4. If you are NOT a PSU employee, you should have received an e-mail providing you with a Guest User “Username” and “Password.” Enter these and click Login.

If you ARE a PSU employee, click on the “SSO Authentication” link below the login box and use your ODIN username and password.

5. Confirm that you are in the “Applicant Tracking” module (blue). If not, click to select that module.
6. Confirm that your user type is “Search Committee Member.” If not, click on to select that user type and click the button.

How to View a Posting

1. Hover over “Postings” and select the appropriate employee group from the drop-down menu (for this example, “Admin” will be used).

2. The screen will, under “Ad hoc Search,” indicate the number of items found, which represent the number of postings for which you are a member of the search committee. This screen will look relatively blank. However, you may add search criteria (column headings) by clicking on “More search options,” selecting the column heading(s) you desire, and clicking on . If you are on more than one search committee, you will want to add “Working Title” or “Position Number” or something to assist you in determining which posting you need to view. If, however, you are on only one search committee, simply hover over the “Actions” link at the end of the row (not the one above the last column) and click on “View Posting.” You will see a summary of the posting.
1. From the posting “Summary,” click on the “Applicants” tab.

2. From this screen, you can perform a variety of activities. If you hover over the “Actions” link at the end of the row of an applicant and click on “View Application,” you can review all submitted application materials for that individual.

3. You may also view, export, or download application materials for more than one or all applicants. Check the box next to “Full Name” for all applicants, or check the box next to selected individuals to review only those applicant materials. Hover over the inclusive “Actions” link (at the top of the last column) and select the action you would like to take.
4. You are able to evaluate applicants on selection criteria, or general comments (depending on the request within the posting). Check the box next to “Full Name” for all applicants, or check the box next to selected individuals to evaluate/comment only those applicants. Hover over the inclusive “Actions” link (at the top of the last column) and select “Evaluate Applicants.”

5. Enter your comments, click Save then click on “Show More” if you selected additional applicants. Once you have completed entering your comments, click Next to return to the “Applicants” tab. Your comments will only be viewable by you and the Search Chair.
A portion of PSU’s Value Statement reads “We embrace our role as a responsible citizen of the city, the state, the region, and the global community and foster actions, programs, and scholarship that will lead to a sustainable future.” In keeping with this value, we urge you to print application materials only when necessary.

1. Check the box next to “Full Name” for all applicants, or check the box next to selected individuals to review only those applicant materials. Hover over the inclusive “Actions” link (at the top of the last column) and select the action you would like to take.
2. Use your browser tools to print as needed.

*If you are the Search Chair, in addition to the above, you will also have the ability to view the other members of the search committee’s comments.
