Get Smart about your Health Plan

Noon-hour Webinar for PEBB Members in Northwestern Oregon

Your benefits from A to Z

We'll start with the Board’s role - providing health care and other benefits for 135,000 employees and dependents throughout the state. Then we'll cover what's available for 2016.

- HEM & health assessments - minus the myths
- Your premium share for core benefits
- Choosing a medical plan - things to think about
- Plans in your service area
- Optional and tax-saving benefits
- Three steps to success during Open Enrollment
