

Greater Portland-Vancouver Indicators: **MOCKUP** of a Conceptual Framework

How partner groups can fit in to the Regional Indicators effort.

Black font = an example of a partner indicator set – Metro

Italicized Font = *prototype regional indicator categories/indicators*

***Asterisks** = showing of the indicators that fall into more than one category (would fall into overlapping areas of Venn diagram)

White Font = some placeholder concepts from the Oregon Benchmark framework; many more partner indicators can will fit in here or in related areas.
