-In. If Resident fails to Check-In, or fails to notify UHRL of a late check-in, Resident will forfeit their Space and be billed for the full term's charges. A request for reactivation or reassignment is subject to Space availability.
- b. **Vacancy in Furnished Doubles.** If a Space vacancy occurs in a Furnished Double Unit, UHRL may in its sole discretion:
 - i. assign another Resident to the vacant Space, in which case the remaining Resident must make the vacant Space and all its furnishings available for a new Resident to move in at any time. The furnishings must be arranged with the beds in the bedroom area (if applicable). UHRL may assess a \$100 Consolidation fee if the Unit is not prepared for a new occupant, and in the case of doubles, may convert the Unit to a single and charge the remaining resident the single occupancy rate;
 - ii. reassign the remaining Resident to a different Space; or
 - iii. upon the remaining Resident's request and agreement to pay for the Unit at the single occupancy rate, and with UHRL approval based on anticipated future occupancy needs, treat the Unit as a single Space (UHRL will charge the Resident the single rate beginning on the date UHRL approves their request).
- c. **University's Right to Reassign.** UHRL reserves the right to reassign Residents to another Space or Unit or Building or to change the occupancy configuration of a Unit at any time during the Contract Term. In the event of a shortage in University Housing, or in the event of a national or regional emergency, UHRL may alter the occupancy of a Unit or assign Resident to another Unit, including to temporary University Housing. Examples of other circumstances requiring reassignment include: protection of the welfare of Residents, energy conservation, closure of all or part of a Building for any reason, need to use an ADA-designated Space for an accommodation, and other maintenance, economic, or safety reasons.
- d. **University Place Hotel Reassignment.** In the event there is a shortage of University Housing or a facility emergency and UHRL assigns Residents to a Space in University Place Hotel, the Resident remains a UHRL Resident under this Contract. However, Residents may also be required to abide by additional conduct requirements of the University Place Hotel.

12. Check-In and Check-Out

- a. Resident agrees to follow all Check-In, Check-Out, and cancellation processes set forth in this Contract and in the Housing Handbook. Failure to follow procedures may result in additional charges or fines.

b. A Resident who cancels this Contract prior to the end of the Contract Term agrees to pay any applicable cancellation fees and submit a Contract Cancellation Request Form via the Housing Portal prior to check out. Failure to submit a Contract Cancellation Request Form will result in a \$100 improper cancellation charge.

c. Resident must follow the Check-Out procedures outlined in the Housing Handbook and return all UHRL-issued keys upon Check-Out. Keys must be returned by the resident to the Housing Service Desk during desk hours or to a UHRL Express Check-Out drop-box after hours. UHRL will charge Residents who do not follow Check-Out procedures a \$100 improper Check-Out fee and up to \$130 for a lock change/key replacement charge.

d. Items left in rooms or common areas following Check-Out or any Contract cancellation will immediately be considered abandoned property. Abandoned items will be thrown away, resold, or donated, at the University's discretion. Residents will be charged for removal of trash and abandoned items as published in the UHRL Housing Handbook.

13. Contract Cancellation - By University

a. This Contract may be cancelled at any time by the University. At University's discretion, University may cancel this Contract immediately upon receiving information demonstrating any of the following circumstances, subject to any rights of Resident to receive a hearing under the Housing Handbook or Student Code of Conduct or under the academic rules for their program:

i. Resident has not Checked-In and taken Occupancy of their assigned Space by their assigned Check-In date, unless the Resident has provided UHRL with written notice of a late Check-In prior to the start of the Academic Quarter;

ii. Resident cancels or delays their admission or enrollment to the University;

iii. Resident does not meet, or fails to continue to meet, Contract eligibility requirements;

iv. Resident commits serious or repeated Housing Handbook or Student Code of Conduct violations;

v. Resident is required to move out of University Housing as a result of a disciplinary decision made under the Student Code of Conduct or Housing Handbook;

vi. UHRL has reasonable cause to believe that Resident poses an immediate threat to themselves, other Residents or their guests, or to University Housing or dining facilities, in which case the Resident may be asked to vacate the premises immediately pending a hearing under the Student Code of Conduct;

vii. Resident is suspended or expelled from the University;

viii. Resident has breached any terms and conditions of this Contract; or

ix. Resident appears to have vacated the unit permanently but without notice to UHRL.

b. When UHRL cancels a Contract, Resident will be charged the cancellation fee described in paragraph 14. Under some limited circumstances, Resident may petition for release from the Contract as described in paragraph 15, in which case the Resident may be released from the Contract without incurring a cancellation fee.

c. If Resident's Contract is terminated by the University because of violations of the Student Code of Conduct or Housing Handbook, or if Resident moves out and doesn't provide a cancellation reason, Resident will be subject to the charges of the full Summer term rate.

d. Appeals of disciplinary or academic decisions that result in a Resident no longer being eligible to live in University Housing will not delay contract cancellation by UHRL.

14. Contract Cancellation - By Resident

a. **General.** Failure to cancel the Contract by the time or in the manner required by this Contract will result in additional charges to Resident. Resident agrees to pay the applicable Contract cancellation fees below. All Contract cancellations must be from resident either in writing and delivered to housing@pdx.edu or requested via the Housing Portal.

b. **Cancellation Prior to Accepting an Assignment.** Residents who cancel this Contract prior to acceptance of the Space assignment are not responsible to pay Contract cancellation fees.

c. **Cancellation After Accepting an Assignment but Prior to Check-In Date.** Residents who cancel this Contract after accepting their Space assignment, but before their Check-In date, agree to pay the following cancellation fees:

<i>Cancellations between May 1, 2025 – May 31, 2025</i>	<i>\$423</i>
<i>Cancellations between June 1, 2025 – June 13, 2025</i>	<i>\$847</i>
<i>Cancellations after June 13, 2025</i>	<i>Full Contract Term charges</i>

d. **Cancellation after Check-In Date.** Residents who cancel this contract after their Check-In Date, agree to pay the Full Contract Term charges. A Contract Cancellation Request Form must be completed to avoid improper cancellation charges.

i. Where cancellation is because of call to active military duty, Resident must file a Contract Cancellation Request Form with UHRL and provide documentation of call to duty letter within one calendar week of receiving their orders whenever practicable. UHRL will prorate University Housing charges for each night of Occupancy prior to Check-Out.

15. **Petition for Release from Contract Cancellation Fees**

a. **General.** In limited circumstances, UHRL may, in its sole discretion, release a Resident from their obligation to pay cancellation fees. A Resident may ask to be released from paying cancellation fees by submitting a UHRL Contract & Charge Petition with UHRL following the process below. Petitions must demonstrate that the Resident has experienced a change in family status, or a change in medical or financial circumstances beyond their control and that those circumstances affect their ability to live in University Housing. Successful petitions tend to show a change in circumstances that occurred between the date this Contract became binding and the date of cancellation or Check-Out.

b. **Change of Circumstance—Medical.** Petitions may be approved in cases where the resident has significant, unforeseen medical (including psychological) needs that cannot be accommodated by relocating the Resident within University Housing. Resident is encouraged to submit information from a medical professional explaining how the Resident cannot be supported in University Housing and what has changed since the Contract became active. The documents do not need to outline specific medical information such as diagnosis. A petition based upon a medical change of circumstance will not typically be approved based on the existence of a pre-existing or chronic condition, as opposed to a change in that condition.

c. **Change of Circumstance—Financial.** Petitions may be approved in cases where significant, unforeseen and involuntary financial circumstances demonstrate that Resident is in a state of compelling financial need. A petition based upon a financial change of circumstance will not typically be approved based solely on the presence of a more affordable housing option. Resident is advised to provide documentation to show that all possible financial resources (parents/guardians, student earnings, federal, state, and University financial assistance, educational loans, etcetera) have been utilized and the Resident is still unable to meet their financial obligations under this Contract while remaining at the University. Educational loans are considered a reasonable means to meet a Resident's financial obligations under this Contract.

d. **Change of Circumstance—Family.** Petitions may be approved in cases where the resident has a change in family status including childbirth, adoption, marriage, domestic partnership, or other qualifying event. Resident must provide documentation which may include but is not limited to a doctor's note, approved adoption paperwork, marriage license or registered domestic partnership from a state or municipality.

e. **Process.** Petitions must be submitted no later than 60 days following the date that UHRL posted the cancellation fee to the Resident's student account. Residents must submit a UHRL Contract & Charge Petition form and any supporting documentation to UHRL. Petitions will be decided by the Executive Director of UHRL who may approve

or deny the petition in whole or in part. Residents may appeal the Executive Director's decision to the Appeal Board within 14 days of the Executive Director's decision. The decision of the Appeal Board is final.

16. Petition of Housing Fees. A Resident may petition a UHRL charge or fees assessed to their student account (such as damage charges or improper Check-Out fees) where the Resident believes such charges or fees are incorrect or wrongly imposed. Petitions must be submitted no later than 60 days following the date that UHRL posted the charge to the Resident's student account. Residents must submit a UHRL Contract & Charge Petition form and any supporting documentation to UHRL. Housing fee petitions will be decided by the UHRL Accounts Coordinator who will determine if the fees were correctly assessed. The Accounts Coordinator may approve or deny the petition. The decision of the Accounts Coordinator is final.

17. Conduct and Community Standards; Prohibited Items

a. Creating or maintaining an unwelcoming, hostile, or intimidating environment with the intent to discourage or drive out a roommate is a violation of this Contract and any Resident found responsible for such conduct will be charged for the full single rate of the Unit from the date their roommate vacates or the University may cancel Resident's Contract for disciplinary violations.

b. Resident agrees to abide by all PSU and UHRL policies and community standards as stated in the Housing Handbook. Without excluding applicability of any other policies, some PSU policies that Residents should be particularly aware of include the Student Code of Conduct, Email Communications Policy, Acceptable Use Policy, Smoke and Tobacco Free Policy, Alcohol and Drug-Free University Policy, and the Prohibited Discrimination and Harassment Policy (see generally, pdx.edu/policies).

c. Any violation of this Contract may subject Resident to disciplinary action under the Housing Handbook or under the Student Code of Conduct or both.

d. No Resident may deliberately or negligently remove or destroy any part of the assigned Unit or its furnishings or knowingly permit others to do so.

e. Residents must immediately report to UHRL any need for repairs of their Space or within their Unit.

f. UHRL reserves the right to remove any item in a Space that does not conform to University policies or is not permitted under the Housing Handbook. UHRL reserves the right to approve or limit any electrical or other device to protect the health and/or welfare of others.

18. Annoyance; Habitability. UHRL is not responsible for annoyance or disruption resulting from noise created by other Residents, their guests, or external sources (e.g. construction, road noise, University or community events, or commercial activity). University will make repairs and take reasonable steps to keep the Unit in a fit and habitable condition during the Contract Term. University will provide a stove and refrigerator or mini-fridge in all units with a kitchen or kitchenette. Some kitchens/kitchenettes may also have an oven in addition to the stove.

19. No Commercial Uses. Conducting any business or commercial enterprise is prohibited in University Housing. Accordingly, Resident may not conduct commercial activities such as offering goods or services for sale to others, in University Housing, whether through in-person or online activity.

20. Keys and Locks. UHRL will issue keys or access cards to the Resident. Resident may not loan any key or access cards to anyone nor may Resident make duplicates of keys or access cards for any reason. The installation or use of any unauthorized lock by Resident is prohibited. Resident will be assessed a charge as stated in the Housing Handbook for a lock change and for new keys if Resident loses or fails to return the originally issued keys upon Check-Out.

21. Safety and Security. Resident agrees to take primary responsibility for their own safety and security, and to support the safety and security of other persons living in or visiting University Housing. The University and UHRL will

work with Residents to promote a safe and secure environment, although absolute safety cannot be guaranteed. Resident agrees to read and abide by PSU safety/security policies and publications that are made available from time to time.

22. **Fire Safety.** Resident is responsible for testing smoke detectors when they move in, followed by every 6 months in the Unit, and for reporting defective detectors. Tampering with smoke detectors is prohibited. Fire extinguishers must not be removed from their hangers except for use in the case of fire. Resident agrees to participate in fire drills. Resident agrees to report immediately any known, expended extinguisher to UHRL for replacement. In the event of a fire in the Unit or the Building, and if it can be done without jeopardizing the safety of the Resident, Resident must notify the Fire Department by calling 9-1-1 and/or the PSU Campus Public Safety Office at 503-725-5911.

23. **Windows, Walls, and Roofs.** No one is allowed on roofs, sides of, or on outside ledges of University Housing. No one may sit on window sills or extend any part of their body outside of windows. Nothing is to be thrown, dropped, or spilled from roofs, ledges, or windows, and nothing is to be thrown at windows or through doorways. For aesthetic and safety reasons, Residents are prohibited from placing, displaying or suspending items from sides of Buildings or in windows (such as banners, clothing, signs, etcetera), including on window sills. Removal of any screen or window limiter from a Resident's Unit or a common area of University Housing is prohibited.

24. **Room Entry; Inspection**

- a. Resident agrees that UHRL may enter a Unit or Space, with or without notice, for reasons including but not limited to:
 - i. maintenance, repair, or custodial services;
 - ii. preparation of Space or Unit for a new Resident;
 - iii. inspection of Space or Unit conditions upon vacancy;
 - iv. health and safety reasons, sanitation, or security;
 - v. elimination of nuisances;
 - vi. when reasonable cause exists to indicate a violation of established conduct or health and safety standards;
 - vii. when reasonable cause to indicate an emergency exists, including fire, water leaks, flood, accident, sickness of Resident, or danger to health or welfare of any Resident or their guest;
 - viii. when reasonable cause exists that a University policy is being violated.
- b. UHRL will conduct fire, safety, and sanitation inspections of each Unit at least annually and may conduct inspections more frequently as may be determined necessary by UHRL.

25. **Assumption of Liability for Losses Damage**

- a. Resident assumes liability for damage resulting from action by Resident, Resident's guests, and animals, as well as for losses incurred by Resident or confirmed guests.
- b. Resident is financially responsible for all facilities, fixtures, and items provided for their use. Resident may be charged for cleaning of the Unit or Space and for any change in the general condition of University property that is not the result of normal wear and tear.
- c. Charges for loss, damages, excessive cleaning, and lost keys during the Contract Term will be billed to the Resident's student account. When more than one Resident occupies the Unit or Space and responsibility cannot be ascertained, any damage charge(s) will be assessed equally among the Residents. If a Space vacancy occurs in a double unit and the resident who moved out did not complete a walk-through, the remaining resident must report any new damages to the room by emailing housing@pdx.edu within three business days. Any damages not reported to UHRL may result in damage charges billed to the remaining resident upon move-out. With respect to common area damages (such as lounges, laundry rooms, corridors, bathrooms, etc.), loss of equipment, or defacement of any area in common use,

where responsibility is not accepted by or identified as belonging to an individual or group, UHRL will divide charges on a prorated basis among the Residents of the Building or floor community.

26. Family

a. University Housing is for PSU students and this Contract is for the individual Resident only. Family members including children, spouses, and domestic partners are not permitted to reside with Resident. If Resident and spouse/partner are both PSU students eligible for University Housing, then both individuals must submit a University Housing Contract and each Resident is responsible for their own Contract, payment, and maintaining eligibility status. For questions, contact UHRL.

b. If Resident has a child, spouse, or partner who will not be living with them, Resident must provide documentation to UHRL demonstrating that their family member has alternative housing.

c. Family members or other unauthorized persons found residing in Resident's Space/Unit is a violation of Contract and may subject Resident to a fine, contract cancellation and/or disciplinary action.

d. If Resident's family status changes due to childbirth, adoption, marriage, domestic partnership, or other qualifying event, Resident must submit a Contract Cancellation Request Form and follow cancellation policies outlined in section 14.

27. Caregivers. UHRL permits approved care givers to have access to a Resident's Unit where the Resident needs a care giver to aid Resident in their personal care. Prior to allowing access to their Unit, Resident must submit a completed Caregiver Form and include any documentation as may be required by UHRL and receive UHRL approval. Upon approval, UHRL will provide access for approved caregivers who may enter the Building and Unit only during pre-approved days and times except in case of emergency. For extended care needs, an accommodation request from the Disability Resource Center is required.

28. Care of Service and Support Animals. Support animals must be registered and approved by the Disability Resource Center prior to moving in. Residents with service animals or an approved support animal are responsible for the care of their animal. UHRL, at UHRL's discretion, may provide limited access to Resident's Space, at request of the Resident, to allow a third-party to provide care to the animal when Resident must be away from the Unit for an extended time, typically for up to two consecutive days in one-hour increments (and for no more than five days per Contract Term). Further, it is the policy of UHRL to provide accommodations as approved by the Disability Resource Center.

29. Guests. Overnight guests are permitted for a maximum stay of up to two consecutive days and no more than five total days for all guests during the Contract Term. In Units with multiple Residents (doubles, suites), the Resident who has a guest must first obtain the consent to have the guest from all other Residents assigned to a Space in that Unit. If a stay longer than two consecutive days or five total days is desired, Resident must also obtain written permission from UHRL (housing@pdx.edu) prior to the guest's visit. Guests must be accompanied by Resident at all times.

30. Lead Paint Disclosure. Under a federal law known as the Residential Lead-Based Paint Hazard Reduction Act, the University must provide disclosures concerning the existence of lead-based paint hazards to certain Residents living in University housing built before 1978. Disclosure of any lead-based paint hazards is not required for Residents assigned to housing in the Broadway, Blumel, and Epler residence halls because these buildings were constructed after 1977. Single room dormitories and studio apartments, wherever located, are also excluded from the disclosures required under the Act.

The following disclosure pertains only to Residents who are assigned housing in 1-bedroom units in St. Helen's residence hall, and to the staff apartments in Montgomery and Ondine residence halls.

DISCLOSURE OF INFORMATION ON LEAD-BASED PAINT AND/OR LEAD-BASED PAINT HAZARDS

Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, lessors must disclose the presence of lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention.

Known lead-based paint and/or lead-based paint hazards are present in the following housing:

- * fire escapes of St. Helen's residence halls

Records and other information of lead-based paint and/or lead-based paint hazards can be obtained by visiting pdx.edu/housing/housing-environmental-health-safety. The University is not aware of any other reports or records pertaining to lead-based paint or to lead-based paint hazards in the St. Helen's, Montgomery, and Ondine residence halls. Residents with questions about lead-based paint in University Housing may contact UHRL at housing@pdx.edu or Environmental Health & Safety at ehs-group@pdx.edu.
