Reduced Tuition Policies

Reduced Tuition Benefit for Academic and Classified Employees

The academic term rate for employees is 30% of resident undergraduate tuition assessed at the teaching institution, rounded to the nearest dollar. For campuses where an undergraduate differential tuition structure is in effect, the staff fee rate will be charged at the “regular” (not differential) resident undergraduate tuition rate for both undergraduate and graduate student employees.

Charges for Building, Health Service, Recreation, Student Union, and Incidental Fees do not apply; nor are employees entitled to health services or incidental fee services through this program. No Application Fee will be required for employees and no breakage or other deposit is required when registering for classes. Other fees such as lab or course fees are assessed at the full rate and no discount is provided.

Staff fees are not applicable to certain courses. For a complete reference list of excluded programs, please go to: www.pdx.edu/hr/sites/www.pdx.edu.hr/files/PSU Staff Fee Excluded Programs.pdf

Excluded programs are determined at the discretion of the institution’s president and the notice of exclusion must be filed with the institution’s Registrars’ office prior to the first day of registration for a term.

1. On approval of the president or designee of the teaching institution and with the concurrence of the employee’s immediate supervisor, the staff fee is available to employees appointed at half-time (.5 FTE) or more (not including temporary classified employees or other student employees).
2. To qualify for this fee, the staff member must meet the criteria no later than the first day of classes of the term of enrollment. The maximum number of credits to which the staff fee may be applied is 12 credits per quarter or per semester.
3. Employees enrolled for more than 12 credits in one term will pay for each additional credit at the campus designated per credit tuition rate applicable to resident undergraduate or graduate students, depending upon the employee’s degree status.
4. For purposes of this rule, the term "employee" may include persons with full-time courtesy appointments who provide a benefit to the institution in the form of teaching, research, or counseling, under the direction of the institution and using the facilities of the institution. PSU grants staff fee privilege’s to courtesy appointments only when specifically authorized in the courtesy appointment letter offer, and does not allow the transfer of staff fee reduction for those on courtesy appointment to a family member.
5. Employees on leave are eligible for staff fee privileges. Subject to the approval of the president or designee of the teaching institution, the maximum credit limitation may be waived for retired employees and for employees on leave. See exception under Senior Adult Learning Center: https://sites.google.com/a/pdx.edu/salc/home.
6. Employees who use the staff fee for courses away from their home institution are subject to staff fee policies and procedures of the instructing institution. There is no fee plateau at any campus for employees, family and dependents, or retired staff.
7. Employees may be permitted to take noncredit courses at one-third of the fee assessed to other registrants. Teaching units are not required to extend staff fees for noncredit courses, self-sustaining workshops, or self-support credit courses.
8. Employees on furlough or lay-off status may be eligible for staff fees in accordance with provisions of a collective bargaining agreement.

9. No tuition shall be assessed to courses enrolled in by employees with a grading option of ‘audit.’ Attendance under such condition must be with the instructor’s consent and on a space-available basis. Institutions are required to maintain a record of the courses audited. Courses approved for audit by the instructor confer no credit to the student, are not charged staff fee rates or regular tuition, and may be used in addition to staff fee privileges during a term. However, any applicable course, lab or material fees associated with auditing for-credit classes will be assessed by the institution and is the responsibility of the employee. This provision cannot be subdivided in conjunction with the Employee Family Member and Domestic Partner Transfer provisions.

10. The benefit may be used at any OUS institution, however; please note the Concurrent Enrollment policy was eliminated January 1, 2004.
