Other Events

Booth!
The Country Booths are tables that are arranged with a variety of artifacts from different countries designed to encourage both new and experienced riders to bike in Portland during the event. The event also features a variety of food and drinks from around the world, as well as live music and entertainment.

The application deadline is May 31st.

For more information about the program, including eligibility criteria and application instructions, please visit the ICSP website.

As travel information becomes available, we'd like to share tips with you to help you prepare for travel. Travel is an important aspect of the international experience and can help you gain new perspectives and insights. We encourage you to research your destination and plan ahead to ensure a safe and enjoyable trip.

PSU Bike Challenge

PSU Bike Challenge is a fun and engaging way to encourage students to bike and be active. By participating in the challenge, you can earn points for bike commuting, which can be used to win prizes. The challenge also encourages teamwork and friendly competition among students.

PSU Bike Challenge is open to all students, faculty, and staff members. To participate in the challenge, you must create an account and link it to your bike. You can then track your progress and see how you compare to others.

On May 5th, we'll walk over to the stadium together for the Portland Thorns match against the Seattle Sounders. The Thorns are an expansion team in the National Women's Soccer League (NWSL) and are looking to secure their first regular season victory. This event is a great opportunity to support your favorite soccer team and experience the excitement of a live game. The Portland Thorns have been playing the past two seasons and have been drawing large crowds to their games. This season, they have won two games and lost one.

Booth!
The booth is an excellent opportunity to meet and interact with International Students at PSU. This year, the theme is "Let the ARTh speak". Visitors can experience diverse cultures in one night! Save the date on your calendar.

International Women's Community

All women are welcome to join us! This week we will try some unique and delicious fruits. Feel free to bring your own fruit and share with others.

International Women's Community is an open event for all women to socialize with other students. This event is in collaboration with the Office of International Student and Scholar Services (OISS).

On May 19th, we will witness enthusiastic performances by International Students. This is a great opportunity to experience diversity and cultural exchange. The performances will take place on stage in the main hall of the PSU Student Union.

Apply to be an International Student Mentor! This is an excellent opportunity to develop professional skills and public speaking training. You will be provided with training and support to help you be successful in your role.
