Oregon DHS contracted Portland State University’s Institute on Aging to survey all assisted living, residential care, and memory care communities in 2014. Results are based on provider responses to a self-administered questionnaire. A total of 116 assisted living facilities with 6,001 units responded, for a 53% response rate. The full report is available at: http://www.oregon.gov/dhs/spd/Documents/CBC%20Summary%20Report_FINAL.pdf
