WHAT IS CHARITABLE FUND DRIVE?

The State of Oregon Employees' Charitable Fund Drive is an annual, combined charitable giving campaign tailored to meet the needs and wishes of employees of the State of Oregon. The Charitable Fund Drive helps State employees create the future each of you wants to see become reality in Oregon. Whether you care about Oregon's animals, arts and culture, environment, equality and human rights, health, housing, families, or anything else - there is a nonprofit working for these ideals.

You can support any of more than 800 charities or issues through the Fund Drive by making just one charitable gift. Oregon's Charitable Fund Drive was implemented in 1989 as a way to offer access to this wide range of charities through an easy, once-a-year campaign that gives state employees precise control over where their contributions are spent. Last year, state employees contributed more than $824,000 to the Fund Drive.

HOW CAN I GIVE?

One of the benefits of the Charitable Fund Drive is the ease with which you can handle all of your charitable giving in one step.

**Want to make giving easy?** The simplest option is to have your contribution deducted from your paychecks. Many employees find the Fund Drive's payroll contribution method easiest and most satisfying, because a small amount taken out of each check adds up to a substantial gift over the course of a year. The Fund Drive has an easy online pledging system that is secure, paperless and simple to use.

*University employees, donate here.*

**Have questions about the online pledge system?**

**Would you rather donate using cash or a check?** The Fund Drive gladly accepts cash or checks. Is it easiest for you to give with a credit card? The Fund Drive can charge your gift to most major credit cards, and do it securely online.

**Planning on retiring soon?** You can have a monthly gift sent automatically from your checking account through Electronic Funds Transfer. After you have retired, log on and donate at [www.ipledgeonline.org/_rpe/](http://www.ipledgeonline.org/_rpe/). Whatever method you choose, the Fund Drive is designed to make your giving easy.
