2017 Heart & Stroke Walk
Oregon & SW Washington

CELEBRATE LIFE
The American Heart Association (AHA) calls on all Americans and their employers to create a culture of health and physical activity to live longer, heart healthy lives. As AHA’s “mission in action,” the Heart & Stroke Walk is a 5k (3.1 mile), non-competitive walk inspiring healthy behaviors while raising funds to help fight heart disease and stroke, our nation’s No. 1 and No. 5 killers.

INSPIRE CHANGE
On May 20, 2017, Portland State University will be participating in the 2017 Heart & Stroke Walk! We need your help to achieve our goal of recruiting 15 Team Captains who will recruit 150 Walkers and raising $5,000 in the fight against heart disease and stroke!

TAKE ACTION
• Join a Portland State University team or Start Your Own! Registration is FREE!
  • PdxHeartWalk.org
• Make a donation! Every dollar counts, and your generosity is appreciated.
